(1) Award of restricted shares of Class A Common Stock, with one-fourth of the shares vesting on each of March 1, 2022 and the first three anniversaries thereof.

This amendment is being filed to correct a clerical error regarding the vesting period in this footnote of the original filing of the Form 4. In addition to the shares reported on this Form 4 that vest based on time and continued service with the Issuer, the reporting person also received a performance-based award consisting of an additional 62,500

(2) shares (at "target" performance) that are eligible to vest based on the Issuer satisfying certain performance-based metrics over the next three years. The reporting person may earn between 0% and 200% of the "target" number of shares based on performance relative to the performance objectives during the applicable performance period. The exact number of shares that will be earned based on this performance-based vesting, if any, will be calculated and reported as they vest and the number of shares earned is determined over the three-year period.

Note: File three copies of this Form, one of which must be manually signed. If space is insufficient, *see* Instruction 6 for procedure.
