Explanation of Responses:

- Award of restricted shares of Class A Common Stock, with one-third of the shares vesting on each of March 1, 2026 and the first two anniversaries thereof.
- In addition to the shares reported on this Form 4 that vest based on time and continued service with the Issuer, the reporting person also received a performance-based award consisting of an additional 17,866 shares (at "target" performance) that are eligible to vest based on the Issuer satisfying certain performance-based metrics over the next three years. The reporting person may earn between 0% and 200% of the "target" number of shares based on performance relative to the performance objectives during the applicable performance period. The exact number of shares that will be earned based on this performance-based vesting, if any, will be calculated and reported as they vest and the number of shares earned is determined over the next three years.
