Explanation of Responses:

1. This amount reflects an adjustment to total number of shares beneficially owned as reported on a Form 4 filed by the reporting person on March 3, 2025 after accounting for this delinquent transaction that was not reported on a Form 4 filed on February 13, 2025. This amount represents the total number of shares beneficially owned by the reporting person as of the filing date of this Form 4, which includes a deduction of 1,169 shares that the reporting person is not able to account for when comparing his current holdings to the total number of shares beneficially owned that would otherwise be reported on this Form 4.
