NOTES TO CONDENSED CONSOLIDATED FINANCIAL STATEMENTS
(Unaudited)

(1) GENERAL

The unaudited condensed consolidated financial statements have been prepared on the same basis as the audited consolidated financial statements and, in the opinion of management, reflect all adjustments (consisting of normal recurring adjustments) necessary for a fair presentation for each of the periods presented. The results of operations for interim periods are not necessarily indicative of results to be achieved for full fiscal years.

As contemplated by the Securities and Exchange Commission (SEC) under Rule 10-01 of Regulation S-X, the accompanying condensed consolidated financial statements and related footnotes have been condensed and do not contain certain information that is included in the Company's annual consolidated financial statements and footnotes thereto. For further information, refer to the consolidated financial statements and related footnotes for the year ended December 31, 2001 included in the Company's Annual Report on Form 10-K.

(2) FOREIGN CURRENCY TRANSLATION

The Company operates internationally through the following foreign subsidiaries; Skechers S.a.r.l located in Switzerland, with a functional currency of the U.S. dollar; Skechers Ltd., located in the United Kingdom, with a functional currency of the British Pound; Skechers Iberia located in Spain, Skechers GmbH located in Germany and Skechers SAS located in France with a functional currency of the Euro.

The results of operations for the Company's non U.S. dollar functional currency foreign subsidiaries are translated from their functional currency into U.S. dollars using the average exchange rates during each period; assets and liabilities are translated using exchange rates at the end of the each period. Adjustments resulting from the translation process are reported in a separate component of stockholders' equity, and are not included in net earnings.

(3) OTHER COMPREHENSIVE INCOME

Other comprehensive income at June 30, 2002 and December 31, 2001, consist of foreign currency translation gains of \$2,419,000 and \$33,000, respectively. The change in other comprehensive income consists of foreign currency translation gains of \$2,821,000 and \$5,000 for the three months ended June 30, 2002 and 2001, respectively. For the six months ended June 30, 2002 and 2001, the change in other comprehensive income consists of foreign currency translation gains of \$2,386,000 and \$364,000, respectively.

(4) EARNINGS PER SHARE

Basic earnings per share represents net earnings divided by the weighted average number of common shares outstanding for the period. Diluted earnings per share, in addition to the weighted average determined for basic earnings per share, includes common stock equivalents which would arise from the exercise of stock options using the treasury stock method, and assumes the conversion of the Company's 4.5% Convertible Subordinated Notes for the period outstanding since their issuance in April 2002.

The following is a reconciliation of net income and weighted average common shares outstanding for purposes of calculating basic earnings per share (in thousands):

	Three-Months Ended June 30,		Six-Months Ended June 30,	
	2002	2001	2002	2001
Basic earnings per share

Basic earnings per share	\$ 0.57	\$ 0.46	\$ 1.12	\$ 0.94

Diluted earnings per share	\$ 0.52	\$ 0.44	\$ 1.05	\$ 0.88

There were 301,500 and 0 options outstanding that were not included in the computation of diluted earnings per share for the three-month period ended June 30, 2002 and 2001, respectively. There were 310,000 and 0 options outstanding that were not included in the computation of diluted earnings per share for the six-month period ended June 30, 2002 and 2001, respectively. The options outstanding that were not included in the computation of diluted earnings per share were excluded because their effect would have been anti-dilutive.

(5) INCOME TAXES

Income taxes for the interim periods were computed using the effective tax rate estimated to be applicable for the full fiscal year, which is subject to ongoing review and evaluation by management.

(6) SHORT-TERM BORROWINGS

The Company has available a secured line of credit, as amended on June 12, 2002, permitting borrowings up to \$200.0 million based upon eligible accounts receivable and inventories. Borrowings bear interest at the prime rate (4.75% at June 30, 2002) minus 0.50%, and the agreement expires on December 31, 2003. The agreement provides for the issuance of letters of credit up to a maximum of \$30.0 million of which 50% decreases the amount available for borrowings under the agreement. Outstanding letters of credit at June 30, 2002 were \$11.5 million. Available borrowings under the line of credit at June 30, 2002 were \$158.3 million. The Company pays an unused line of credit fee of .25% annually. The agreement provides that stockholders' equity shall not decrease by more than 20% in any given calendar quarter, contains a tangible net worth requirement, as defined in the agreement, and limits the payment of dividends if in default of any provision of the agreement. The Company was in compliance with these covenants at June 30, 2002.

(7) LONG TERM DEBT

In April 2002, the Company issued \$90.0 million aggregate principal amount of 4.5% Convertible Subordinated Notes (the "Notes") due April 15, 2007. The Notes are convertible into shares of Class A common stock. Interest on the Notes is paid semi-annually on April 15 and October 15 of each year, commencing October 15, 2002. The Notes are convertible at the option of the holder into shares of Class A common stock at a conversion rate of 38.5089 shares of Class A common stock per \$1,000 principal amount of Notes, which is equivalent to a conversion price of approximately \$25.968 per share. The conversion rate is subject to adjustment. The Notes may be converted at any time on or before the close of business on the maturity date, unless the Notes have been previously redeemed.

Table of Contents

or repurchased; provided, however, that if a Note is called for redemption or repurchase, the holder will be entitled to convert the Notes at any time before the close of business on the date immediately preceding the date fixed for redemption or repurchase, as the case may be. The Notes are unsecured and subordinated to our present and future Senior Debt, as defined in the indenture. The Notes are also structurally subordinated in right of payment to all indebtedness and other liabilities of the Company's subsidiaries. The indenture under which the Notes were issued does not restrict our incurrence of indebtedness, including Senior Debt, or our subsidiaries' incurrence of indebtedness. Net proceeds from the issuance of the Notes were \$86.2 million, of which \$65.0 million was used to repay amounts owing under the Company's line of credit and the remaining proceeds will be used for working capital. The costs associated with the issuance of the Notes, approximately \$3.8 million, will be amortized over the life of the Notes and are included in interest expense on the income statement as amortized.

(8) LITIGATION

On March 6, 2002, Skechers filed a complaint captioned SKECHERS U.S.A., INC. V. HEELING SPORTS LIMITED, HEELING MANAGEMENT CORPORATION, ROGER ADAMS AND CHARLIE BEERY. The complaint was filed in the United States District Court Central District of California (Case No. 02-1906NM). Skechers' complaint alleges federal, California and common law unfair competition, intentional interference with economic relations and intentional interference with contract with respect to Skechers' shoes called "3 Wheelers." Skechers seeks relief that includes enjoining defendants from certain actions, certain trebled money damages, punitive damages, restitution and attorney fees and costs. On April 10, 2002, Skechers was served with a complaint captioned HEELING SPORTS LIMITED AND HEELING MANAGEMENT CORP., V. SKECHERS U.S.A., INC. that was filed on April 4, 2002 in the United States District Court, Eastern District of Texas, Sherman Division (Civil Action No. 4:02cv101). The lawsuit alleges breach of confidential agreement and misappropriation of trade secrets and is with respect to Skechers' 3 Wheelers. The complaint seeks relief that includes a permanent injunction enjoining Skechers from selling the 3 Wheeler shoes, using any alleged confidential information and assignment of any intellectual property based on the plaintiff's alleged confidential information, and damages that include those sustained by the plaintiff as a result of Skechers' actions, profits and exemplary and punitive damages. Skechers' 3 Wheelers is a new product that is currently a very small part of our product line. On June 18, 2002, a second complaint was filed against Skechers by Heeling Sports Limited in the United States District Court for the Eastern District of Texas, Sherman Division (Civil Action No. 4:02cv169), and the complaint was amended on June 21, 2002. The lawsuit is generally based upon the same facts as the earlier suit filed against Skechers by Heeling Sports Limited and Heeling Management Corp., alleging that Skechers' sales of its 3 Wheeler shoes violates the plaintiff's proprietary rights. However, the second complaint, as amended, alleges that Skechers' 3 Wheelers infringe Heeling's new patent that was issued on June 18, 2002, unfair competition and interference with prospective business relations. The second complaint, as amended, seeks relief that includes an injunction, declaratory relief that Skechers is infringing and will induce infringement of Heeling's patent, compensatory, trebled and exemplary damages, and attorney's fees. Skechers believes that it has meritorious defenses to the claims made by Heeling Sports Limited and Heeling Management Corp. and intends to defend these claims vigorously. Litigation is uncertain, and Skechers may not prevail in the lawsuits and expresses no opinion as to their ultimate outcome.

On May 31, 2002, a complaint captioned RAYMOND MEIER V. SKECHERS USA, INC. was filed against Skechers in the United States District Court, Southern District of New York (Case No. 02 CV 4139). The lawsuit alleges copyright infringement for the use of certain drawings by Skechers in its Skechers by Michelle K advertisements. The complaint seeks damages that include actual damages and profits attributable to the alleged infringement, compensatory damages, punitive damages and an injunction preventing further use of the drawings by Skechers. For reasons unrelated to the complaint, Skechers had discontinued using the subject drawings. Skechers believes that it has meritorious defenses to the issues raised in the complaint and intends to defend these claims vigorously. Nonetheless, litigation is uncertain, and Skechers may not prevail in the lawsuit and expresses no opinion as to its ultimate outcome.

On September 29, 2000, a complaint captioned MADISON TRADING LIMITED CORPORATION AND MERCURY INTERNATIONAL TRADING CORPORATION V. SKECHERS USA, INC., LOVITT FILMS, INC. AND BERT LOVITT was filed against Skechers in the United States District Court in Massachusetts, Civil Case No. CV-12016JLT. The lawsuit alleges quantum meruit, intentional interference with contract, intentional interference with advantageous relationship, unfair practices and declaratory relief arising out of a business arrangement between Skechers and inventor Bert Lovitt. The complaint seeks an injunction preventing Skechers from using certain technology, compensatory damages, exemplary damages and treble damages. The court denied the plaintiffs' motion for a preliminary injunction. In February 2002, all parties agreed to settlement in principle and, as of the date of this filing, the matter is now settled and written documentation has been finalized and signed by the parties. The terms of the settlement are confidential. Notwithstanding, the terms did not have a material impact on the financial position or results of operations of Skechers.

We occasionally become involved in litigation arising from the normal course of business. Other than the foregoing, we believe that any liability with respect to pending legal actions, individually or in the aggregate, will not have a material adverse effect on our business, financial condition and results of operations.

(8) STOCKHOLDERS' EQUITY

During the three-month and six-month periods ended June 30, 2002, certain Class B stockholders converted 1,700,000 and 1,935,374 shares of Class B common stock to Class A common stock, respectively.

OVERVIEW

We design, market and sell contemporary footwear for men, women and children under the Skechers brand. Our footwear is sold through a wide range of department stores and leading specialty retail stores, a growing network of our own retail stores and our e-commerce website. Our objective is to continue to profitably grow our domestic operations, while leveraging our brand name to expand internationally.

We generate revenues from three principal sources:

WHOLESALE. We sell footwear directly to department stores and specialty retail stores both domestically and internationally.

RETAIL. We own and operate our own retail stores both domestically and, on a smaller scale, internationally through three retail formats. Our retail formats are as follows:

- **Concept Stores.** Our concept stores are located in marquee street locations and high performing regional malls, promote awareness of the Skechers brand and showcase a broad assortment of our in-season footwear styles.
- **Factory Outlet Stores.** Our factory outlet stores are generally located in manufacturers' outlet centers and provide opportunities to sell an assortment of in-season, discontinued and excess merchandise at lower price points.
- **Warehouse Outlet Stores.** Our freestanding warehouse outlet stores appeal to our most value conscious customers and enable us to liquidate excess merchandise, discontinued lines and odd-size inventory in a cost-efficient manner.

DISTRIBUTORS. Internationally, we sell our footwear to our foreign distributors who distribute such footwear to department stores and specialty retail stores in Europe, Asia, Latin America, South America and numerous other countries and territories.

The substantial portion of our revenues are derived from domestic wholesale sales. Typically, retail sales achieve higher gross margins as a percentage of net sales than wholesale sales. Sales through foreign distributors result in lower gross margins as a percentage of net sales than retail or wholesale sales. None of our domestic retail sales formats, international wholesale sales, international retail sales, or international distributor sales individually comprised more than 10% of our consolidated net sales for the three and six months ended June 30, 2002 and 2001.

THREE MONTHS ENDED JUNE 30, 2002 COMPARED TO THREE MONTHS ENDED JUNE 30, 2001

Net Sales

Net sales for the three months ended June 30, 2002 were \$256.7 million, an increase of 11.2% or \$25.8 million over net sales of \$230.9 million for the three months ended June 30 2001. Domestic wholesale sales increased during the three month ended June 30, 2002 compared the three months ended June 30, 2001 due to (i) increases in the Kids', Men's USA and Women's Active product lines, in addition to sales from the 4 Wheelers skate line which commenced in the third quarter of 2001, and (ii) customer requests for the early shipments of merchandise totaling approximately \$20.0 million. These early delivery requests were originally scheduled to ship during our third quarter ended September 30, 2002. International wholesale sales increased significantly as demand for our products increased as a result of our direct selling efforts in the United Kingdom, France, and Germany, which began in the first quarter of 2001. International distributor sales increased slightly during the three months ended June 30, 2002, when compared to the three months ended June 30, 2001. Although we realized an increase in international distributor sales, the increase was offset in regions where we now sell direct to department stores and specialty retailers. Our international retail sales increased during the three months ended June 30, 2002 compared to the same period in 2001 due primarily to all three retail stores being opened the entire three month period ended June 30, 2002. Our domestic retail stores sales increased substantially due to the addition of 22 stores added since July 1, 2001, most of which were warehouse and factory outlet stores which generate higher per store sales than our concept stores.

We continually evaluate our direct selling efforts and the various international regions in which it could be beneficial to commence selling direct to department stores and specialty retailers. In addition, through June 30, 2002, we have opened five company owned domestic retail stores and currently plan to open approximately 10 to 15 stores during the current fiscal year ended December 31, 2002, compared to the 26 stores opened during the fiscal year ended December 31, 2001.

Net sales during the three months ended June 30, 2002 benefited from customers requests for the early shipment of products, which totaled approximately \$20.0 million, originally scheduled to ship during the third quarter ended September 30, 2002, as a result, we anticipate sales during the third quarter to be flat to a 3% increase when compared to sales of \$287.9 million during the three months ended September 30, 2001.

Gross Profit

Gross profit was \$105.8 million for the three months ended June 30, 2002, an increase of \$6.6 million or 6.7% over gross profit of \$99.2 million for the three months ended June 30, 2001. Gross profit as a percentage of sales was 41.2% for the three months ended June 30, 2002, compared to 43.0% for the three months ended June 30, 2001. The decrease in gross profit as a percent of sales was primarily due to continued customer support through discounts and allowances provided to our wholesale accounts to stimulate retail sales and to reduced margins at our company owned retail stores due to sales from warehouse and factory outlet stores, which have lower gross margins than our concept stores, becoming an increasing percent of retail store sales.

Selling Expenses

Selling expenses for the three months ended June 30, 2002 were \$21.4 million, a decrease of \$2.8 million or 11.7%, from \$24.2 million for three months ended June 30, 2001. Selling expenses for the three months ended June 30, 2002 decreased as a percent of net sales to 8.3% from 10.5% during the three months ended June 30, 2001. The decrease in selling expenses was due to reduced advertising and trade show expenses and the elimination of catalog costs associated with our mail order operations, which were discontinued during the fourth quarter ended December 31, 2001.

We are committed to an overall marketing strategy that is largely responsible for the increase in our market presence, product visibility and product demand. We adjust our advertising budget consistent with projected sales, and includes such avenues as magazine, television, trade shows, and billboards. Our efforts provide for the marketing of Skechers footwear through advertising, promotions, public relations, trade shows and other marketing efforts. Marketing expense as a percentage of net sales may vary from quarter to quarter. In the three-months ended June 30, 2002, total advertising costs were \$17.0 million or 6.7% of net sales compared to \$19.0 million or 8.2% of net sales for the three-months ended June 30, 2001.

General and Administrative Expenses

General and administrative expenses for the three months ended June 30, 2002 were \$48.9 million, compared to \$45.6 million for the three months ended June 30, 2001. However, general and administrative expenses decreased as a percentage of net sales to 19.0% from 19.7% during the three months ended June 30, 2001. The increase in absolute dollars was primarily due to (i) increased rent and depreciation charges associated with the 22 domestic retail stores added since July 1, 2001, and (ii) additional rent for facilities for our international administrative and sales operations.

Interest Expense

Interest expense for the three months ended June 30, 2002 was \$2.6 million, compared to \$3.4 million during the three months ended June 30, 2001. The decrease was primarily due to reduced interest charges on our line of credit facility whose interest rate is tied to the prime-lending rate, which has decreased over the last year, and, payoff of our term loan in the fourth quarter ended December 31, 2001.

Other Income, Net

Other income, net consists primarily of rental income from the leasing of office space at our corporate facilities and legal settlements.

Income Taxes

Income taxes were computed using the effective tax rate estimated to be applicable for the full fiscal year. The effective tax rate for the three months ended June 30, 2002 was 37.1% compared to 36.9% for the three months ended June 30, 2001.

SIX MONTHS ENDED JUNE 30, 2002 COMPARED TO SIX MONTHS ENDED JUNE 30, 2001

Net Sales

Net sales for the six months ended June 30, 2002 were \$501.6 million, an increase of \$43.2 million or 9.4% over net sales of \$458.4 million during the six months ended June 30, 2001. Domestic wholesale sales during the six months ended June 30, 2002 increased over the six months ended June 30, 2001 due to increases in the Kids', Men's Collection, and Somethin' Else From Skechers product lines, in addition to sales from the 4 Wheelers line added in the third quarter of 2001. International wholesale sales for the six months ended June 30, 2002 increased significantly compared to the same six month period in 2001, due to increased brand awareness and customer acceptance of our product offerings derived from our direct selling efforts initiated in the first quarter of 2001. International retail revenues also increased during the six months ended June 30, 2002, compared to the same six month period in 2001, the increase was due to our three retail stores being opened during the entire six month period ended June 30, 2002 compared to a shorter period in the six months ended June 30, 2001. Domestic retail sales for the six months ended June 30, 2002 increased over the six months ended June 30, 2001, due to the addition of 22 retail stores added since July 1, 2001.

Table of Contents

Gross Profit

Gross profit for the six months ended June 30, 2002 was \$208.3 million, an increase of \$9.8 million when compared to \$198.5 million for the six months ended June 30, 2001. Gross profit as a percent of net sales was 41.5% for the six months ended June 30, 2002, a decrease from 43.3% during the six months ended June 30, 2001. The decrease in gross profit as a percent of net sales during the six months ended June 30, 2002 was due to a higher levels of discounts and allowances provided to our wholesale accounts to stimulate retail sales when compared to the six months ended June 30, 2001.

Selling Expenses

Selling expenses for the six months ended June 30, 2002 were \$40.1 million compared to \$45.0 million during the six months ended June 30, 2001. As a percent of net sales, selling expenses decreased to 8.0% during the six months ended June 30, 2002, from 9.8% during the six months ended June 30, 2001. The decrease in selling expenses during the six months ended June 30, 2002, when compared to the same six month period in 2001, was primarily due to decreased advertising and trade shows expenses, and catalog costs related to our mail order operations which were discontinued in the fourth quarter 2001. Advertising costs as a percent of sales during the six months ended June 30, 2002 were 6.1% compared to 7.6% in the six months ended June 30, 2001. We continually adjust our advertising expenditures based on projected sales levels.

General and Administrative Expenses

General and administrative expenses for the six months ended June 30, 2002 were \$98.5 million, compared to \$92.9 million during the six months ended June 30, 2001. However, general and administrative expenses as a percent of sales for the six months ended June 30, 2002 was 19.6% a decrease from 20.3% during the six months ended June 30, 2001. The increase in spending levels was primarily due to increased depreciation and rent charges related to new store openings and facility costs to support our international operations.

Interest Expense

Interest expense for the six months ended June 30, 2002 was \$4.6 million, a decrease of \$2.6 million from \$7.2 million for the six months ended June 30, 2001. The decrease in interest expense was due to decreased interest charges (i) on our line of credit facility, whose interest rate is tied to the prime rate, which has decreased over the last year, (ii) from the payoff of our term loan in the fourth quarter of 2001, and (iii) reduced interest rates charged on our open purchase arrangements with our foreign manufacturers.

Other Income, Net

Other income, net for the six months ended June 30, 2002 was \$526,000 compared to \$1.2 million for the six months ended June 30, 2001. The decrease was due to reduced rent revenue from the leasing of office space and reduced litigation settlements.

Income Taxes

Income taxes were computed using the effective tax rate estimated to be applicable for the full fiscal year. The effective tax rate for the six-months ended June 30, 2002 was 37.1% compared to 37.9% for the six-months ended June 30, 2001. The decrease in the effective tax rate is due changes in our projections of income in differing tax jurisdictions as a result of our international expansion.

LIQUIDITY AND CAPITAL RESOURCES

Our working capital at June 30, 2002 was \$281.7 million, an increase of \$141.7 million from \$140.0 million at December 31, 2001. The increase in working capital was primarily due to increased accounts receivable, the elimination of our short-term borrowings with a portion of the proceeds from the issuance of long term convertible subordinated notes in April 2002, offset by increased accounts payable.

Net cash provided by operating activities for the six-months ended June 30, 2002 was approximately \$55.0 million, compared to cash used in operating activities of \$8.7 million for the six-months ended June 30, 2001. The increase in cash provided by operating activities was due to reduced inventory levels, increased accounts payables, and increased net earnings, offset by increased receivables.

Table of Contents

Net cash used in investing activities was \$4.2 million for the six months ended June 30, 2002, compared to \$17.7 million for the six months ended June 30, 2001. The decrease was due to reduced capital expenditures requirements for new retail stores and prior year investing activities including the acquisition of real properties in Manhattan Beach, California.

Net cash provided by financing activities for the six-months ended June 30, 2002 was \$5.9 million, compared to \$31.3 million for the six months ended June 30, 2001. The decrease in cash provided by financing activities was due the reduction of net financing from our short-term borrowings offset by the proceeds from the issuance of the convertible subordinated notes.

In April 2002, we issued \$90.0 million aggregate principal amount of 4.5% Convertible Subordinated Notes due April 15, 2007. The notes are convertible into shares of our Class A common stock. Interest on the notes is paid semi-annually on April 15 and October 15 of each year, commencing October 15, 2002. The notes are convertible at the option of the holder into shares of Class A common stock at a conversion rate of 38.5089 shares of Class A common stock per \$1,000 principal amount of notes, which is equivalent to a conversion price of approximately \$25.968 per share. The conversion rate is subject to adjustment. The notes may be converted at any time on or before the close of business on the maturity date, unless the notes have been previously redeemed or repurchased; provided, however, that if a note is called for redemption or repurchase, the holder will be entitled to convert the notes at any time before the close of business on the date immediately preceding the date fixed for redemption or repurchase, as the case may be. The notes are unsecured and subordinated to our present and future Senior Debt, as defined in the indenture. The notes are also structurally subordinated in right of payment to all indebtedness and other liabilities of our subsidiaries. The indenture does not restrict our incurrence of indebtedness, including Senior Debt, or our subsidiaries' incurrence of indebtedness. Net proceeds from the sale of the notes were \$86.2 million.

In July 2002, we renegotiated our line of credit facility, which now provides for borrowings of up to \$200.0 million, with actual borrowings limited to available collateral and certain limitations on total indebtedness (approximately \$158.3 million of availability as of June 30, 2002) with the CIT Group, as agents for the lenders. At June 30, 2002, no amounts were outstanding under the revolving line of credit. The revolving line of credit bears interest at prime rate (4.75% at June 30, 2002) minus .5%. Interest on the line of credit is payable monthly in arrears. The revolving line of credit expires on December 31, 2003. The revolving line of credit provides a sub-limit for letters of credit of up to \$30.0 million to finance our foreign purchases of merchandise inventory. As of June 30, 2002, we had approximately \$11.5 million of letters of credit under the revolving line of credit. The credit facility provides that stockholders' equity shall not decrease by more than 20% in any calendar quarter, contains a tangible net worth requirement, as defined in the agreement, and limits the payment of dividends if we are in default of any provision of the agreement. We were in compliance with these covenants as of June 30, 2002.

We believe that anticipated cash flows from operations, available borrowings under our revolving line of credit, cash on hand, proceeds from the issuance of the notes and our financing arrangements will be sufficient to provide us with the liquidity necessary to fund our anticipated working capital and capital requirements through fiscal 2002. However, in connection with our growth strategy, we will incur significant working capital requirements and capital expenditures. Our future capital requirements will depend on many factors, including, but not limited to, the levels at which we maintain inventory, the market acceptance of our footwear, the success of our international expansion, the levels of promotion and advertising required to promote our footwear, the extent to which we invest in new product design and improvements to our existing product design and the number and timing of new store openings. To the extent that available funds are insufficient to fund our future activities, we may need to raise additional funds through public or private financing. We cannot assure you that additional financing will be available or that, if available, it can be obtained on terms favorable to us and our stockholders. Failure to obtain such financing could delay or prevent our planned expansion, which could adversely affect our business, financial condition and results of operations. In addition, if additional capital is raised through the sale of additional equity or convertible securities, dilution to our stockholders could occur.

CRITICAL ACCOUNTING POLICIES

Use of Estimates. The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Specifically, management must make estimates in the following areas:

Allowance for bad debts, returns, and customer chargebacks. We insure selected customer account balances that are both greater than \$200,000 and accepted by the insurance company should our customer not pay. We also provide a reserve against our receivables for estimated losses that may result from our customers' inability to pay, and disputed and returned items. We determine the amount of the reserve by analyzing known uncollectible accounts, aged receivables, economic conditions in the customers' country or industry, historical losses and our customers' credit-worthiness. Amounts later determined and specifically identified to be

Table of Contents

uncollectible are charged or written off against this reserve. To minimize the likelihood of uncollectibility, customers' credit-worthiness is reviewed periodically based on external credit reporting services and our experience with the account and adjusted accordingly. Should a customer's account become past due, we generally place a hold on the account and discontinue further shipments to that customer, minimizing further risk of loss. The likelihood of a material loss on an uncollectible account would be mainly dependent on deterioration in the overall economic conditions in a particular country or environment. Reserves are fully provided for all probable losses of this nature. Gross trade accounts receivable balance was \$194.5 million and total allowances were \$9.4 million June 30, 2002.

Inventory adjustments. Inventories are stated at lower of cost or market. We review our inventory on a regular basis for excess and slow moving inventory based on prior sales and net realizable value. The likelihood of any material inventory write-down is dependent primarily on consumer demand and competitor product offerings. Inventories were stated at \$139.0 million at June 30, 2002.

Valuation of intangible and other long-lived assets. When circumstances warrant, we assess the impairment of intangible and other long-lived assets that require us to make assumptions and judgments regarding the carrying value of these assets. The assets are considered to be impaired if we determine that the carrying value may not be recoverable based upon our assessment of the following events or changes in circumstances:

- the asset's ability to continue to generate income;
- loss of legal ownership or title to the asset;
- significant changes in our strategic business objectives and utilization of the asset(s); or
- the impact of significant negative industry or economic trends.

If the assets are considered to be impaired, the impairment we recognize is the amount by which the carrying value of the assets exceeds the fair value of the assets. In addition, we base the useful lives and related amortization or depreciation expense on our estimate of the period that the assets will generate revenues or otherwise be used by us. If a change were to occur in any of the above-mentioned factors or estimates, the likelihood of a material change in our reported results would increase.

Litigation reserves. Estimated amounts for claims that are probable and can be reasonably estimated are recorded as liabilities in the consolidated balance sheets. The likelihood of a material change in these estimated reserves would be dependent on new claims as they may arise and the favorable or unfavorable outcome of the particular litigation. Both the amount and range of loss on the remaining pending litigation is uncertain. As such, we are unable to make a reasonable estimate of the liability that could result from unfavorable outcomes in litigation. As additional information becomes available, we will assess the potential liability related to our pending litigation and revise our estimates. Such revisions in our estimates of the potential liability could materially impact our results of operation and financial position.

Valuation of deferred income taxes. Valuation allowances are established, when necessary, to reduce deferred tax assets to the amount expected to be realized. The likelihood of a material change in our expected realization of these assets depends on future taxable income, and the effectiveness of our tax planning and strategies among the various tax jurisdictions in which we operate.

QUARTERLY RESULTS AND SEASONALITY

While sales of footwear products have historically been somewhat seasonal in nature with the strongest sales generally occurring in the third and fourth quarters, we believe that changes in our product offerings have somewhat mitigated the effect of this seasonality and, consequently, our sales are not necessarily as subjected to seasonal trends as that of our past or our competitors in the footwear industry.

We have experienced, and expect to continue to experience, variability in our net sales and operating results on a quarterly basis. Our domestic customers generally assume responsibility for scheduling pickup and delivery of purchased products. Any delay in scheduling or pickup which is beyond our control could materially negatively impact our net sales and results of operations for any given quarter. We believe the factors which influence this variability include (i) the timing of our introduction of new footwear

Table of Contents

products, (ii) the level of consumer acceptance of new and existing products, (iii) general economic and industry conditions that affect consumer spending and retail purchasing, (iv) the timing of the placement, cancellation or pickup of customer orders, (v) increases in the number of employees and overhead to support growth, (vi) the timing of expenditures in anticipation of increased sales and customer delivery requirements, (vii) the number and timing of our new retail store openings and (viii) actions by competitors. Due to these and other factors, the operating results for any particular quarter are not necessarily indicative of the results for the full year.

INFLATION

We do not believe that the relatively moderate rates of inflation experienced in the United States of America over the last three years has had a significant effect on our net sales or profitability. However, we cannot accurately predict the effect of inflation on future operating results. Although higher rates of inflation have been experienced in a number of foreign countries in which our products are manufactured, we do not believe that inflation has had a material effect on our net sales or profitability. In the past, we have been able to offset our foreign product cost increases by increasing prices or changing suppliers, although no assurance can be given that we will be able to continue to make such increases or changes in the future.

EXCHANGE RATES

We receive U.S. dollars for substantially all of our product sales and our royalty income. Inventory purchases from offshore contract manufacturers are primarily denominated in U.S. dollars; however, purchase prices for our products may be impacted by fluctuations in the exchange rate between the U.S. dollar and the local currencies of the contract manufacturers, which may have the effect of increasing our cost of goods in the future. During the six months ending June 30, 2002, exchange rate fluctuations did not have a material impact on our inventory costs. We do not engage in hedging activities with respect to such exchange rate risk.

RISK FACTORS

In addition to other information in this Form 10-Q, the following factors should be considered in evaluating us and our business.

Our future success depends on our ability to respond to changing consumer demands, identify and interpret fashion trends and successfully market new products.

The footwear industry is subject to rapidly changing consumer demands and fashion trends. Accordingly, we must identify and interpret fashion trends and respond in a timely manner. Demand for and market acceptance of new products are uncertain and achieving market acceptance for new products generally requires substantial product development and marketing efforts and expenditures. If we do not continue to meet changing consumer demands and develop successful styles in the future, our growth and profitability will be negatively impacted. We frequently make decisions about product designs and marketing expenditures several months in advance of the time when consumer acceptance can be determined. If we fail to anticipate, identify or react appropriately to changes in styles and trends or are not successful in marketing new products, we could experience excess inventories, higher than normal markdowns or an inability to profitably sell our products. Because of these risks, a number of companies in the footwear industry specifically, and the fashion and apparel industry in general, have experienced periods of rapid growth in revenues and earnings and thereafter periods of declining sales and losses, which in some cases have resulted in companies in these industries ceasing to do business. Similarly, these risks could have a severe negative effect on our results of operations or financial condition.

Our business and the success of our products could be harmed if we are unable to maintain our brand image.

Our success to date has been due in large part to the strength of our brand. If we are unable to timely and appropriately respond to changing consumer demand, our brand name and brand image may be impaired. Even if we react appropriately to changes in consumer preferences, consumers may consider our brand image to be outmoded or associate our brand with styles of footwear that are no longer popular. In the past, several footwear companies have experienced periods of rapid growth in revenues and earnings followed by periods of declining sales and losses. Our business may be similarly affected in the future.

Our business could be harmed if we fail to maintain proper inventory levels.

We place orders with our manufacturers for some of our products prior to the time we receive all of our customers' orders. We do this to minimize purchasing costs, the time necessary to fill customer orders and the risk of non-delivery. We also maintain an inventory of certain products that we anticipate will be in greater demand. However, we may be unable to sell the products we have ordered in advance from manufacturers or that we have in our inventory. Inventory levels in excess of customer demand may result in inventory write-downs, and the sale of excess inventory at discounted prices could significantly impair our brand image and have a material adverse effect on our operating results and financial condition. Conversely, if we underestimate consumer demand for our

[Table of Contents](#)

products or if our manufacturers fail to supply the quality products that we require at the time we need them, we may experience inventory shortages. Inventory shortages might delay shipments to customers, negatively impact retailer and distributor relationships, and diminish brand loyalty.

We may be unable to successfully execute our growth strategy or manage or sustain our growth.

We have grown quickly since we started our business. Our ability to grow in the future depends upon, among other things, the continued success of our efforts to expand our footwear offerings and distribution channels. However, our rate of growth may decline or we may not be profitable in future quarters or fiscal years. Furthermore, as our business becomes larger, we may not be able to maintain our historical growth rate or effectively manage our growth. We anticipate that as our business grows, we will have to improve and enhance our overall financial and managerial controls, reporting systems and procedures. We may be unable to successfully implement our current growth strategy or other growth strategies or effectively manage our growth, any of which would negatively impair our net sales and earnings.

Our business may be negatively impacted as a result of changes in the economy.

Our business depends on the general economic environment and levels of consumer spending that affect not only the ultimate consumer, but also retailers, our primary direct customers. Purchases of footwear tend to decline in periods of recession or uncertainty regarding future economic prospects, when consumer spending, particularly on discretionary items, declines. During periods of recession or economic uncertainty, we may not be able to maintain or increase our sales to existing customers, make sales to new customers, open and operate new retail stores, maintain sales levels at our existing stores, maintain or increase our international operations on a profitable basis, or maintain or improve our earnings from operations as a percentage of net sales. As a result, our operating results may be adversely and materially affected by downward trends in the economy or the occurrence of events that adversely affect the economy in general. Furthermore, in anticipation of continued increases in net sales, we have significantly expanded our infrastructure and workforce to achieve economies of scale. Because these expenses are fixed in the short term, our operating results and margins will be adversely impacted if we do not continue to grow as anticipated. For example, due in large part to the slowdown in the global economy, our net sales for 2001 were lower than anticipated. This lower level of sales adversely affected our operating results for 2001 and could continue to do so in 2002 and beyond.

Economic, political, military or other events in a country where we make significant sales or have significant operations could interfere with our success or operations there and harm our business.

We market and sell our products and services throughout the world. The September 11, 2001 attacks disrupted commerce throughout the United States and other parts of the world. The continued threat of similar attacks throughout the world and the military action taken by the United States and other nations may cause significant disruption to commerce throughout the world. To the extent that such disruptions further slow the global economy or, more particularly, result in delays or cancellations of purchase orders for our products, our business and results of operations could be materially adversely affected. We are unable to predict whether the threat of new attacks or the responses thereto will result in any long-term commercial disruptions or if such activities or responses will have a long-term material adverse effect on our business, results of operations or financial condition.

We depend upon a relatively small group of customers for a large portion of our sales.

For the year ended December 31, 2001 net sales to our five largest customers accounted for approximately 25.7% of total net sales. No one customer accounted for 10.0% or more of our net sales during 2001. As of December 31, 2001, one customer accounted for 10.2% of our net trade accounts receivable. Although we have long-term relationships with many of our customers, our customers do not have a contractual obligation to purchase our products and we cannot be certain that we will be able to retain our existing major customers. Furthermore, the retail industry regularly experiences consolidation, contractions and closings. If there are further consolidations, contractions or closings in the future, we may lose customers or be unable to collect accounts receivables of major customers in excess of amounts that we have insured. If we lose a major customer, experience a significant decrease in sales to a major customer, or are unable to collect the accounts receivable of a major customer in excess of amounts insured, our business could be harmed.

Our operating results could be negatively impacted if our sales are concentrated in any one style or group of styles.

If any one style or group of similar styles of our footwear were to represent a substantial portion of our net sales, we could be exposed to risk should consumer demand for such style or group of styles decrease in subsequent periods. We attempt to hedge this risk by offering a broad range of products, and no style comprised over 5.0% of our gross wholesale sales for the years ended either

December 31, 2000 or 2001. However, this may change in the future and fluctuations in sales of any given style that represents a significant portion of our future net sales could have a negative impact on our operating results.

We rely on independent contract manufacturers and, as a result, are exposed to potential disruptions in product supply.

Our footwear products are currently manufactured by independent contract manufacturers. For the year ended December 31, 2001, the top four manufacturers of our manufactured products produced approximately 51.9% of our total purchases but none individually accounted for more than 20.0%. We do not have long-term contracts with manufacturers and we compete with other footwear companies for production facilities. We could experience difficulties with these manufacturers, including reductions in the availability of production capacity, failure to meet our quality control standards, failure to meet production deadlines or increased manufacturing costs. This could result in our customers canceling orders, refusing to accept deliveries or demanding reductions in purchase prices, any of which could have a negative impact on our cash flow and harm our business.

If our current manufacturers cease doing business with us, we could experience an interruption in the manufacture of our products. Although we believe that we could find alternative manufacturers, we may be unable to establish relationships with alternative manufacturers that will be as favorable as the relationships we have now. For example, new manufacturers may have higher prices, less favorable payment terms, lower manufacturing capacity, lower quality standards or higher lead times for delivery. If we are unable to provide products consistent with our standards or the manufacture of our footwear is delayed or becomes more expensive, our business would be harmed.

Our international sales and vendor manufacturing operations are subject to the risks of doing business abroad, which could affect our ability to sell or manufacture our products in international markets, obtain products from foreign suppliers or control the costs of our products.

Substantially all of our net sales for the year ended December 31, 2001 were derived from sales of footwear manufactured in foreign countries, with most manufactured in China and, to a lesser extent, in Italy, the Philippines and Brazil. We also sell our footwear in several foreign countries and plan to increase our international sales efforts as part of our growth strategy. Foreign manufacturing and sales are subject to a number of risks, including:

- political and social unrest;
- changing economic conditions;
- international political tension and terrorism;
- work stoppages;
- transportation delays;
- loss or damage to products in transit;
- expropriation;
- nationalization;
- the imposition of tariffs and trade duties both international and domestically;
- import and export controls and other nontariff barriers;
- exposure to different legal standards (particularly with respect to intellectual property);
- compliance with foreign laws; and
- changes in domestic and foreign governmental policies.

[Table of Contents](#)

In particular, because substantially all of our products are manufactured in China, adverse change in trade or political relations with China or political instability in China would severely interfere with the manufacture of our products and would materially adversely affect our operations.

In addition, if we, or our foreign manufacturers, violate United States or foreign laws or regulations, we may be subjected to extra duties, significant monetary penalties, the seizure and the forfeiture of the products we are attempting to import or the loss of our import privileges. Possible violations of United States or foreign laws or regulations could include inadequate record keeping of our imported product, misstatements or errors as to the origin, quota category, classification, marketing or valuation of our imported products, fraudulent visas, or labor violations. The effects of these factors could render our conduct of business in a particular country undesirable or impractical and have a negative impact on our operating results.

Our business could be harmed if our contract manufacturers, suppliers or licensees violate labor or other laws.

We require our independent contract manufacturers, suppliers and licensees to operate in compliance with applicable United States and foreign laws and regulations. Manufacturers are required to certify that neither convicted, forced or indentured labor (as defined under United States law) nor child labor (as defined by the manufacturer's country) is used in the production process, that compensation is paid in accordance with local law and that their factories are in compliance with local safety regulations. Although we promote ethical business practices and our sourcing personnel periodically visit and monitor the operations of our independent contract manufacturers, suppliers and licensees, we do not control them or their labor practices. If one of our independent contract manufacturers, suppliers or licensees violates labor or other laws or diverges from those labor practices generally accepted as ethical in the United States, it could result in adverse publicity for us, damage our reputation in the United States, or render our conduct of business in a particular foreign country undesirable or impractical, any of which could harm our business.

Our planned expansion involves a number of risks that could prevent or delay the successful opening of new stores as well as impact the performance of our existing stores.

Our ability to open and operate new stores successfully depends on many factors, including, among others, our ability to:

- identify suitable store locations, the availability of which is outside of our control;
- negotiate acceptable lease terms, including desired tenant improvement allowances;
- source sufficient levels of inventory to meet the needs of new stores;
- hire, train and retain store personnel;
- successfully integrate new stores into our existing operations; and
- satisfy the fashion preferences in new geographic areas.

In addition, many of our new stores will be opened in regions of the United States in which we currently have few or no stores. The expansion into new markets may present competitive, merchandising and distribution challenges that are different from those currently encountered in our existing markets. Any of these challenges could adversely affect our business and results of operations. In addition, to the extent our new store openings are in existing markets, we may experience reduced net sales volumes in existing stores in those markets.

Many of our retail stores depend heavily on the customer traffic generated by shopping and factory outlet malls or by tourism.

Many of our concept stores are located in shopping malls and some of our factory outlet stores are located in manufacturers' outlet malls where we depend on obtaining prominent locations in the malls and the overall success of the malls to generate customer traffic. We cannot control the development of new malls, the availability or cost of appropriate locations within existing or new malls or the success of individual malls. Some of our concept stores occupy street locations which are heavily dependent on customer traffic generated by tourism. Any substantial decrease in tourism resulting from the September 11, 2001 attacks, a downturn in the economy or otherwise, is likely to adversely affect sales in our existing stores, particularly those with street locations. The effects of these factors could hinder our ability to open retail stores in new markets or reduce sales of particular existing stores, which could negatively affect our operating results.

Table of Contents

Our quarterly revenues and operating results fluctuate as a result of a variety of factors, including seasonal fluctuations in demand for footwear and delivery date delays, which may result in volatility of our stock price.

Our quarterly revenues and operating results have varied significantly in the past and can be expected to fluctuate in the future due to a number of factors, many of which are beyond our control. For example, sales of footwear products have historically been somewhat seasonal in nature with the strongest sales generally occurring in the third and fourth quarters. Also, delays in scheduling or pickup of purchased products by our domestic customers could negatively impact our net sales and results of operations for any given quarter. As a result of these specific and other general factors, our operating results will likely vary from quarter to quarter and the results for any particular quarter may not be necessarily indicative of results for the full year. Any shortfall in revenues or net income from levels expected by securities analysts and investors could cause a decrease in the trading price of our Class A common stock.

We face intense competition, including competition from companies with significantly greater resources than ours, and if we are unable to compete effectively with these companies, our market share may decline and our business could be harmed.

We face intense competition in the footwear industry from other established companies. A number of our competitors have significantly greater financial, technological, engineering, manufacturing, marketing and distribution resources than we do. Their greater capabilities in these areas may enable them to better withstand periodic downturns in the footwear industry, compete more effectively on the basis of price and production and more quickly develop new products. In addition, new companies may enter the markets in which we compete, further increasing competition in the footwear industry.

We believe that our ability to compete successfully depends on a number of factors, including the style and quality of our products and the strength of our brand name, as well as many factors beyond our control. We may not be able to compete successfully in the future, and increased competition may result in price reductions, reduced profit margins, loss of market share, and inability to generate cash flows that are sufficient to maintain or expand our development and marketing of new products, which would adversely impact the trading price of our Class A common stock.

Obtaining additional capital to fund our operations and finance our growth could make it difficult for us to service our debt obligations.

If our working capital needs exceed our current expectations, we may need to raise additional capital through public or private equity offerings or debt financings. If we cannot raise needed funds on acceptable terms, we may not be able to successfully execute our growth strategy, take advantage of future opportunities or respond to competitive pressures or unanticipated requirements. To the extent we raise additional capital by issuing debt, it may become difficult for us to meet debt service obligations. To the extent we raise additional capital by issuing equity securities, our stockholders may experience substantial dilution. Also, any new equity securities may have greater rights, preferences or privileges than our existing Class A common stock.

We depend on key personnel to manage our business effectively in a rapidly changing market, and if we are unable to retain existing personnel, our business could be harmed.

Our future success depends upon the continued services of Robert Greenberg, Chairman of the Board and Chief Executive Officer, Michael Greenberg, President, and David Weinberg, Executive Vice President and Chief Financial Officer. The loss of the services of any of these individuals or any other key employee could harm us. Our future success also depends on our ability to identify, attract and retain additional qualified personnel. Competition for employees in our industry is intense and we may not be successful in attracting and retaining such personnel.

Our trademarks, design patents and other intellectual property rights may not be adequately protected outside the United States.

We believe that our trademarks, design patents and other proprietary rights are important to our success and our competitive position. We devote substantial resources to the establishment and protection of our trademarks and design patents on a worldwide basis. In the course of our international expansion, we have, however, experienced conflicts with various third parties that have acquired or claimed ownership rights in certain trademarks similar to ours or have otherwise contested our rights to our trademarks. We have in the past successfully resolved these conflicts through both legal action and negotiated settlements, none of which we believe has had a material impact on our financial condition and results of operations. Nevertheless, we cannot assure you that the actions we have taken to establish and protect our trademarks and other proprietary rights outside the United States will be adequate to prevent imitation of our products by others or to prevent others from seeking to block sales of our products as a violation of the trademarks and proprietary rights of others. Also, we cannot assure you that others will not assert rights in, or ownership of, trademarks, designs and other proprietary rights of ours or that we will be able to successfully resolve these types of conflicts to our

Table of Contents

satisfaction. In addition, the laws of certain foreign countries may not protect proprietary rights to the same extent as do the laws of the United States. We may face significant expenses and liability in connection with the protection of our intellectual property rights outside the United States and if we are unable to successfully protect our rights or resolve intellectual property conflicts with others, our business or financial condition may be adversely affected.

Our ability to compete could be jeopardized if we are unable to protect our intellectual property rights or if we are sued for intellectual property infringement.

We use trademarks on nearly all of our products and believe that having distinctive marks that are readily identifiable is an important factor in creating a market for our goods, in identifying us, and in distinguishing our goods from the goods of others. We consider our Skechers® and S Design® trademarks to be among our most valuable assets and we have registered these trademarks in many countries. In addition, we own many other trademarks, which we utilize in marketing our products. We continue to vigorously protect our trademarks against infringement. We also have a number of design patents covering components and features used in various shoes. We believe that our success depends primarily upon skills in design, research and development, production and marketing rather than upon our patent position. However, we have followed a policy of filing applications for United States and foreign patents on designs that we deem valuable.

We believe that our patents and trademarks are generally sufficient to permit us to carry on our business as presently conducted. We cannot, however, know whether we will be able to secure patents or trademark protection for our intellectual property in the future or that protection will be adequate for future products. Further, we face the risk of ineffective protection of intellectual property rights in the countries where we source and distribute our products. We have been sued for patent and trademark infringement and cannot be sure that our activities do not and will not infringe on the proprietary rights of others. If we are compelled to prosecute infringing parties, defend our intellectual property, or defend ourselves from intellectual property claims made by others, we may face significant expenses and liability which could negatively impact our business or financial condition.

Energy shortages, natural disasters or a decline in economic conditions in California could increase our operating expenses or adversely affect our sales revenue.

A substantial portion of our operations are located in California, including 39 of our retail stores, our headquarters in Manhattan Beach and our domestic distribution center in Ontario. Because California has and may in the future experience energy and electricity shortages, we may be subject to increased operating costs as a result of higher electricity and energy rates and may be subject to rolling blackouts which could interrupt our business. Any such impact could be material and adversely affect our profitability. In addition, because a significant portion of our net sales is derived from sales in California, a decline in the economic conditions in California, whether or not such decline spreads beyond California, could materially adversely affect our business. Furthermore, a natural disaster or other catastrophic event, such as an earthquake affecting California, could significantly disrupt our business. We may be more susceptible to these issues than our competitors whose operations are not as concentrated in California.

One principal stockholder is able to control substantially all matters requiring a vote of our stockholders and his interests may differ from the interests of our other stockholders.

As of August 12, 2002, Robert Greenberg, Chairman of the Board and Chief Executive Officer, beneficially owned 77.1% of the outstanding shares of our Class B common stock and members of Mr. Greenberg's immediate family beneficially owned the remainder of the outstanding shares of our Class B common stock. The holders of shares of our Class A common stock and Class B common stock have identical rights except that holders of Class A common stock are entitled to one vote per share while holders of Class B common stock are entitled to ten votes per share on all matters submitted to a vote of our stockholders. As a result, as of August 12, 2002, Mr. Greenberg held approximately 70.5% of the aggregate number of votes eligible to be cast by our stockholders and together with shares held by other members of his immediate family held approximately 91.4% of the aggregate number of votes eligible to be cast by our stockholders. Therefore, Mr. Greenberg is able to control substantially all matters requiring approval by our stockholders. Matters that require the approval of our stockholders include the election of directors and the approval of mergers or other business combination transactions. Mr. Greenberg also has control over our management and affairs. As a result of such control, certain transactions are not possible without the approval of Mr. Greenberg, including, proxy contests, tender offers, open market purchase programs, or other transactions that can give our stockholders the opportunity to realize a premium over the then-prevailing market prices for their shares of our Class A common stock. The differential in the voting rights may adversely affect the value of our Class A common stock to the extent that investors or any potential future purchaser view the superior voting rights of our Class B common stock to have value.

[Table of Contents](#)

Our charter documents and Delaware law may inhibit a takeover, which may cause a decline in the value of our stock.

Provisions of Delaware law, our certificate of incorporation, or our bylaws could make it more difficult for a third party to acquire us, even if closing such a transaction would be beneficial to our stockholders. Mr. Greenberg's substantial beneficial ownership position, together with the authorization of preferred stock, the disparate voting rights between Class A common stock and Class B common stock, the classification of the Board of Directors and the lack of cumulative voting in our certificate of incorporation and bylaws, may have the effect of delaying, deferring or preventing a change in control, may discourage bids for our Class A common stock at a premium over the market price of the Class A common stock and may adversely affect the market price of the Class A common stock.

SPECIAL NOTE ON FORWARD-LOOKING STATEMENTS AND REPORTS PREPARED

This Form 10-Q contains forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995, including statements with regards to our revenues, earning, spending, margins, cash flow, orders, inventory, products, actions, plans, strategies and objectives. Forward-looking statements include, without limitation, any statement that may predict, forecast, indicate or simply state future results, performance or achievements, and may contain the words "believe," "anticipate," "expect," "estimate," "intend," "plan," "project," "will be," "will continue," "will," "result," "could," "may," "might," or any variations of such words with similar meanings. Any such statements are subject to risks and uncertainties that would cause our actual results to differ materially from those which are management's current expectations or forecasts. Such information is subject to the risk that such expectations or forecasts, or the assumptions underlying such exceptions or forecasts, become inaccurate. In addition, the risks included here are not exhaustive. Other sections of this report may include additional factors which could adversely impact our business and financial performance. Moreover, we operate in a very competitive and rapidly changing environment. New risk factors emerge from time to time and we cannot predict all such risk factors, nor can we assess the impact of all such risk factors on our business or the extent to which any factor, or combination of factors, may cause actual results to differ materially from those contained in any forward-looking statements. Given these risks and uncertainties, investors should not place undue reliance on forward-looking statements as a prediction of actual results. Investors should also be aware that while we do, from time to time, communicate with securities analysts, we do not disclose any material non-public information or other confidential commercial information to them. Accordingly, individuals should not assume that we agree with any statement or report issued by any analyst, regardless of the content of the report. Thus, to the extent that reports issued by securities analysts contain any projections, forecasts or opinions, such reports are not our responsibility.

ITEM 3. QUANTITATIVE AND QUALITATIVE DISCLOSURES ABOUT MARKET RISK

Market risk is the potential loss arising from the adverse changes in market rates and prices, such as interest rates and foreign currency exchange rates. Changes in interest rates and, in the future, changes in foreign currency exchange rates have and will have an impact on our results of operations.

Interest rate fluctuations. At June 30, 2002, no amounts were outstanding that were subject to changes in interest rates, however, the interest rate charged on our line of credit facility is based on the prime rate of interest and changes in the prime rate of interest will have an effect on the interest charged on outstanding balances.

Foreign exchange rate fluctuations. We face market risk to the extent that changes in foreign currency exchange rates affect our non-U.S. dollar functional currency subsidiary's assets and liabilities. In addition, changes in foreign exchange rates may affect the value of our inventory commitments. Also, inventory purchases of our products may be impacted by fluctuations in the exchange rates between the U.S. dollar and the local currencies of the contract manufacturers, which could have the effect of increasing cost of goods sold in the future. The company manages these risks by primarily denominating these purchases and commitments in U.S. dollars. The company does not engage in hedging activities with respect to such exchange rate risks.

New Accounting Pronouncements

During July 2001, the Financial Accounting Standards Board ("FASB") issued Statement of Financial Accounting Standards ("SFAS") No. 141, Business Combinations, and Statement No. 142, Goodwill and Other Intangible Assets. SFAS No. 141 requires that the purchase method be used for all business combinations initiated after June 30, 2001. SFAS No. 142 requires that goodwill no longer be amortized to earnings, but instead reviewed for impairment. The amortization of goodwill ceases upon adoption of SFAS

Table of Contents

No. 142. SFAS No. 142 is effective for fiscal years starting after December 15, 2001. The adoption of SFAS 141 and 142 did not have a material impact on our financial position or results of operations.

In October 2001, the FASB issued SFAS No. 144, "Accounting for the Impairment or Disposal of Long-Lived Assets," which addresses financial accounting and reporting for the impairment or disposal of long lived assets. While SFAS 144 supersedes SFAS 121, "Accounting for the Impairment of Long-Lived Assets and for Long-Lived Assets to be Disposed of," it retains many of the fundamental provisions of that statement. The standard is effective for fiscal years beginning after December 15, 2001. The adoption of the provisions of SFAS 144 did not have a material impact on our financial position or results of operations.

In December 2001, the EITF issued EITF No. 01-09, "Accounting for Consideration Given by a Vendor to a Customer (Including a Reseller of the Vendor's Products)." This EITF prescribes guidance regarding the timing of recognition and income classification of costs incurred for certain sales incentive programs to retailers and end consumers. The adoption of EITF No. 01-09 did not have a material impact on our financial position or results of operations.

On July 30, 2002, the Financial Accounting Standards Board ("FASB") issued Statement of Financial Accounting Standards ("SFAS") No. 146, Accounting for Costs Associated with Exit or Disposal Activities." SFAS 146 nullifies EITF Issue No. 94-3, "Liability Recognition for Certain Employee Termination Benefits and Other Costs to Exit an Activity (including Certain Costs Incurred in a Restructuring)." It requires that a liability be recognized for those costs only when the liability is incurred, that is, when it meets the definition of a liability in the FASB's conceptual framework. SFAS No. 146 also establishes fair value as the objective for initial measurement of liabilities related to exit or disposal activities. SFAS 146 is effective for exit or disposal activities that are initiated after December 31, 2002, with earlier adoption encouraged. The Company does not expect that the adoption of SFAS 146 will have a material impact on its financial position or results from operations.

PART II. OTHER INFORMATION

ITEM 1. LEGAL PROCEEDINGS

The following is an update of the report (previously included in a Form 8-K dated April 25, 2002) of recent developments in previously reported legal proceedings that should be read in conjunction with Item 3, Legal Proceedings, in the Company's annual report on Form 10-K for the fiscal year ending December 31, 2001.

On March 6, 2002, Skechers filed a complaint captioned SKECHERS U.S.A., INC. V. HEELING SPORTS LIMITED, HEELING MANAGEMENT CORPORATION, ROGER ADAMS AND CHARLIE BEERY. The complaint was filed in the United States District Court Central District of California (Case No. 02-1906NM). Skechers' complaint alleges federal, California and common law unfair competition, intentional interference with economic relations and intentional interference with contract with respect to Skechers' shoes called "3 Wheelers." Skechers seeks relief that includes enjoining defendants from certain actions, certain trebled money damages, punitive damages, restitution and attorney fees and costs. On April 10, 2002, Skechers was served with a complaint captioned HEELING SPORTS LIMITED AND HEELING MANAGEMENT CORP., V. SKECHERS U.S.A., INC. that was filed on April 4, 2002 in the United States District Court, Eastern District of Texas, Sherman Division (Civil Action No. 4:02cv101). The lawsuit alleges breach of confidential agreement and misappropriation of trade secrets and is with respect to Skechers' 3 Wheelers. The complaint seeks relief that includes a permanent injunction enjoining Skechers from selling the 3 Wheeler shoes, using any alleged confidential information and assignment of any intellectual property based on the plaintiff's alleged confidential information, and damages that include those sustained by the plaintiff as a result of Skechers' actions, profits and exemplary and punitive damages. Skechers' 3 Wheelers is a new product that is currently a very small part of our product line. On June 18, 2002, a second complaint was filed against Skechers by Heeling Sports Limited in the United States District Court for the Eastern District of Texas, Sherman Division (Civil Action No. 4:02cv169), and the complaint was amended on June 21, 2002. The lawsuit is generally based upon the same facts as the earlier suit filed against Skechers by Heeling Sports Limited and Heeling Management Corp., alleging that Skechers' sales of its 3 Wheeler shoes violates the plaintiff's proprietary rights. However, the second complaint, as amended, alleges that Skechers' 3 Wheelers infringe Heeling's new patent that was issued on June 18, 2002, unfair competition and interference with prospective business relations. The second complaint, as amended, seeks relief that includes an injunction, declaratory relief that Skechers is infringing and will induce infringement of Heeling's patent, compensatory, trebled and exemplary damages, and attorney's fees. Skechers believes that it has meritorious defenses to the claims made by Heeling Sports Limited and Heeling Management Corp. and intends to defend these claims vigorously. Litigation is uncertain, and Skechers may not prevail in the lawsuits and expresses no opinion as to their ultimate outcome.

On May 31, 2002, a complaint captioned RAYMOND MEIER V. SKECHERS USA, INC. was filed against Skechers in the United States District Court, Southern District of New York (Case No. 02 CV 4139). The lawsuit alleges copyright infringement for the use of certain drawings by Skechers in its Skechers by Michelle K advertisements. The complaint seeks damages that include actual damages and profits attributable to the alleged infringement, compensatory damages, punitive damages and an injunction preventing further use of the drawings by Skechers. For reasons unrelated to the complaint, Skechers had discontinued using the subject drawings. Skechers believes that it has meritorious defenses to the issues raised in the complaint and intends to defend these claims vigorously. Nonetheless, litigation is uncertain, and Skechers may not prevail in the lawsuit and expresses no opinion as to its ultimate outcome.

On September 29, 2000, a complaint captioned MADISON TRADING LIMITED CORPORATION AND MERCURY INTERNATIONAL TRADING CORPORATION V. SKECHERS USA, INC., LOVITT FILMS, INC. AND BERT LOVITT was filed against Skechers in the United States District Court in Massachusetts, Civil Case No. CV-12016JLT. The lawsuit alleges quantum meruit, intentional interference with contract, intentional interference with advantageous relationship, unfair practices and declaratory relief arising out of a business arrangement between Skechers and inventor Bert Lovitt. The complaint seeks an injunction preventing Skechers from using certain technology, compensatory damages, exemplary damages and treble damages. The court denied the plaintiffs' motion for a preliminary injunction. In February 2002, all parties agreed to settlement in principle and, as of the date of this filing, the matter is now settled and all written documentation has been finalized and signed by the parties. The terms of the settlement are confidential. Notwithstanding, the terms did not have a material impact on the financial position or results of operations of Skechers.

We occasionally become involved in litigation arising from the normal course of business. Other than the foregoing, we believe that any liability with respect to pending legal actions, individually or in the aggregate, will not have a material adverse effect on our business, financial condition and results of operations.

(a) Not applicable

(b) Not applicable

(c) In April 2002, the Company sold \$90,000,000 principal amount of 4.50 percent convertible subordinated notes due April 15, 2007 (the "Notes") in a 144A private placement to a qualified institutional investor (the "Initial Purchaser") at 100% of their principal amount, less a selling discount to the Initial Purchaser of 4.25 percent of the principal amount.

Exemption from registration requirements is claimed under the Securities Act of 1933 (the "Securities Act") in reliance on Section 4(2) of the Securities Act or Rule 506 of Regulation D promulgated thereunder. The Initial Purchaser had adequate access to information about the Company and represented to the Company that it was a qualified institutional investors within the meaning of Rule 144A under the Securities Act and that it offered the Notes, and will offer and sell the Notes, inside the United States only to persons whom it reasonably believes are "qualified institutional buyers" in accordance with Rule 144A. Appropriate legends were affixed to the certificates evidencing the Notes in such transaction.

The notes have a five-year term and are not callable for the first three years. At any time prior to maturity or redemption, the Notes are convertible into Class A common stock of the Company at a conversion price of \$25.9680 per share (equivalent to a conversion rate of approximately 38.5089 shares per \$1,000 principal amount of Notes), representing an initial conversion premium of 20 percent, for a total of 3,465,804 shares of Class A common stock of the Company.

Dear Sirs and Madams:

Skechers U.S.A., Inc., a Delaware corporation (the "COMPANY"), proposes to issue and sell to CIBC World Markets Corp. ("CIBC" or the "INITIAL PURCHASER"), an aggregate of \$75,000,000 in principal amount of its 4.50% Convertible Subordinated Notes due April 15, 2007 (the "FIRM NOTES"), subject to the terms and conditions set forth herein. law. Neither the Company nor any of its subsidiaries has been

11

named as a "potentially responsible party" under the CERCLA. In the ordinary course of its business, the Company periodically reviews the effect of Environmental Laws on the business, operations and properties of the Company and its subsidiaries, in the course of which the Company identifies and evaluates associated costs and liabilities (including, without limitation, any capital or operating expenditures required for clean-up, closure of properties or compliance with Environmental Laws, or any permit, license or approval, any related constraints on operating activities and any potential liabilities to third parties). On the basis of such review, the Company has reasonably concluded that such associated costs and liabilities would not, singly or in the aggregate, have a Material Adverse Effect.

(o) The Company is not, nor will it be, as a result of or after giving effect to the issuance of the Securities and the execution, delivery and performance of this Agreement and the consummation of the transactions contemplated thereby, (i) insolvent, (ii) left with an unreasonably small capital with which to engage in its existing and anticipated businesses or (iii) incurring debts beyond its ability to pay such debts as they mature. The Company is not issuing the Securities in anticipation of insolvency.

(p) Neither the Company nor any of its subsidiaries has violated any provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA"), or any provisions of the Foreign Corrupt Practices Act or the rules and regulations promulgated thereunder, except for such violations which, singly or in the aggregate, would not have a Material Adverse Effect. None of the Company, its subsidiaries or any director, officer or employee of the Company or its subsidiaries has, in the course of such person's actions for, or on behalf of, the Company or its subsidiaries, used any corporate funds for any unlawful contribution, gift, entertainment or other unlawful expense relating to political activity or made any direct or indirect unlawful payment to any foreign or domestic government official or employee from corporate funds; and none of the Company, its subsidiaries, or to the Company's knowledge, any director, officer, employee, agent or other person acting on behalf of the Company or its subsidiaries, has, in the course of such person's actions for, or on behalf of, the Company or its subsidiaries made any bribe, rebate, payoff, influence payment, kickback or other unlawful payment.

(q) Each of the Company and its subsidiaries has such permits, licenses, consents, exemptions, franchises, authorizations and other approvals (each, an "AUTHORIZATION") of, and has made all filings with and given all notices to, all governmental or regulatory authorities and self-regulatory organizations and all courts and other tribunals, including without limitation under any applicable Environmental Laws, as are necessary to own, lease, license and operate its respective properties and to conduct its business, except where the failure to have any such Authorization or to make any such filing or notice would not, singly or in the aggregate, have a Material Adverse Effect. Each such Authorization is valid and in full force and effect and each of the Company and its subsidiaries is in compliance with all the terms and conditions thereof and with the rules and regulations of the authorities and governing bodies having jurisdiction with respect thereto; and no event has occurred (including without limitation the receipt of any notice from any authority or governing body) that allows or, after notice or lapse of time or both, would allow, revocation, suspension or termination of any such Authorization or results or, after notice or lapse of time or both, would result in any other impairment of the rights

12

of the holder of any such Authorization; and such Authorizations contain no restrictions that are burdensome to the Company or any of its subsidiaries; except where such failure to be valid and in full force and effect or to be in compliance, the occurrence of any such event or the presence of any such restriction would not, singly or in the aggregate, have a Material Adverse Effect.

(r) The Company and its subsidiaries have good and marketable title in fee simple to all real property and good and marketable title to all personal property owned by them that is material to the business of the Company and its

subsidiaries, in each case free and clear of all Liens and defects, except such as are described in the Offering Circular or such as do not materially affect the value of such property and do not interfere with the use made and proposed to be made of such property by the Company and its subsidiaries; and any real property and buildings held under lease by the Company and its subsidiaries are held by them under valid, subsisting and enforceable leases with such exceptions as are not material and do not interfere with the use made and proposed to be made of such property and buildings by the Company and its subsidiaries, in each case except as described in the Offering Circular.

(s) The Company and its subsidiaries own or license, free and clear of all liens or encumbrances, or can acquire or license, free and clear of all liens and encumbrances, on reasonable terms, all patents, patent rights, licenses, inventions, copyrights, know-how (including trade secrets, designs and other unpatented and/or unpatentable designs, technologies, inventions and innovations and proprietary or confidential information, systems or procedures), rights to use names and likenesses, trademarks, service marks, domain names and trade names ("INTELLECTUAL PROPERTY") currently employed by them in connection with the business now operated by them or currently used in any products, advertising or other materials distributed by them, except where the failure to own or license or otherwise to be able to acquire or license, free and clear of all liens and encumbrances, such Intellectual Property would not, singly or in the aggregate, have a Material Adverse Effect; and neither the Company nor any of its subsidiaries has received any notice of infringement of or conflict with asserted rights of others with respect to any Intellectual Property or rights of privacy that, singly or in the aggregate, if the subject of an unfavorable decision, ruling or finding, would have a Material Adverse Effect, in each case except as described in the Offering Circular.

(t) Each agreement described in the Offering Circular or the Incorporated Documents is in full force and effect and is valid and enforceable by the Company or its subsidiary, as applicable, in accordance with its terms, assuming the due authorization, execution and delivery thereof by each of the other parties thereto except as (i) the enforceability thereof may be limited by bankruptcy, insolvency or similar laws affecting creditors' rights generally and (ii) to the extent that rights to indemnity or contribution thereunder may be limited by federal and state securities laws or the public policy underlying such laws. None of the Company, any of its subsidiaries, or to the Company's knowledge, any other party is in default in the observance or performance of any term or obligation to be performed by it under such agreement, and no event has occurred that with notice or lapse of time or both would constitute such a default, in any such case where such default or event would have Material Adverse Effect. No default exists, and no event has occurred that with notice or lapse of time or both would constitute a default, in the due performance and observance of any term, covenant or condition, by the Company or any of its subsidiaries of any other agreement or instrument to which the

Company or any of its subsidiaries is a party or by which any of them or their respective properties or business may be bound or affected where such default or event would have a Material Adverse Effect.

(u) Except as disclosed in the Offering Circular, no relationship, direct or indirect, exists between or among the Company or any of its subsidiaries on the one hand, and the directors, officers, stockholders, customers or suppliers of the Company or any of its subsidiaries on the other hand, that would be required by the Act to be described in the Offering Circular if the Offering Circular were a prospectus included in a registration statement on Form S-1 filed with the Commission.

(v) There is no (i) significant labor practice complaint, grievance or arbitration proceeding pending or, to the Company's knowledge, threatened against the Company or any of its subsidiaries before the National Labor Relations Board or any state or local labor relations board, (ii) strike, labor dispute, slowdown or stoppage pending or threatened against the Company or any of its subsidiaries or (iii) union representation question existing with respect to the employees of the Company or any of its subsidiaries, except in the case of clauses (i), (ii) and (iii) for such actions that singly or in the aggregate, would not have a Material Adverse Effect. To the knowledge of the Company, no collective bargaining organizing activities are taking place with respect to the

Company or any of its subsidiaries.

(w) All material tax returns required to be filed by the Company and each of its subsidiaries in any jurisdiction have been filed, other than those filings being contested in good faith, and all material taxes, including withholding taxes, penalties and interest, assessments, fees and other charges due pursuant to such returns or pursuant to any assessment received by the Company or any of its subsidiaries have been paid, other than those being contested in good faith and for which adequate reserves have been provided.

(x) The accountants, KPMG LLP, that have certified the financial statements and supporting schedules included in the Offering Circular are independent public accountants with respect to the Company, as required by the Act and the Exchange Act. The historical financial statements, together with related schedules and notes, set forth in the Offering Circular comply as to form in all material respects with the requirements applicable to registration statements on Form S-1 under the Act.

(y) The historical financial statements, together with related schedules and notes forming part of the Offering Circular (and any amendment or supplement thereto), present fairly the consolidated financial position, results of operations and changes in financial position of the Company and its subsidiaries on the basis stated or incorporated by reference in the Offering Circular at the respective dates or for the respective periods to which they apply; such statements and related schedules and notes have been prepared in accordance with generally accepted accounting principles consistently applied throughout the periods involved, except as disclosed therein; and the other financial and statistical information and data set forth or incorporated by reference in the Offering Circular (and any amendment or supplement thereto) are, in all material respects, accurately presented and prepared on a basis consistent with such financial statements and the books and records of the Company.

14

(z) The Company is not and, after giving effect to the offering and sale of the Notes and the application of the net proceeds thereof as described in the Offering Circular, will not be, an "investment company," as such term is defined in the Investment Company Act of 1940, as amended.

(aa) Except as disclosed in the Offering Circular or other than has been waived, there are no contracts, agreements or understandings between the Company and any person granting such person the right to require the Company to file a registration statement under the Act with respect to any securities of the Company or to require the Company to include such securities with the Notes registered pursuant to any registration statement.

(bb) Neither the Company nor any of its subsidiaries nor any agent thereof acting on the behalf of any of them has taken, and none of them will take, any action that might cause this Agreement or the issuance or sale of the Notes to violate Section 7 of the Exchange Act, or any regulation promulgated thereunder, including without limitation, Regulation T (12 C.F.R. Part 220), Regulation U (12 C.F.R. Part 221) or Regulation X (12 C.F.R. Part 224) of the Board of Governors of the Federal Reserve System.

(cc) No "nationally recognized statistical rating organization" as such term is defined for the purpose of Rule 436(g)(2) under the Act (i) has imposed (or has informed the Company that it is considering imposing) any condition (financial or otherwise) on the Company's retaining any rating assigned to the Company or any securities of the Company or (ii) has indicated to the Company that it is considering (A) the downgrading, suspension, or withdrawal of, or any review for a possible change that does not indicate the direction of the possible change in, any rating so assigned or (B) any change in the outlook for any rating of the Company or any securities of the Company.

(dd) Since the respective dates as of which information is given in the Offering Circular, other than as set forth in the Offering Circular (exclusive of any amendments or supplements thereto subsequent to the date of this Agreement), (i) there has not occurred any material adverse change in the condition, financial or otherwise, or the earnings, business, management or operations of the Company and its subsidiaries, taken as a whole, (ii) there has

not been any material adverse change in the capital stock or in the long-term debt of the Company or any of its subsidiaries, (iii) neither the Company nor any of its subsidiaries has incurred any material liability or obligation, direct or contingent except in the ordinary course of business, (iv) neither the Company nor any of its subsidiaries has sustained any material loss or interference with their respective assets, businesses or properties (whether owned or leased) from fire, explosion, earthquake, flood or other calamity, whether or not covered by insurance, or from any labor dispute or any court or legislative or other governmental action, order or decree that would have a Material Adverse Effect; and (v) since the date of the latest consolidated balance sheet included in the Offering Circular, except as reflected therein, neither the Company nor any of its subsidiaries has (A) issued any securities other than the issuance of securities pursuant to the exercise of options granted under stock option plans or agreements existing prior to the date of the latest consolidated balance sheet included in the Offering Circular, (B) entered into any material transaction not in the ordinary course of business or (C) declared or paid any dividend or made any distribution on any shares of its capital stock or redeemed, purchased or otherwise acquired or agreed to redeem, purchase or otherwise acquire any shares of its capital stock.

15

(ee) The books, records and accounts of each of the Company and each of its subsidiaries accurately and fairly reflect, in reasonable detail, the transactions in, and dispositions of, the assets of, and the results of operations of, the Company and its subsidiaries, as applicable. Each of the Company and each of its subsidiaries maintains a system of internal accounting controls sufficient to provide reasonable assurance that (i) transactions are executed in accordance with management's general or specific authorization, (ii) transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principals and to maintain asset accountability, (iii) access to assets is permitted only in accordance with management's general or specific authorization and (iv) the recorded accountability for assets is compared with the existing assets at reasonable intervals and appropriate action is taken with respect to any differences.

(ff) The Offering Circular, as of its date, contains all the information specified in, and meets the requirements of, Rule 144A(d)(4) under the Act.

(gg) When the Notes are issued and delivered pursuant to this Agreement, the Notes will not be of the same class (within the meaning of Rule 144A under the Act) as any security of the Company that is listed on a national securities exchange registered under Section 6 of the Exchange Act or that is quoted in a United States automated inter-dealer quotation system.

(hh) No form of general solicitation or general advertising (as defined in Regulation D under the Act) was used by the Company, or any of its representatives (other than the Initial Purchaser, as to whom the Company makes no representation) in connection with the offer and sale of the Notes contemplated hereby, including without limitation articles, notices or other communications published in any newspaper, magazine, or similar medium or broadcast over television or radio, or any seminar or meeting whose attendees have been invited by any general solicitation or general advertising. No securities of the same class as the Notes have been issued and sold by the Company within the six-month period immediately prior to the date hereof.

(ii) Except as permitted by the Securities Act, neither the Company nor any of its subsidiaries has distributed and, prior to the completion of the initial distribution of the Notes (which includes the sale by the Initial Purchaser), neither will distribute, any offering materials in connection with the offering and sale of the Notes other than the Offering Circular.

(jj) The Company has not taken, nor will it take, directly or indirectly, any action designed to or that might reasonably be expected to cause or result in, or that has constituted or that might reasonably be expected to constitute, the stabilization or manipulation of the price of the Common Stock or the Notes.

(kk) Prior to the effectiveness of any Registration Statement, the Indenture is not required to be qualified under the TIA.

(ll) No registration under the Act of the Securities is required for the sale of the Securities to the Initial Purchaser as contemplated hereby or for the Exempt Resales

16

assuming the accuracy of the Initial Purchaser's representations and warranties and agreements set forth in Section 7 hereof.

(mm) Each certificate signed by any officer of the Company and delivered to the Initial Purchaser or counsel for the Initial Purchaser shall be deemed to be a representation and warranty by the Company to the Initial Purchaser as to the matters covered thereby.

(nn) The Company is subject to Section 13 or 15(d) the Exchange Act.

(oo) Except as disclosed in the Offering Circular, there are no contracts, agreements or understandings between the Company and any person that would give rise to a valid claim against the Company or any Initial Purchaser for a brokerage commission, finder's fee or other like payment in connection with the sale of the Securities.

The Company acknowledges that the Initial Purchaser and, for purposes of the opinions to be delivered to the Initial Purchaser pursuant to Section 9 hereof, counsel to the Company and counsel to the Initial Purchaser will rely upon the accuracy and truth of the foregoing representations and hereby consents to such reliance.

7. INITIAL PURCHASER'S REPRESENTATIONS AND WARRANTIES. The Initial Purchaser represents and warrants to, and agrees with, the Company:

(a) The Initial Purchaser is a QIB, with such knowledge and experience in financial and business matters as is necessary in order to evaluate the merits and risks of an investment in the Notes.

(b) The Initial Purchaser (A) is not acquiring the Securities with a view to any distribution thereof or with any present intention of offering or selling any of the Securities in a transaction that would violate the Act or the securities laws of any state of the United States or any other applicable jurisdiction and (B) will be reoffering and reselling the Securities only to QIB's in reliance on the exemption from the registration requirements of the Act provided by Rule 144A.

(c) The Initial Purchaser agrees that no form of general solicitation or general advertising (within the meaning of Regulation D under the Act) has been or will be used by such Initial Purchaser or any of its representatives in connection with the offer and sale of the Securities pursuant hereto, including without limitation articles, notices or other communications published in any newspaper, magazine or similar medium or broadcast over television or radio, or any seminar or meeting whose attendees have been invited by any general solicitation or general advertising.

(d) The Initial Purchaser agrees that, in connection with Exempt Resales, such Initial Purchaser will solicit offers to buy the Securities only from, and will offer to sell the Securities only to, QIB's. The Initial Purchaser further agrees that it will offer to sell the Securities only to, and will solicit offers to buy the Securities only from persons whom the Initial Purchaser reasonably believes are QIB's and that agree that (A) the Securities purchased by them may be offered, resold, pledged or otherwise transferred within the time period referred to under Rule 144(k) (taking into account the provisions of Rule 144(d) under the Act, if applicable)

17

under the Act, as in effect on the date of the transfer of such Securities, only (1) to a person whom the seller reasonably believes is a QIB acquiring for its own account or for the account of a QIB in a transaction meeting the requirements of Rule 144A under the Act, (2) pursuant to an exemption from registration under the Act provided by Rule 144 thereunder (if available), (3) to an Institutional Accredited Investor that prior to such transfer, furnishes

the Trustee a signed letter containing certain representations and agreements relating to the registration and transfer of such Securities and, if requested by the Company, an opinion of counsel acceptable to the Company that such transfer is in compliance with the Act, (4) in accordance with another exemption from the registration requirements under the Act (and based upon an opinion of counsel acceptable to the Company) or (5) pursuant to an effective registration statement and, in each case, in accordance with the applicable securities laws of the United States or other jurisdictions and (B) such QIB's will deliver to each person to whom such Securities or an interest therein is transferred a notice substantially to the effect of the foregoing.

(e) The Initial Purchaser acknowledges that the Company, for purposes of the opinions to be delivered to the Initial Purchaser pursuant to Section 9 hereof, counsel to the Company and counsel to the Initial Purchaser will rely upon the accuracy and truth of the foregoing representations and the Initial Purchaser hereby consents to such reliance.

8. INDEMNIFICATION.

(a) The Company agrees to indemnify and hold harmless the Initial Purchaser, its directors, its officers and each person, if any, who controls the Initial Purchaser (within the meaning of Section 15 of the Act or Section 20 of the Exchange Act), from and against any and all losses, claims, damages, liabilities and judgments (including without limitation any legal or other expenses incurred in connection with investigating or defending any matter, including any action that could give rise to any such losses, claims, damages, liabilities or judgments) caused by any untrue statement or alleged untrue statement of a material fact contained in the Offering Circular (or any amendment or supplement thereto) or any Rule 144 Information or Rule 144A Information provided by the Company to any holder or prospective purchaser of Securities pursuant to Section 5(h) or caused by any omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, except insofar as such losses, claims, damages, liabilities or judgments are caused by any such untrue statement or omission or alleged untrue statement or omission based upon information relating to the Initial Purchaser furnished in writing to the Company by the Initial Purchaser.

(b) The Initial Purchaser agrees to indemnify and hold harmless the Company and its directors and officers and each person, if any, who controls (within the meaning of Section 15 of the Act or Section 20 of the Exchange Act) the Company to the same extent as the foregoing indemnity from the Company to the Initial Purchaser but only with reference to information relating to the Initial Purchaser furnished in writing to the Company by the Initial Purchaser expressly for use in the Offering Circular.

(c) In case any action shall be commenced involving any person in respect of which indemnity may be sought pursuant to Section 8(a) or 8(b) (the "INDEMNIFIED PARTY"), the indemnified party shall promptly notify the person against whom such indemnity may be sought (the "INDEMNIFYING PARTY") in writing and the indemnifying party shall assume the defense of

such action, including the employment of counsel reasonably satisfactory to the indemnified party and the payment of all fees and expenses of such counsel, as they are incurred (except that in the case of any action in respect of which indemnity may be sought pursuant to both Sections 8(a) and 8(b), the Initial Purchaser shall not be required to assume the defense of such action pursuant to this Section 8(c) but may employ separate counsel and participate in the defense thereof, but the fees and expenses of such counsel, except as provided below, shall be at the expense of the Initial Purchaser). Any indemnified party shall have the right to employ separate counsel in any such action and participate in the defense thereof, but the fees and expenses of such counsel shall be at the expense of the indemnified party unless (i) the employment of such counsel shall have been specifically authorized in writing by the indemnifying party, (ii) the indemnifying party shall have failed to assume the defense of such action or employ counsel reasonably satisfactory to the indemnified party or (iii) the named parties to any such action (including any impleaded parties) include both the indemnified party and the indemnifying party, and the indemnified party shall have been advised by such counsel that there may be one or more legal defenses available to it that are different from or additional to those

available to the indemnifying party (in which case the indemnifying party shall not have the right to assume the defense of such action on behalf of the indemnified party). In any such case, the indemnifying party shall not, in connection with any one action or separate but substantially similar or related actions in the same jurisdiction arising out of the same general allegations or circumstances, be liable for the fees and expenses of more than one separate firm of attorneys (in addition to any local counsel) for all indemnified parties, and all such fees and expenses shall be reimbursed as they are incurred. Such firm shall be designated in writing by CIBC, in the case of the parties indemnified pursuant to Section 8(a), and by the Company, in the case of parties indemnified pursuant to Section 8(b). The indemnifying party shall indemnify and hold harmless the indemnified party from and against any and all losses, claims, damages, liabilities and judgments by reason of any settlement of any action (i) effected with its written consent or (ii) effected without its written consent if the settlement is entered into more than twenty business days after the indemnifying party shall have received a request from the indemnified party for reimbursement for the fees and expenses of counsel (in any case where such fees and expenses are at the expense of the indemnifying party) and, prior to the date of such settlement, the indemnifying party shall have failed to comply with such reimbursement request. No indemnifying party shall, without the prior written consent of the indemnified party, effect any settlement or compromise of, or consent to the entry of judgment with respect to, any pending or threatened action in respect of which the indemnified party is or could have been a party and indemnity or contribution may be or could have been sought hereunder by the indemnified party, unless such settlement, compromise or judgment (i) includes an unconditional release of the indemnified party from all liability on claims that are or could have been the subject matter of such action and (ii) does not include a statement as to or an admission of fault, culpability or a failure to act by or on behalf of the indemnified party.

(d) To the extent the indemnification provided for in this Section 8 is unavailable to an indemnified party or insufficient in respect of any losses, claims, damages, liabilities or judgments referred to therein, then each indemnifying party, in lieu of indemnifying such indemnified party, shall contribute to the amount paid or payable by such indemnified party as a result of such losses, claims, damages, liabilities and judgments (i) in such proportion as is appropriate to reflect the relative benefits received by the Company, on the one hand, and the

Initial Purchaser, on the other hand, from the offering of the Securities or (ii) if the allocation provided by clause (i) above is not permitted by applicable law, in such proportion as is appropriate to reflect not only the relative benefits referred to in clause (i) above but also the relative fault of the Company, on the one hand, and the Initial Purchaser, on the other hand, in connection with the statements or omissions that resulted in such losses, claims, damages, liabilities or judgments, as well as any other relevant equitable considerations. The relative benefits received by the Company, on the one hand, and the Initial Purchaser, on the other hand, shall be deemed to be in the same proportion as the total net proceeds from the offering of the Securities (after Initial Purchaser's discounts or commissions, but before deducting expenses) received by the Company, and the total discounts and commissions received by the Initial Purchaser bear to the total price to investors of the Securities, in each case as set forth on the cover page of the Offering Circular. The relative fault of the Company, on the one hand, and the Initial Purchaser, on the other hand, shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the Company, on the one hand, or the Initial Purchaser, on the other hand, and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission.

The Company and the Initial Purchaser agree that it would not be just and equitable if contribution pursuant to this Section 8(d) were determined by pro rata allocation or by any other method of allocation that does not take account of the equitable considerations referred to in the immediately preceding paragraph. The amount paid or payable by an indemnified party as a result of the losses, claims, damages, liabilities or judgments referred to in the immediately preceding paragraph shall be deemed to include, subject to the limitations set forth above, any legal or other expenses incurred by such indemnified party in connection with investigating or defending any matter, including any action,

that could have given rise to such losses, claims, damages, liabilities or judgments. Notwithstanding the provisions of this Section 8, the Initial Purchaser shall not be required to contribute any amount in excess of the amount by which the total discounts and commissions received by the Initial Purchaser exceeds the amount of any damages that the Initial Purchaser has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission. No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation.

(e) The remedies provided for in this Section 8 are not exclusive and shall not limit any rights or remedies that may otherwise be available to any indemnified party at law or in equity.

9. CONDITIONS OF THE INITIAL PURCHASER'S OBLIGATIONS. The obligations of the Initial Purchaser to purchase the Firm Notes under this Agreement on the Closing Date and the Additional Notes, if any, on any Option Closing Date are subject to the satisfaction of each of the following conditions.

(a) All the representations and warranties of the Company contained in this Agreement shall be true and correct on the Closing Date, or on each Option Closing Date, if any, with the same force and effect as if made on and as of the Closing Date or on each Option Closing Date, if any.

20

(b) On or after the date hereof, (i) there shall not have occurred any downgrading, suspension or withdrawal of, nor shall any notice have been given of any potential or intended downgrading, suspension or withdrawal of, or of any review (or of any potential or intended review) for a possible change that does not indicate the direction of the possible change in, any rating of the Company or any securities of the Company (including without limitation the placing of any of the foregoing ratings on credit watch with negative or developing implications or under review with an uncertain direction) by any "nationally recognized statistical rating organization" as such term is defined for the purpose of Rule 436(g)(2) under the Act, (ii) there shall not have occurred any change, nor shall any notice have been given of any potential or intended change, in the outlook for any rating of the Company or any securities of the Company by any such rating organization and (iii) no such rating organization shall have given notice that it has assigned (or is considering assigning) a lower rating to the Notes than that on which the Notes were marketed.

(c) Since the respective dates as of which information is given in the Offering Circular, other than as set forth in the Offering Circular (exclusive of any amendments or supplements thereto after the date of this Agreement), (i) there shall not have occurred any change or any development involving a prospective change in the condition, financial or otherwise, or the earnings, business, management or operations of the Company and its subsidiaries, taken as a whole, (ii) there shall not have been any change or any development involving a prospective change in the capital stock or in the long-term debt of the Company or any of its subsidiaries except in the ordinary course of business, (iii) neither the Company nor any of its subsidiaries shall have incurred any liability or obligation, direct or contingent except in the ordinary course of business, and (iv) neither the Company nor any of its subsidiaries shall have sustained any loss or interference with their respective assets, businesses or properties (whether owned or leased) from fire, explosion, earthquake, flood or other calamity, whether or not covered by insurance, or from any labor dispute or any court or legislative or other governmental action, order or decree, the effect of which, in case of any event described in the foregoing clause (i), (ii), (iii) or (iv), in the judgment of the Initial Purchaser, is material and adverse and makes it impracticable to market the Securities on the terms and in the manner contemplated in the Offering Circular.

(d) You shall have received on the Closing Date a certificate, dated the Closing Date, and on an Option Closing Date, if any, dated such Option Closing Date, signed by the President and the Chief Financial Officer of the Company, confirming the matters set forth in Sections 6(dd), 9(a) and 9(b) and stating that the Company has complied with all the agreements and satisfied all of the conditions herein contained and required to be complied with or satisfied on or prior to the Closing Date or Option Closing Date, as the case may be.

(e) You shall have received on the Closing Date and each Option Closing Date, if any, an opinion (subject to customary qualifications, limitations and exceptions and satisfactory to you and counsel for the Initial Purchaser), dated the Closing Date or such Option Closing Date, as the case may be, of Kirkpatrick & Lockhart LLP, counsel for the Company, to the effect that:

(i) The Company has been duly incorporated and is validly existing as a corporation under the laws of the State of Delaware. The Company is duly qualified to transact

21

business and in good standing as a foreign corporation in the States of California and New York. In rendering this opinion regarding good standing, we have relied solely on good standing certificates of the Company as of a recent date issued by each of the Delaware Secretary of State, California Secretary of State and the New York Secretary of State, and in each case have made no independent investigation or verification.

(ii) The Company has the requisite corporate power to enter into, deliver and perform its obligations under the Purchase Agreement and to issue and sell the Securities, other than those required under state and foreign Blue Sky laws as to which such counsel need not render an opinion.

(iii) The Notes have been duly authorized by the Company and, when executed and authenticated in accordance with the provisions of the Indenture, assuming due authentication thereof by the Trustee, and delivered to and paid for by the Initial Purchaser in accordance with the terms of the Purchase Agreement, will be valid and binding obligations of the Company, enforceable against the Company in accordance with their terms, except as such enforceability may be limited by applicable bankruptcy, insolvency, fraudulent conveyance, reorganization, moratorium and other similar laws affecting the enforcement of creditors' rights generally and by general equitable principles, and will be entitled to the benefits of the Indenture.

(iv) The Incorporated Documents, on the respective dates they were filed, appeared on their face to comply in all material respects with the requirements as to form for reports on Form 10-K and Form 8-A, as the case may be, under the Exchange Act and the related rules and regulations in effect at the respective dates of their filing.

(v) The Class A Common Stock to be issued upon conversion of the Notes have been duly authorized and reserved and, when issued upon conversion of the Notes in accordance with the terms of the Notes and the Indenture, will be validly issued, fully paid and non-assessable, and the issuance of the Class A Common Stock will not be subject to any preemptive rights arising by operation of law or under the Company's Certificate of Incorporation or Bylaws or, to such counsel's knowledge, similar rights under the documents listed in the exhibits to the Incorporated Documents.

(vi) All necessary corporate action has been duly and validly taken by the Company to authorize the execution, delivery and performance of the Purchase Agreement and the issuance and sale of the Notes and, upon conversion thereof, the Class A Common Stock. The Purchase Agreement has been duly and validly authorized, executed and delivered by the Company and the Purchase Agreement constitutes the legal, valid and binding obligation of the Company enforceable against the Company in accordance with its terms except as such enforceability may be limited by applicable bankruptcy, insolvency, fraudulent conveyance, reorganization, moratorium and other similar laws affecting the enforcement of creditors' rights generally and by general equitable principles.

(vii) Neither the execution and delivery by the Company of, and the performance by the Company of its obligations under the Purchase Agreement, the Indenture, the Registration Rights Agreement and the Securities (including, without limitation, the issuance and sale by the Company of the Notes and, upon conversion thereof, the Class A Common Stock)

22

will (a) give rise to a right to terminate or accelerate the due date of any payment due under, or result in the breach of any express term or provision of, or constitute a default (or any event which with notice or lapse of time, or both, would constitute a default) under, or require consent or waiver under, or result in the execution or imposition of any lien, charge, claim, security interest or encumbrance upon any properties or assets of the Company pursuant to the express terms of any indenture, mortgage, deed trust, note or other agreement or instrument to which the Company is a party or by which the Company or any of its assets or properties or businesses is bound and which is listed as an exhibit to the Incorporated Documents, (b) to such counsel's knowledge, violate any existing obligations of the Company under the express terms of any judgment, decree, or order of any court or arbitrator or governmental agency or body, which names the Company and is specifically directed to it or its properties, (c) violate any applicable statute, rule or regulation of the Federal laws of the United States of America and the laws of the States of Delaware, New York and California or (d) violate any provision of the charter or by-laws of the Company, except for such consents, waivers, approvals and authorizations which have been obtained prior to the Closing Date.

(viii) No consent, approval, authorization, license, registration, or qualification or order of any federal, Delaware, New York or California court or governmental agency or regulatory body is required for the due authorization, execution, delivery or performance by the Company of its obligations under the Purchase Agreement, the Indenture, the Registration Rights Agreement or the Securities except such as may be required by the securities or Blue Sky laws of the various states in connection with the offer and sale of the Securities (except, other than as set forth in paragraph (xv) below, we give no opinion as to registration of the Securities under the Act and the qualification of the Indenture under the Trust Indenture Act of 1939, as amended).

(ix) To such counsel's knowledge, without investigation except where we have been engaged by the Company to give substantive attention to such action, suit or proceeding, there is no litigation or governmental proceeding or investigation, before any court or before or by any public body or board pending or threatened in writing against, or involving the assets, properties or businesses of, the Company which would have a Material Adverse Effect.

(x) Each of the Indenture and the Registration Rights Agreement has been duly authorized, executed and delivered by, and is a valid and binding agreement of, the Company, enforceable against the Company in accordance with its terms except as such enforceability may be limited by applicable bankruptcy, insolvency, fraudulent conveyance, reorganization, moratorium and other similar laws affecting the enforcement of creditors' rights generally and by general equitable principles.

(xi) The Company is not an "investment company" or an entity controlled by an "investment company" as such terms are defined in the Investment Company Act of 1940, as amended.

(xii) The statements in the Offering Circular under the caption "Description of the Notes" insofar as such statement constitutes a summary of documents referred to therein fairly summarize in all material respects such documents and matters.

23

(xiii) The capital stock of the Company conforms in all material respects to the description thereof contained in the Offering Circular under the caption "Description of Share Capital."

(xiv) The statements in the Offering Circular under the caption "Certain United States Federal Income Tax Consequences," insofar as such statements constitute a summary of the United States federal tax laws referred to therein, fairly summarize the matters referred to therein in all material respects.

(xv) Assuming (i) each Initial Purchaser is a "qualified institutional buyer" within the meaning of Rule 144A of the Act and (ii) the accuracy of the representations and warranties and compliance with the agreements of the Company in Section 6(ff) of the Purchase Agreement and of the Initial Purchaser in Section 7 of the Purchase Agreement, it is not necessary in

connection with the offer, sale and delivery of the Securities to the Initial Purchaser under the Purchase Agreement or in connection with the initial resale of the Securities by the Initial Purchaser in accordance with Section 7 of the Purchase Agreement and the Offering Circular to register the Securities under the Act, or to qualify the Indenture under the Trust Indenture Act of 1939, as amended, it being understood that no opinion is expressed as to any subsequent resale of any of the Notes or the Class A Common Stock issuable upon conversion of any of the Notes.

Such counsel is not called upon to opine as to factual matters, and the character of determinations involved in the process is such that it is not passing upon and does not need to assume any responsibility for the accuracy, completeness or fairness of the information included in the Offering Circular. Such counsel may assume the correctness and completeness of the information included in the Offering Circular, and such counsel may make no independent investigation or verification of that information. Such counsel can advise, however, that in and on the basis of its review of the Offering Circular and its participation in its preparation, nothing has come to such counsel's attention that causes it to believe that the Offering Circular (including the Incorporated Documents), as of its date or as of the date hereof, contained or contains an untrue statement of a material fact or omitted or omits to state a material fact necessary in order to make the statements therein, in light of the circumstances under which they were made, not misleading. Such counsel is not called upon to express an opinion with respect to, and the preceding paragraph does not address, the financial statements and related notes and schedules, and other financial, accounting, and statistical information, included in, incorporated by reference in, or omitted from the Offering Circular, or any further amendment or supplement thereto. Such counsel is also not called upon to express any opinion with respect to any matter relating to compliance with financial covenants or financial requirements.

(f) The Initial Purchaser shall have received on the Closing Date and on each Option Closing Date, an opinion, dated the Closing Date, of Latham & Watkins, counsel for the Initial Purchaser, in form and substance reasonably satisfactory to the Initial Purchaser.

(g) The Initial Purchaser shall have received, at the time this Agreement is executed and at the Closing Date and each Option Closing Date, if any, letters dated the date hereof or the Closing Date or an Option Closing Date, as the case may be, from KPMG LLP, independent public accountants, in form and substance satisfactory to the Initial Purchaser

containing the information and statements of the type ordinarily included in accountants' "comfort letters" with respect to the financial statements and certain financial information contained in the Offering Circular.

(h) The Notes shall have been approved by the National Association of Securities Dealers, Inc. for trading and duly listed in PORTAL.

(i) The Initial Purchaser shall have received a counterpart, conformed as executed, of the Indenture which shall have been entered into by the Company and the Trustee.

(j) The Company shall have executed the Registration Rights Agreement, and the Initial Purchaser shall have received an original copy thereof, duly executed by the Company.

(k) The Company shall not have failed at or prior to the Closing Date or each Option Closing Date, if any, as the case may be, to perform or comply with all of the agreements contained herein and required to be performed or complied with by the Company at or prior to the Closing Date or Option Closing Date, as the case may be.

10. EFFECTIVENESS OF AGREEMENT AND TERMINATION. This Agreement may be terminated at any time on or prior to the Closing Date by the Initial Purchaser by written notice to the Company if any of the following has occurred: (i) any significant attack on or significant acts of terrorism involving the United States, outbreak or escalation of hostilities excluding current hostilities in Afghanistan, declaration by the United States of a national emergency or war or

other calamity or crisis or any change or development involving a prospective change in United States or international, political, financial or economic conditions which has a material adverse effect on financial markets so as to make it, in your sole judgment, impracticable or inadvisable to proceed with the offering or delivery of the Securities as contemplated by the Offering Circular, (ii) the suspension or material limitation of trading in securities or other instruments on the New York Stock Exchange, the American Stock Exchange, the Chicago Board of Options Exchange, the Chicago Mercantile Exchange, the Chicago Board of Trade or the Nasdaq National Market or limitation on prices for securities or other instruments on any such exchange or the Nasdaq National Market, (iii) the suspension of trading of any securities of the Company on any exchange or in the over-the-counter market, (iv) the enactment, publication, decree or other promulgation of any federal or state statute, regulation, rule or order of any court or other governmental authority that in your judgment has had, or will have, a Material Adverse Effect, (v) the declaration of a banking moratorium by either federal or New York state authorities, (vi) any major disruption of settlements of securities or (vii) the taking of any action by any federal, state or local government or agency in respect of its monetary or fiscal affairs that in your judgment has a material adverse effect on the financial markets in the United States.

SECTION 1.12 LEGAL HOLIDAYS.

In any case where any Interest Payment Date, Redemption Date, Repurchase Date or Stated Maturity of any Security or the last day on which a Holder of a Security has a right to convert his Security shall not be a Business

Day at a Place of Payment or Place of Conversion, as the case may be, then (notwithstanding any other provision of this Indenture or of the Securities) payment of principal of, premium, if any, or interest on, or the payment of the Repurchase Price (whether the same is payable in cash or in shares of Common Stock) with respect to, or delivery for conversion of, such Security need not be made at such Place of Payment or Place of Conversion, as the case may be, on or by such day, but may be made on or by the next succeeding Business Day at such Place of Payment or Place of Conversion, as the case may be, with the same force and effect as if made on the Interest Payment Date, Redemption Date or Repurchase Date, or at the Stated Maturity or by such last day for conversion; provided, however, that in the case that payment is made on such succeeding Business Day, no interest shall accrue on the amount so payable for the period from and after such Interest Payment Date, Redemption Date, Repurchase Date, Stated Maturity or last day for conversion, as the case may be.

SECTION 1.13 CONFLICT WITH TRUST INDENTURE ACT.

If any provision hereof limits, qualifies or conflicts with a provision of the Trust Indenture Act that is required under such act to be a part of and govern this Indenture, the latter provision shall control. If any provision of this Indenture modifies or excludes any provision of the Trust Indenture Act that may be so modified or excluded, the latter provision shall be deemed to apply to this Indenture as so modified or to be excluded, as the case may be. Until such time as this Indenture shall be qualified under the Trust Indenture Act, this Indenture, the Company and the Trustee shall be deemed for all purposes hereof to be subject to and governed by the Trust Indenture Act to the same extent as would be the case if this Indenture were so qualified on the date hereof.

SECTION 1.14 COUNTERPARTS.

This instrument may be executed in any number of counterparts, each of which so executed shall be deemed to be an original, but all such counterparts shall together constitute but one and the same instrument.

ARTICLE TWO

THE SECURITIES

SECTION 2.1 FORM GENERALLY.

The Securities and the Trustee's Certificate of Authentication shall be in substantially the form set forth in Exhibit A hereto, which Exhibit is a part of this Indenture, with such appropriate insertions, omissions, substitutions and other variations as are required or permitted by this Indenture, and may have such letters, numbers or other marks of identification and such legends or endorsements placed thereon as may be required to comply with the rules of any securities exchange or the Internal Revenue Code of 1986, as amended, and regulations thereunder (the "CODE"), or as may, consistently herewith, be determined by the officers executing such Securities, as evidenced by their execution thereof. All Securities shall be issued in registered form, as opposed to bearer form, and shall sometimes be referred to as the "REGISTERED SECURITIES."

The Securities shall be printed, lithographed, typewritten or engraved or produced by any combination of these methods on steel engraved borders, if so required by any securities exchange upon which the Securities may be listed, or may be produced in any other manner permitted by the rules of any such securities exchange, or, if the Securities are not listed on a securities exchange, in any other manner approved by the Company, all as determined by the officers executing such Securities, as evidenced by their execution thereof.

Upon their original issuance, Securities shall be issued in the form of one or more Global Securities without interest coupons and shall be registered in the name of DTC, as Depositary, or its nominee and deposited with the Trustee, as custodian for DTC, for credit by DTC to the respective accounts of beneficial owners of the Securities represented thereby (or such other accounts as they may direct). Such Global Security, together with its Successor

Securities that are Global Securities, are collectively herein called the "RESTRICTED GLOBAL SECURITY."

SECTION 2.2 TITLE AND TERMS.

The aggregate principal amount of Securities that may be authenticated and delivered from time to time under this Indenture is limited to U.S. \$110,000,000 (or such greater amount necessary to reflect exercise of the Initial Purchaser's over-allotment option in compliance with the Purchase Agreement, but not in excess of U.S. \$125,000,000), except for Securities authenticated and delivered in exchange for, or in lieu of, other Securities pursuant to Section 2.5, 2.6, 2.7, 7.5, 9.8, 10.2 or 12.3(e).

The Securities shall be known and designated as the "4.50% Convertible Subordinated Notes due 2007" of the Company. Their Stated Maturity shall be April 15, 2007 and they shall bear interest on their principal amount from April 9, 2002, payable semiannually in arrears on April 15 and October 15 in each year, commencing October 15, 2002, at the rate of 4.50% per annum until the principal thereof is due and at the rate then in effect on any overdue principal and, to the extent permitted by law, on any overdue interest; provided, however, that payments shall only be made on Business Days as provided in Section 1.12.

The principal of, premium, if any, and interest on the Securities shall be payable as provided in the form of Securities attached hereto as Exhibit A, and the Repurchase Price, whether payable in cash or in shares of Common Stock, shall be payable at such places as are identified in the Company Notice given pursuant to Section 12.3 (any city in which any Paying Agent is located being herein called a "PLACE OF PAYMENT").

The Registrable Securities are entitled to the benefits of a Registration Rights Agreement as provided by the form of Securities attached hereto as Exhibit A. The Securities are entitled to the payment of Liquidated Damages as provided in the Registration Rights Agreement.

The Securities shall be redeemable at the option of the Company, as provided in Article Nine and in the form of Securities attached hereto as Exhibit A.

The Securities shall be convertible as provided in Article Ten (any city in which any Conversion Agent is located being herein called a "PLACE OF CONVERSION").

The Securities shall be subordinated in right of payment to Senior Debt of the Company as provided in Article Eleven.

The Securities shall be subject to repurchase by the Company at the option of the Holders as provided in Article Twelve.

SECTION 2.3 DENOMINATIONS.

The Securities shall be issuable only in registered form, without coupons, in denominations of U.S.\$1,000 and integral multiples thereof.

SECTION 2.4 EXECUTION, AUTHENTICATION, DELIVERY AND DATING.

The Securities shall be executed on behalf of the Company by its Chairman of the Board, its Vice Chairman of the Board, its Chief Executive Officer, its President, one of its Vice Presidents, its Chief Financial Officer, its Treasurer or its Controller and attested by its Secretary or one of its Assistant Secretaries. Any such signature may be manual or facsimile.

Securities bearing the manual or facsimile signature of individuals who were at any time the proper officers of the Company shall bind the Company, notwithstanding that such individuals or any of them have ceased to hold such offices prior to the authentication and delivery of such Securities or did not

hold such offices at the date of such Securities.

At any time and from time to time after the execution and delivery of this Indenture, the Company may deliver Securities executed by the Company to the Trustee or to its order for authentication, together with a Company Order for the authentication and delivery of such Securities, and the Trustee in accordance with such Company Order shall authenticate and make available for delivery such Securities as provided in this Indenture and not otherwise.

Each Security shall be dated the date of its authentication.

No Security shall be entitled to any benefit under this Indenture or be valid or obligatory for any purpose unless there appears on such Security a certificate of authentication substantially in the form provided for herein executed by the Trustee by manual signature of an authorized signatory, and such certificate upon any Security shall be conclusive evidence, and the only evidence, that such Security has been duly authenticated and delivered hereunder.

SECTION 2.5 GLOBAL SECURITIES; TEMPORARY SECURITIES.

(a) GLOBAL SECURITIES

(1) Each Global Security authenticated under this Indenture shall be registered in the name of the Depository designated by the Company for such Global Security or a nominee thereof and delivered to such Depository or a nominee thereof or custodian therefor, and each such Global Security shall constitute a single Security for all purposes of this Indenture.

(2) Notwithstanding any other provision in this Indenture, no Global Security may be exchanged in whole or in part for Securities registered, and no transfer of a Global Security in whole or in part may be registered, in the name of any Person other than the Depository for such Global Security or a nominee thereof unless (A) such Depository (i) has notified the Company that it is unwilling or unable to continue as Depository for such Global Security or (ii) has ceased to be a clearing agency registered as such under the Exchange Act or announces an intention permanently to cease business or does in fact do so or (B) there shall have occurred and be continuing an Event of Default with respect to such Global Security.

(3) If any Global Security is to be exchanged for other Securities or cancelled in whole, it shall be surrendered by or on behalf of the Depository or its nominee to the

-19-

Trustee, as Security Registrar, for exchange or cancellation, as provided in this Article Two. If any Global Security is to be exchanged for other Securities or cancelled in part, or if another Security is to be exchanged in whole or in part for a beneficial interest in any Global Security, in each case, as provided in Section 2.6, then either (A) such Global Security shall be so surrendered for exchange or cancellation, as provided in this Article Two, or (B) the principal amount thereof shall be reduced or increased by an amount equal to the portion thereof to be so exchanged or cancelled or equal to the principal amount of such other Security to be so exchanged for a beneficial interest therein, as the case may be, by means of an appropriate adjustment made on the records of the Trustee, as Security Registrar, whereupon the Trustee, in accordance with the Applicable Procedures, shall instruct the Depository or its authorized representative to make a corresponding adjustment to its records. Upon any such surrender or adjustment of a Global Security, the Trustee shall, subject to Section 2.6(c) and as otherwise provided in this Article Two, authenticate and make available for delivery any Securities issuable in exchange for such Global Security (or any portion thereof) to or upon the order of, and registered in such names as may be directed by, the Depository or its authorized representative. Upon the request of the Trustee in connection with the occurrence of any of the events specified in the preceding paragraph, the Company shall promptly make available to the Trustee a reasonable supply of Securities that are

not in the form of Global Securities. The Trustee shall be entitled to rely upon any order, direction or request of the Depository or its authorized representative which is given or made pursuant to this Article Two.

(4) Every Security authenticated and delivered upon registration of transfer of, or in exchange for or in lieu of, a Global Security or any portion thereof, whether pursuant to this Article Two or otherwise, shall be authenticated and delivered in the form of, and shall be, a registered Global Security, unless such Security is registered in the name of a Person other than the Depository for such Global Security or a nominee thereof, in which case such Registered Security shall be authenticated and delivered in definitive, fully registered form, without interest coupons.

(5) The Depository or its nominee, as registered owner of a Global Security, shall be the Holder of such Global Security for all purposes under the Indenture and the Registered Securities, and owners of beneficial interests in a Global Security shall hold such interests pursuant to the Applicable Procedures. Accordingly, any such owner's beneficial interest in a Global Security shall be shown only on, and the transfer of such interest shall be effected only through, records maintained by the Depository or its nominee or its Agent Members, and such owners of beneficial interests in a Global Security shall not be considered the owners or holders thereof.

(b) TEMPORARY SECURITIES

Pending the preparation of definitive Securities, the Company may execute, and upon Company Order the Trustee shall authenticate and make available for delivery, temporary Securities which are printed, lithographed, typewritten, mimeographed or otherwise produced, in any authorized denomination, substantially of the tenor of the definitive Registered Securities in lieu of which they are issued and with such appropriate insertions, omissions, substitutions and

-20-

other variations as the officers executing such Registered Securities may determine, as evidenced by their execution of such Securities.

If temporary Securities are issued, the Company shall cause definitive Securities to be prepared without unreasonable delay. After the preparation of definitive Securities, the temporary Securities shall be exchangeable for definitive Securities upon surrender of the temporary Securities at any office or agency of the Company designated pursuant to Section 8.2, without charge to the Holder. Upon surrender for cancellation of any one or more temporary Securities, the Company shall execute and the Trustee shall authenticate and make available for delivery in exchange therefor a like principal amount of definitive Securities of authorized denominations. Until so exchanged, the temporary Securities shall in all respects be entitled to the same benefits under this Indenture as definitive Securities.

SECTION 2.6 REGISTRATION, REGISTRATION OF TRANSFER AND EXCHANGE; RESTRICTIONS ON TRANSFER.

(a) The Company shall cause to be kept at the Corporate Trust Office a register (the register maintained in such office and in any other office or agency of the Company designated pursuant to Section 8.2 being herein sometimes collectively referred to as the "SECURITY REGISTER") in which, subject to such reasonable regulations as it may prescribe, the Company shall provide for the registration of Registered Securities and of transfers of Registered Securities. The Trustee is hereby appointed "SECURITY REGISTRAR" for the purpose of registering Registered Securities and transfers and exchanges of Registered Securities as herein provided.

Upon surrender for registration of transfer of any Security at an office or agency of the Company designated pursuant to Section 8.2 for such purpose, the Company shall execute, and the Trustee shall authenticate and deliver, in the name of the designated transferee or transferees, one or more new Securities of any authorized denominations and of a like aggregate principal amount and bearing such restrictive legends as may be required by this

Indenture.

At the option of the Holder, and subject to the other provisions of this Section 2.6, Securities may be exchanged for other Securities of any authorized denomination and of a like aggregate principal amount, upon surrender of the Securities to be exchanged at any such office or agency. Whenever any Securities are so surrendered for exchange, and subject to the other provisions of this Section 2.6, the Company shall execute, and the Trustee shall authenticate and make available for delivery, the Securities the Holder making the exchange is entitled to receive. Every Security presented or surrendered for registration of transfer or for exchange shall (if so required by the Company or the Security Registrar) be duly endorsed, or be accompanied by a written instrument of transfer in form satisfactory to the Company and the Security Registrar, duly executed by the Holder thereof or his attorney duly authorized in writing.

All Securities issued upon any registration of transfer or exchange of Securities shall be the valid obligations of the Company, evidencing the same debt, subject to the other provisions of this Section 2.6, and entitled to the same benefits under this Indenture, as the Securities surrendered upon such registration of transfer or exchange.

-21-

No service charge shall be made for any registration of transfer or exchange of Securities except as provided in Section 2.7, but the Company may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any registration of transfer or exchange of Securities, other than exchanges pursuant to Section 2.5, 7.5, 9.8, 10.2 or 12.3(e) (other than where the shares of Common Stock are to be issued or delivered in a name other than that of the Holder of the Security) not involving any transfer and other than any stamp and other duties, if any, that may be imposed in connection with any such transfer or exchange by the United States or any political subdivision thereof or therein, which shall be paid by the Company.

In the event of a redemption of the Securities, the Company shall not be required (1) to register the transfer of or exchange Securities for a period of 15 days immediately preceding the date notice is given identifying the serial numbers of the Securities called for such redemption or (2) to register the transfer of or exchange any Security, or portion thereof, called for redemption.

(b) RESTRICTED SECURITIES LEGENDS. All Securities shall bear the applicable Restricted Securities Legend subject to the following:

(1) subject to the following clauses of this Section 2.6(b), a Security or any portion thereof that is exchanged, upon transfer or otherwise, for a Global Security or any portion thereof shall bear the Restricted Securities Legend borne by such Global Security while represented thereby;

(2) subject to the following clauses of this Section 2.6(b), a new Security that is not a Global Security and is issued in exchange for another Security (including a Global Security) or any portion thereof, upon transfer or otherwise, shall bear the Restricted Securities Legend borne by such other Security;

(3) any Securities that are sold or otherwise disposed of pursuant to an effective registration statement under the Securities Act (including the Shelf Registration Statement), together with their Successor Securities, shall not bear a Restricted Securities Legend; the Company shall inform the Trustee in writing of the effective date of any such registration statement registering the Securities under the Securities Act and shall notify the Trustee at any time when prospectuses may not be delivered with respect to Securities to be sold pursuant to such registration statement. The Trustee shall not be liable for any action taken or omitted to be taken by it in good faith in accordance with the aforementioned registration statement;

(4) at any time after the Securities may be freely transferred without registration under the Securities Act or without being subject

to transfer restrictions pursuant to the Securities Act, a new Security that does not bear a Restricted Securities Legend may be issued in exchange for or in lieu of a Security (other than a Global Security) or any portion thereof that bears such a legend if the Trustee has received a certificate regarding the unrestricted nature of the Securities, satisfactory to the Trustee and duly executed by the Holder of such legended Security or his attorney duly authorized in writing, and after such date and receipt of such certificate, the Trustee shall

-22-

authenticate and make available for delivery such a new Security in exchange for or in lieu of such other Security as provided in this Article Two;

(5) a new Security that does not bear a Restricted Securities Legend may be issued in exchange for or in lieu of a Security (other than a Global Security) or any portion thereof that bears such a legend if, in the Company's judgment, placing such a legend upon such new Security is not necessary to ensure compliance with the registration requirements of the Securities Act, and the Trustee, at the direction of the Company, shall authenticate and make available for delivery such a new Security as provided in this Article Two; and

(6) notwithstanding the foregoing provisions of this Section 2.6(b), a Successor Security of a Security that does not bear a particular form of Restricted Securities Legend shall not bear such form of legend unless the Company has reasonable cause to believe that such Successor Security is a "restricted security" within the meaning of Rule 144, in which case the Trustee, at the direction of the Company, shall authenticate and make available for delivery a new Security bearing a Restricted Securities Legend in exchange for such Successor Security as provided in this Article Two.

(c) Neither the Trustee, the Paying Agent nor any of their agents shall (1) have any duty to monitor compliance with or with respect to any federal or state or other securities or tax laws or (2) have any duty to obtain documentation on any transfers or exchanges other than as specifically required hereunder.

SECTION 2.7 MUTILATED, DESTROYED, LOST OR STOLEN SECURITIES.

If any mutilated Security is surrendered to the Trustee, the Company shall execute and the Trustee shall authenticate and make available for delivery in exchange therefor a new Security of like tenor and principal amount and bearing a number not contemporaneously outstanding.

If there be delivered to the Company and to the Trustee:

(a) evidence to their satisfaction of the destruction, loss or theft of any Security, and

(b) such security or indemnity as may be satisfactory to the Company and the Trustee to save each of them and any agent of either of them harmless,

then, in the absence of actual notice to the Company or the Trustee that such Security has been acquired by a bona fide purchaser, the Company shall execute and the Trustee shall authenticate and make available for delivery, in lieu of any such destroyed, lost or stolen Security, a new Security of like tenor and principal amount and bearing a number not contemporaneously outstanding.

In case any such mutilated, destroyed, lost or stolen Security has become or is about to become due and payable, the Company in its discretion, but subject to any conversion

-23-

rights, may, instead of issuing a new Security, pay such Security, upon satisfaction of the conditions set forth in the preceding paragraph.

Upon the issuance of any new Security under this Section 2.7, the Company may require the payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto (other than any stamp and other duties, if any, that may be imposed in connection therewith by the United States or any political subdivision thereof or therein, which shall be paid by the Company) and any other expenses (including the fees and expenses of the Trustee) connected therewith.

Every new Security issued pursuant to this Section 2.7 in lieu of any mutilated, destroyed, lost or stolen Security shall constitute an original additional contractual obligation of the Company, whether or not the mutilated, destroyed, lost or stolen Security shall be at any time enforceable by anyone, and such new Security shall be entitled to all the benefits of this Indenture equally and proportionately with any and all other Securities duly issued hereunder.

The provisions of this Section 2.7 are exclusive and shall preclude (to the extent lawful) all other rights and remedies of any Holder with respect to the replacement or payment of mutilated, destroyed, lost or stolen Securities.

SECTION 2.8 PAYMENT OF INTEREST; INTEREST RIGHTS PRESERVED.

Interest on any Security that is payable, and is punctually paid or duly provided for, on any Interest Payment Date shall be paid to the Person in whose name that Security (or one or more Predecessor Securities) is registered at the close of business on the Regular Record Date for such interest.

Any interest on any Security that is payable, but is not punctually paid or duly provided for, on any Interest Payment Date ("DEFAULTED INTEREST") shall forthwith cease to be payable to the Holder on the relevant Regular Record Date by virtue of having been such Holder, and such Defaulted Interest may be paid by the Company, at its election in each case, as provided in clause (a) or (b) below:

(a) The Company may elect to make payment of any Defaulted Interest to the Persons in whose names the Securities (or their respective Predecessor Securities) are registered at the close of business on a Special Record Date for the payment of such Defaulted Interest, which shall be fixed in the following manner. The Company shall notify the Trustee in writing of the amount of Defaulted Interest proposed to be paid on each Security, the date of the proposed payment and the Special Record Date, and at the same time the Company shall deposit with the Trustee an amount of money equal to the aggregate amount proposed to be paid in respect of such Defaulted Interest or shall make arrangements satisfactory to the Trustee for such deposit prior to the date of the proposed payment, such money when deposited to be held in trust for the benefit of the Persons entitled to such Defaulted Interest as provided in this clause. The Special Record Date for the payment of such Defaulted Interest shall be not more than 15 days and not less than 10 days prior to the date of the proposed payment and not less than 15 days after the receipt by the Trustee of the notice of the proposed payment. The Trustee, in the name and at the expense of the Company, shall cause notice of the proposed payment of such

-24-

Defaulted Interest and the Special Record Date therefor to be mailed, first-class postage prepaid, to each Holder at such Holder's address as it appears in the Security Register, not less than 10 days prior to such Special Record Date. Notice of the proposed payment of such Defaulted Interest and the Special Record Date therefor having been so mailed, such Defaulted Interest shall be paid to the Persons in whose names the Securities (or their respective Predecessor Securities) are registered at the close of business on such Special Record Date and shall no longer be payable pursuant to the following clause (b).

(b) The Company may make payment of any Defaulted Interest in any other lawful manner not inconsistent with the requirements of any securities exchange on which the Securities may be listed, and upon such notice as may be required by such exchange, if, after notice given by the Company to the Trustee of the proposed payment pursuant to this clause, such manner of payment shall be deemed practicable by the Trustee.

Subject to the foregoing provisions of this Section 2.8 and Section

2.6, each Security delivered under this Indenture upon registration of transfer of or in exchange for or in lieu of any other Security shall carry the rights to interest accrued and unpaid, and to accrue, that were carried by such other Security.

Interest on any Security that is converted in accordance with Section 10.2 during a Record Date Period shall be payable in accordance with the provisions of Section 10.2.

SECTION 2.9 PERSONS DEEMED OWNERS.

Prior to due presentment of a Security for registration of transfer, the Company, the Trustee and any agent of the Company or the Trustee may treat the Person in whose name such Security is registered as the owner of such Security for the purpose of receiving payment of principal of, premium, if any, and (subject to Section 2.8) interest on such Security and for all other purposes whatsoever, whether or not such Security be overdue, and neither the Company, the Trustee nor any agent of the Company or the Trustee shall be affected by notice to the contrary.

SECTION 2.10 CANCELLATION.

All Securities surrendered for payment, redemption, repurchase, registration of transfer or exchange or conversion shall, if surrendered to any Person other than the Trustee, be delivered to the Trustee. All Securities so delivered to the Trustee shall be cancelled promptly by the Trustee. No Securities shall be authenticated in lieu of or in exchange for any Securities cancelled as provided in this Section 2.10. The Trustee shall dispose of all cancelled Securities in accordance with applicable law and its customary practices in effect from time to time.

SECTION 2.11 COMPUTATION OF INTEREST.

Interest on the Securities shall be computed on the basis of a 360-day year of twelve 30-day months.

-25-

SECTION 2.12 CUSIP NUMBERS.

The Company in issuing Securities may use "CUSIP" numbers (if then generally in use) in addition to serial numbers; the Trustee shall use such CUSIP numbers in addition to serial numbers in notices of redemption and repurchase as a convenience to Holders; provided, however, that any such notice may state that no representation is made as to the correctness of such CUSIP numbers either as printed on the Securities or as contained in any notice of a redemption or repurchase and that reliance may be placed only on the serial or other identification numbers printed on the Securities, and any such redemption or repurchase shall not be affected by any defect in or omission of such CUSIP numbers. The Company shall promptly notify the Trustee in writing of any change in any such CUSIP number.

ARTICLE THREE

SATISFACTION AND DISCHARGE

SECTION 3.1 SATISFACTION AND DISCHARGE OF INDENTURE.

This Indenture shall upon Company Request cease to be of further effect (except as to any surviving rights of conversion, or registration of transfer or exchange, or replacement of Securities herein expressly provided for and any right to receive Liquidated Damages as provided in the form of Securities attached hereto as Exhibit A and the Company's obligations to the Trustee pursuant to Section 5.7), and the Trustee, at the expense of the Company, shall execute proper instruments in form and substance satisfactory to the Trustee acknowledging satisfaction and discharge of this Indenture, when

(a) either

(1) all Securities theretofore authenticated and delivered (other than (A) Securities that have been destroyed, lost or stolen and that have been replaced or paid as provided in Section 2.7 and (B) Securities

for whose payment money has theretofore been irrevocably deposited in trust or segregated and held in trust by the Company and thereafter repaid to the Company or discharged from such trust, as provided in Section 8.3) have been delivered to the Trustee for cancellation; or

(2) all such Securities not theretofore delivered to the Trustee or its agent for cancellation (other than Securities referred to in clauses (A) and (B) of clause (a)(1) above)

(i) have become due and payable, or

(ii) will have become due and payable at their Stated Maturity within one year, or

(iii) are to be called for redemption within one year under arrangements satisfactory to the Trustee for the giving of notice of redemption by the Trustee in the name, and at the expense, of the Company,

-26-

and the Company, in the case of clause (i), (ii) or (iii) above, has irrevocably deposited or caused to be irrevocably deposited with the Trustee as trust funds (immediately available to the Holders in the case of clause (i) above) an amount sufficient to pay and discharge the entire principal, premium, if any, interest and Liquidated Damages, if any, on such Securities not theretofore delivered to the Trustee for cancellation, to the date of such deposit (in the case of Securities that have become due and payable) or to the Stated Maturity or Redemption Date, as the case may be;

(b) the Company has paid or caused to be paid all other sums payable hereunder by the Company; and

(c) the Company has delivered to the Trustee an Officers' Certificate stating that all conditions precedent herein provided for relating to the satisfaction and discharge of this Indenture have been complied with.

Notwithstanding the satisfaction and discharge of this Indenture, the obligations of the Company to the Trustee under Section 5.7, the obligations of the Company to any Authenticating Agent under Section 5.12, the obligation of the Company to pay Liquidated Damages, if money shall have been deposited with the Trustee pursuant to clause (a)(2) of this Section 3.1, the obligations of the Trustee under Section 3.2 and the last paragraph of Section 8.3, and the obligations of the Company and the Trustee under Section 2.6 and Article Ten shall survive. Funds held in trust pursuant to this Section 3.1 are not subject to the provisions of Article Eleven.

In the event that the Company is required to pay Liquidated Damages to the Holders pursuant to the Registration Rights Agreement, the Company will provide written notice ("Liquidated Damages Notice") to the Trustee of its obligation to pay Liquidated Damages no later than 15 days prior to the proposed payment date for the Liquidated Damages, and the Liquidated Damages Notice shall set forth the amount of Liquidated Damages to be paid by the Company on such payment date. The Trustee shall not at any time be under any duty or responsibility to any Holder to determine the Liquidated Damages or with respect to the nature, extent or calculation of the amount of Liquidated Damages when made, or with respect to the method employed in such calculation of the Liquidated Damages. Unless the Trustee receives a Liquidated Damages Notice from the Company within the time period specified above or otherwise from a Holder of the Securities, the Trustee is entitled to assume that no Liquidated Damages are due and payable.

SECTION 3.2 APPLICATION OF TRUST MONEY.

Subject to the provisions of the last paragraph of Section 8.3, all money deposited with the Trustee pursuant to Section 3.1 shall be held in trust and applied by it, in accordance with the provisions of the Securities and this Indenture, to the payment, either directly or through any Paying Agent (including the Company acting as its own Paying Agent), to the Persons entitled thereto, of the principal, premium, if any, Liquidated Damages, if any, and interest for whose payment such money has been deposited with the Trustee.

All moneys deposited with the Trustee pursuant to Section 3.1 (and held by it or any Paying Agent) for the payment of Securities subsequently converted shall be returned to the Company upon Company Request.

ARTICLE FOUR

REMEDIES

SECTION 4.1 EVENTS OF DEFAULT.

"EVENT OF DEFAULT," wherever used herein, means any one of the following events (whatever the reason for such Event of Default and whether it shall be occasioned by the provisions of Article Eleven or be voluntary or involuntary or be effected by operation of law or pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body):

(a) default in the payment of the principal of or premium, if any, on any Security at its Maturity, whether or not the such payment is prohibited by the subordination provisions of this Indenture; or

(b) default in the payment of any interest if any (including Liquidated Damages, if any), upon any Security when it becomes due and payable, and continuance of such default or breach for a period of 30 days, whether or not such payment is prohibited by the subordination provisions of this Indenture; or

(c) failure by the Company to give the Company Notice in accordance with Section 12.3, whether or not such notice is prohibited by the subordination provisions of this Indenture; or

(d) default in the performance, or breach, of any covenant of the Company in this Indenture (other than a covenant a default in the performance or breach of which is specifically dealt with elsewhere in this Section 4.1), and continuance of such default or breach for a period of 60 days after there has been given, by registered or certified mail, to the Company by the Trustee or to the Company and the Trustee by the Holders of at least 25% in aggregate principal amount of the Outstanding Securities, a written notice specifying such default or breach and requiring it to be remedied and stating that such notice is a "NOTICE OF DEFAULT" hereunder; or

(e) default in the payment by the end of any applicable grace period, if any, after maturity of the principal of any indebtedness under any bond, debenture, note or other evidence of indebtedness for money borrowed by the Company or any Significant Subsidiary with a principal amount then outstanding in excess of U.S. \$10,000,000, whether such indebtedness now exists or shall hereafter be created, if the indebtedness is not discharged, or if such indebtedness has been accelerated, such acceleration is not rescinded or annulled, within a period of 30 days after there shall have been given, by registered or certified mail, to the Company by the Trustee or to the Company and the Trustee by the Holders of at least 25% in principal amount of the Outstanding Securities a written notice specifying such default and

requiring the Company to cause such indebtedness to be discharged or such acceleration to be rescinded or annulled and stating that such notice is a "Notice of Default" hereunder; or

(f) the entry by a court having jurisdiction in the premises of (1) a decree or order for relief in respect of the Company or any Significant Subsidiary in an involuntary case or proceeding under any applicable federal or state bankruptcy, insolvency, reorganization or other similar law or (2) a decree or order adjudging the Company or any Significant Subsidiary a bankrupt or insolvent, or approving as properly filed a petition seeking reorganization, arrangement, adjustment or composition of or in respect of the Company or any Significant Subsidiary under any applicable federal or state law, or appointing

a custodian, receiver, liquidator, assignee, trustee, sequestrator or other similar official of the Company or any Significant Subsidiary or of any substantial part of its property, or ordering the winding up or liquidation of its affairs, and the continuance of any such decree or order for relief or any such other decree or order unstayed and in effect for a period of 60 consecutive days; or

(g) the commencement by the Company or any Significant Subsidiary of a voluntary case or proceeding under any applicable federal or state bankruptcy, insolvency, reorganization or other similar law or of any other case or proceeding to be adjudicated a bankrupt or insolvent, or the consent by it to the entry of a decree or order for relief in respect of the Company or any Significant Subsidiary in an involuntary case or proceeding under any applicable federal or state bankruptcy, insolvency, reorganization or other similar law or to the commencement of any bankruptcy or insolvency case or proceeding against it, or the filing by it of a petition or answer or consent seeking reorganization or similar relief under any applicable federal or state law, or the consent by it to the filing of such petition or to the appointment of or taking possession by a custodian, receiver, liquidator, assignee, trustee, sequestrator or other similar official of the Company or any Significant Subsidiary or of any substantial part of its property, or the making by it of an assignment for the benefit of creditors, or the admission by it in writing of its inability to pay its debts generally as they become due, or the taking of corporate action by the Company or any Significant Subsidiary in furtherance of any such action; or

(h) failure by the Company to deliver Conversion Shares, together with cash in lieu of fractional shares, when such Conversion Shares or cash in lieu of fractional shares are required to be delivered upon conversion of a security, and such failure continues for 10 days after such required delivery date.

SECTION 4.2 ACCELERATION OF MATURITY; RESCISSION AND ANNULMENT.

If an Event of Default (other than an Event of Default specified in Section 4.1(f) or 4.1(g)) occurs and is continuing, then in every such case the Trustee or the Holders of not less than 25% in principal amount of the Outstanding Securities may declare the principal of all the Securities to be due and payable immediately, by a notice in writing to the Company (and to the Trustee if given by the Holders), and upon any such declaration, such principal and all accrued interest thereon shall become immediately due and payable. If an Event of Default specified in Section 4.1(f) or 4.1(g) occurs, the principal of, and accrued interest on, all the Securities shall ipso facto become immediately due and payable without any declaration or other Act of the Holder or any act on the part of the Trustee.

-29-

At any time after such declaration of acceleration has been made and before a judgment or decree for payment of the money due has been obtained by the Trustee as hereinafter in this Article Four provided, the Holders of a majority in principal amount of the Outstanding Securities, by written notice to the Company and the Trustee, may rescind and annul such declaration and its consequences if:

(a) the Company has paid or irrevocably deposited with the Trustee a sum sufficient to pay

(1) all overdue interest and Liquidated Damages, if any, on all Securities,

(2) the principal of and premium, if any, on any Securities that have become due otherwise than by such declaration of acceleration and any interest thereon at the rate borne by the Securities,

(3) to the extent permitted by applicable law, interest upon overdue interest at the rate then in effect, and

(4) all sums paid or advanced by the Trustee hereunder and the reasonable compensation, expenses, disbursements and advances of the

Trustee, its agents and its counsel; and

(b) all Events of Default, other than the non-payment of the principal of, and any premium and interest on, Securities that have become due solely by such declaration of acceleration, have been cured or waived as provided in Section 4.13.

No rescission or annulment referred to above shall affect any subsequent default or impair any right consequent thereon.

SECTION 4.3 COLLECTION OF INDEBTEDNESS AND SUITS FOR ENFORCEMENT BY TRUSTEE.

The Company covenants that if:

(a) default is made in the payment of any interest or Liquidated Damages on any Security when it becomes due and payable and such default continues for a period of 30 days, or

(b) default is made in the payment of the principal of or premium, if any, on any Security at the Maturity thereof,

the Company will upon demand of the Trustee pay to it, for the benefit of the Holders of such Securities, the whole amount then due and payable on such Securities for principal, premium, if any, Liquidated Damages, if any, and interest on any overdue principal, premium, if any, Liquidated Damages, if any, and, to the extent permitted by applicable law, on any overdue interest at the rate then in effect, and in addition thereto, such further amount as shall be sufficient to cover the reasonable costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and its counsel.

-30-

If the Company fails to pay such amounts forthwith upon such demand, the Trustee, in its own name and as trustee of an express trust, may institute a judicial proceeding for the collection of the sums so due and unpaid, may prosecute such proceeding to judgment or final decree and may enforce the same against the Company or any other obligor upon the Securities and collect the moneys adjudged or decreed to be payable in the manner provided by law out of the property of the Company or any other obligor upon the Securities, wherever situated.

If an Event of Default occurs and is continuing, the Trustee may in its discretion proceed to protect and enforce its rights and the rights of the Holders of Securities by such appropriate judicial proceedings as the Trustee shall deem most effective to protect and enforce any such rights, whether for the specific enforcement of any covenant or agreement in this Indenture or in aid of the exercise of any power granted herein, or to enforce any other proper remedy.

SECTION 4.4 TRUSTEE MAY FILE PROOFS OF CLAIM.

In case of the pendency of any receivership, insolvency, liquidation, bankruptcy, reorganization, arrangement, adjustment, composition or other judicial proceeding relating to the Company or any other obligor upon the Securities or the property of the Company or of such other obligor or the creditors of either, the Trustee (whether or not the principal of, and any interest on, the Securities shall then be due and payable as therein expressed or by declaration or otherwise and whether or not the Trustee shall have made any demand on the Company for the payment of overdue principal or interest) shall be entitled and empowered, by intervention in such proceeding or otherwise,

(a) to file and prove a claim for the whole amount of principal, premium, if any, Liquidated Damages, if any, and interest owing and unpaid in respect of the Securities and take such other actions, including participating as a member, voting or otherwise, of any official committee of creditors appointed in such matter, and to file such other papers or documents, in each of the foregoing cases, as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and its counsel)

and of the Holders of Securities allowed in such judicial proceeding, and

(b) to collect and receive any moneys or other property payable or deliverable on any such claim and to distribute the same; and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Holder of Securities to make such payments to the Trustee and, in the event that the Trustee shall consent to the making of such payments directly to the Holders of Securities, to pay to the Trustee any amount due to it for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and its counsel and any other amounts due the Trustee under Section 5.7.

Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holder of a Security any plan of reorganization, arrangement, adjustment or composition affecting the Securities or the rights of any Holder

-31-

thereof or to authorize the Trustee to vote in respect of the claim of any Holder of a Security in any such proceeding; provided, however, that the Trustee may, on behalf of such Holders, vote for the election of a trustee in bankruptcy or similar official.

SECTION 4.5 TRUSTEE MAY ENFORCE CLAIMS WITHOUT POSSESSION OF SECURITIES.

All rights of action and claims under this Indenture or the Securities may be prosecuted and enforced by the Trustee without the possession of any of the Securities or the production thereof in any proceeding relating thereto, and any such proceeding instituted by the Trustee shall be brought in its own name as trustee of an express trust, and any recovery of judgment shall, after provision for the payment of the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and its counsel, be for the ratable benefit of the Holders of the Securities in respect of which judgment has been recovered.

SECTION 4.6 APPLICATION OF MONEY COLLECTED.

Subject to Article Eleven, any money collected by the Trustee pursuant to this Article Four shall be applied in the following order, at the date or dates fixed by the Trustee and, in case of the distribution of such money on account of principal, premium, if any, or interest, upon presentation of the Securities and the notation thereon of the payment if only partially paid and upon surrender thereof if fully paid:

FIRST: To the payment of all amounts due the Trustee under Section 5.7;

SECOND: To the payment of the amounts then due and unpaid for principal of, premium, if any, Liquidated Damages, if any, or interest on, the Securities in respect of which or for the benefit of which such money has been collected, ratably, without preference or priority of any kind, according to the amounts due and payable on such Securities for principal, premium, if any, Liquidated Damages, if any, and interest, respectively; and

THIRD: Any remaining amounts shall be repaid to the Company.

SECTION 4.7 LIMITATION ON SUITS.

No Holder of any Security shall have any right to institute any proceeding, judicial or otherwise, with respect to this Indenture, or for the appointment of a receiver or trustee, or for any other remedy hereunder, unless:

(a) such Holder has previously given written notice to the Trustee of a continuing Event of Default;

(b) the Holders of not less than 25% in principal amount of the Outstanding Securities shall have made written request to the Trustee to institute proceedings in respect of such Event of Default in its own name as Trustee hereunder;

(c) such Holder or Holders have offered to the Trustee reasonable indemnity against the costs, expenses and liabilities to be incurred in compliance with such request;

-32-

(d) the Trustee for 60 days after its receipt of such notice, request and offer of indemnity has failed to institute any such proceeding; and

(e) the Trustee has not received any direction inconsistent with such written request from the Holders of a majority of the aggregate principal amount of the Outstanding Securities during the 60 day period referred to in (d) above;

it being understood and intended that no one or more of such Holders shall have any right in any manner whatever by virtue of, or by availing of, any provision of this Indenture to affect, disturb or prejudice the rights of any other of such Holders, or to obtain or seek to obtain priority or preference over any other of such Holders or to enforce any right under this Indenture, except in the manner herein provided and for the equal and ratable benefit of all such Holders.

SECTION 4.8 UNCONDITIONAL RIGHT OF HOLDERS TO RECEIVE PRINCIPAL, PREMIUM AND INTEREST AND TO CONVERT.

Notwithstanding any other provision in this Indenture, the Holder of any Security shall have the right, which is absolute and unconditional, to receive payment of the principal of, premium, if any, and (subject to Section 2.8) interest (and Liquidated Damages, if any) on such Security on the respective Stated Maturities expressed in such Security (or, in the case of redemption or repurchase, on the Redemption Date or Repurchase Date, as the case may be), and to convert such Security in accordance with Article Ten, and to institute suit for the enforcement of any such payment and right to convert, and such rights shall not be impaired without the consent of such Holder.

SECTION 4.9 RESTORATION OF RIGHTS AND REMEDIES.

If the Trustee or any Holder of a Security has instituted any proceeding to enforce any right or remedy under this Indenture and such proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Trustee or to such Holder, then and in every such case, subject to any determination in such proceeding, the Company, the Trustee and the Holders of Securities shall be restored severally and respectively to their former positions hereunder and thereafter all rights and remedies of the Trustee and such Holders shall continue as though no such proceeding had been instituted.

SECTION 4.10 RIGHTS AND REMEDIES CUMULATIVE.

Except as otherwise provided with respect to the replacement or payment of mutilated, destroyed, lost or stolen Securities in the last paragraph of Section 2.7, no right or remedy herein conferred upon or reserved to the Trustee or to the Holders of Securities is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

-33-

SECTION 4.11 DELAY OR OMISSION NOT WAIVER.

No delay or omission of the Trustee or of any Holder of any Security to exercise any right or remedy accruing upon any Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or any acquiescence therein. Every right and remedy given by this Article Four or by law to the Trustee or to the Holders of Securities may be exercised from time to time, and as often as may be deemed expedient, by the Trustee or (subject to

the limitations contained in this Indenture) by the Holders of Securities, as the case may be.

SECTION 4.12 CONTROL BY HOLDERS OF SECURITIES.

The Holders of a majority in principal amount of the Outstanding Securities shall have the right to direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or exercising any trust or power conferred on the Trustee, provided that

(a) such direction shall not be in conflict with any rule of law or with this Indenture, and

(b) the Trustee may take any other action deemed proper by the Trustee that is not inconsistent with such direction.

SECTION 4.13 WAIVER OF PAST DEFAULTS.

The Holders, either (a) through the written consent of not less than a majority in principal amount of the Outstanding Securities or (b) by the adoption of a resolution, at a meeting of Holders of the Outstanding Securities at which a quorum is present, by the Holders of at least a majority in principal amount of the Outstanding Securities represented at such meeting, may on behalf of the Holders of all the Securities waive any past default hereunder and its consequences, except a default (1) in the payment of the principal of, premium, if any, interest, the Repurchase Price or Liquidated Damages, if any, on any Security or (2) in respect of a covenant or provision hereof that under Article Seven cannot be modified or amended without the consent of the Holder of each Outstanding Security affected.

Upon any such waiver, such default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured, for every purpose of this Indenture; but no such waiver shall extend to any subsequent or other default or impair any right consequent thereon.

SECTION 4.14 UNDERTAKING FOR COSTS.

All parties to this Indenture agree, and each Holder of any Security by his acceptance thereof shall be deemed to have agreed, that any court may in its discretion require, in any suit for the enforcement of any right or remedy under this Indenture, or in any suit against the Trustee for any action taken, suffered or omitted by it as Trustee, the filing by any party litigant in such suit of an undertaking to pay the costs of such suit, and that such court may in its discretion assess reasonable costs, including reasonable attorneys' fees and expenses, against any party litigant in such suit, having due regard to the merits and good faith of the claims or defenses made by such party litigant; but the provisions of this Section 4.14 shall not apply to

-34-

any suit instituted by the Company, to any suit instituted by the Trustee, to any suit instituted by any Holder, or group of Holders, holding in the aggregate more than 10% in principal amount of the Outstanding Securities, or to any suit instituted by any Holder of any Security for the enforcement of the payment of the principal of, premium, if any, Liquidated Damages, if any, or interest on any Security on or after the respective Stated Maturity or Maturities expressed in such Security (or, in the case of redemption or repurchase, on or after the Redemption Date or Repurchase Date, as the case may be) or for the enforcement of the right to convert any Security in accordance with Article Ten.

SECTION 4.15 WAIVER OF STAY, USURY OR EXTENSION LAWS.

The Company covenants (to the extent that it may lawfully do so) that it will not at any time insist upon, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay, usury or extension law wherever enacted, now or at any time hereafter in force, that may affect the covenants or the performance of this Indenture; and the Company (to the extent that it may lawfully do so) hereby expressly waives all benefit or advantage of any such law and covenants that it will not hinder, delay or impede by reason of such law the execution of any power herein granted to the Trustee but will suffer and permit the execution of every such power as though no such law had been enacted.

ARTICLE FIVE

THE TRUSTEE

SECTION 5.1 CERTAIN DUTIES AND RESPONSIBILITIES.

(a) Except during the continuance of an Event of Default,

(1) the Trustee undertakes to perform such duties and only such duties as are specifically set forth in this Indenture, and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(2) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee pursuant to the requirements of this Indenture; but in the case of any such certificates or opinions that by any provision hereof are specifically required to be furnished to the Trustee, the Trustee shall be under a duty to examine the same to determine whether or not they conform to the procedural requirements of this Indenture but not to verify the contents thereof.

(b) In case an Event of Default has occurred and is continuing, the Trustee shall exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in their exercise, as a prudent man would exercise or use under the circumstances in the conduct of his own affairs.

(c) No provision of this Indenture shall be construed to relieve the Trustee from liability for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that

-35-

(1) this paragraph (c) shall not be construed to limit the effect of paragraph (a) of this Section 5.1;

(2) the Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer, unless it shall be proved that the Trustee was negligent in ascertaining the pertinent facts;

(3) the Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the Holders of a majority in principal amount of the Outstanding Securities relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee, under this Indenture; and

(4) no provision of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers, if it shall have reasonable grounds for believing that repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it.

(d) Whether or not therein expressly so provided, every provision of this Indenture relating to the conduct or affecting the liability of or affording protection to the Trustee shall be subject to the provisions of this Section 5.1.

SECTION 5.2 NOTICE OF DEFAULTS.

Within 90 days after the occurrence of any default hereunder as to which a Responsible Officer of the Trustee has actually received written notice, the Trustee shall give to all Holders of Securities, in the manner provided in Section 1.6, notice of such default, unless such default shall have been cured or waived; provided, however, that, except in the case of a default in the payment of the principal of, premium, if any, or interest on any Security, the

Trustee shall be protected in withholding such notice if and so long as the board of directors, the executive committee or a trust committee of directors or Responsible Officers of the Trustee in good faith determine that the withholding of such notice is in the interest of the Holders. For the purpose of this Section 5.2, the term "default" means any event that is, or after notice or lapse of time or both would become, an Event of Default.

SECTION 5.3 CERTAIN RIGHTS OF TRUSTEE.

(a) Subject to the provisions of Section 5.1:

(1) the Trustee may rely and shall be protected in acting or refraining from acting upon any resolution, Officers' Certificate, other certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note, coupon, other evidence of indebtedness or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties;

-36-

(2) any request or direction of the Company mentioned herein shall be sufficiently evidenced by a Company Request or Company Order and any resolution of the Board of Directors shall be sufficiently evidenced by a Board Resolution;

(3) whenever in the administration of this Indenture the Trustee shall deem it desirable that a matter be proved or established prior to taking, suffering or omitting any action hereunder, the Trustee (unless other evidence be herein specifically prescribed) may, in the absence of bad faith on its part, rely upon an Officers' Certificate;

(4) the Trustee may consult with counsel of its selection and the advice of such counsel or any Opinion of Counsel shall be full and complete authorization and protection in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon;

(5) the Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of any of the Holders of Securities pursuant to this Indenture, unless such Holders shall have offered to the Trustee reasonable security or indemnity against the costs, expenses and liabilities that might be incurred by it in compliance with such request or direction;

(6) the Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note, coupon, other evidence of indebtedness or other paper or document, but the Trustee may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled to examine the books, records and premises of the Company, personally or by agent or attorney; and

(b) the Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents or attorneys, and the Trustee shall not be responsible for any misconduct or negligence on the part of any agent or attorney appointed with due care by it hereunder.

SECTION 5.4 NOT RESPONSIBLE FOR RECITALS OR ISSUANCE OF SECURITIES.

The recitals contained herein and in the Securities (except the Trustee's certificates of authentication) shall be taken as the statements of the Company, and the Trustee assumes no responsibility for their correctness. The Trustee makes no representations as to the validity or sufficiency of this Indenture, of the Securities or of the Common Stock issuable upon the conversion of the Securities. The Trustee shall not be accountable for the use or application by the Company of Securities or the proceeds thereof.

SECTION 5.5 MAY HOLD SECURITIES, ACT AS TRUSTEE UNDER OTHER INDENTURES.

The Trustee, any Authenticating Agent, any Paying Agent, any Conversion Agent or any other agent of the Company or the Trustee, in its individual or any other capacity, may become the owner or pledgee of Securities and may otherwise deal with the Company with the

-37-

same rights it would have if it were not Trustee, Authenticating Agent, Paying Agent, Conversion Agent or such other agent.

The Trustee may become and act as trustee under other indentures under which other securities, or certificates of interest or participation in other securities, of the Company are outstanding in the same manner as if it were not Trustee hereunder.

SECTION 5.6 MONEY HELD IN TRUST.

Money held by the Trustee in trust hereunder need not be segregated from other funds except to the extent required by law. The Trustee shall be under no liability for interest on any money received by it hereunder, except as otherwise agreed in writing with the Company.

SECTION 5.7 COMPENSATION AND REIMBURSEMENT.

The Company agrees

(a) to pay to the Trustee from time to time such reasonable compensation as the Company and the Trustee shall from time to time agree in writing for all services rendered by it hereunder (which compensation shall not be limited by any provision of law in regard to the compensation of a trustee of an express trust);

(b) Except as otherwise expressly provided herein, to reimburse the Trustee upon its request for all reasonable expenses, disbursements and advances incurred or made by the Trustee in accordance with any provision of this Indenture (including the reasonable compensation and the expenses and disbursements of its agents and counsel), except any such expense, disbursement or advance as may be attributable to its negligence or bad faith; and

(c) to indemnify the Trustee (and its directors, officers, employees and agents) for, and to hold it harmless against, any and all loss, damage, claim, liability or expense, including taxes (other than taxes based on the income of the Trustee), incurred without negligence, bad faith or willful misconduct on its part, arising out of or in connection with the acceptance or administration of this trust, including the reasonable costs, expenses and reasonable attorneys' fees of defending itself against any claim or liability in connection with the exercise or performance of any of its powers or duties hereunder.

When the Trustee incurs expenses or renders services in connection with an Event of Default specified in Section 4.1(f) or Section 4.1(g) with respect to the Company, the expenses (including the reasonable charges of its counsel) and the compensation for the services are intended to constitute expenses of the administration under any applicable federal or state bankruptcy, insolvency or other similar law.

The Trustee shall have a lien prior to the Securities as to all property and funds held by it hereunder for any amount owing it or any predecessor Trustee pursuant to this Section 5.7, except with respect to funds held in trust for the benefit of the Holders of particular Securities.

-38-

The provisions of this Section 5.7 shall survive the termination of this Indenture or the earlier resignation or removal of the Trustee.

SECTION 5.8 CORPORATE TRUSTEE REQUIRED; ELIGIBILITY.

There shall at all times be a Trustee hereunder which shall be a Person that is eligible pursuant to the Trust Indenture Act to act as such,

having a combined capital and surplus (or for such purposes, the combined capital and surplus of any parent holding company) of at least U.S. \$25,000,000, subject to supervision or examination by federal or state authority, in good standing and having an established place of business or agency in the Borough of Manhattan, The City of New York. If such corporation publishes reports of condition at least annually, pursuant to law or to the requirements of said supervising or examining authority, then for the purposes of this Section 5.8, the combined capital and surplus of such corporation shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. If at any time the Trustee shall cease to be eligible in accordance with the provisions of this Section 5.8, it shall resign immediately in the manner and with the effect hereinafter specified in this Article and a successor shall be appointed pursuant to Section 5.9.

SECTION 5.9 RESIGNATION AND REMOVAL; APPOINTMENT OF SUCCESSOR.

(a) No resignation or removal of the Trustee and no appointment of a successor Trustee pursuant to this Article shall become effective until the acceptance of appointment by the successor Trustee in accordance with the applicable requirements of Section 5.10.

(b) The Trustee may resign at any time by giving written notice thereof to the Company. If the instrument of acceptance by a successor Trustee required by Section 5.10 shall not have been delivered to the Trustee within 30 days after the giving of such notice of resignation, the resigning Trustee or the Company may petition any court of competent jurisdiction for the appointment of a successor Trustee.

(c) The Trustee may be removed at any time by Act of the Holders of a majority in principal amount of the Outstanding Securities, delivered to the Trustee and the Company. If the instrument of acceptance by a successor Trustee required by Section 5.10 shall not have been delivered to the Trustee within 30 days after the giving of such notice of removal, the removed Trustee or the Company may petition any court of competent jurisdiction for the appointment of a successor Trustee.

(d) If at any time:

(1) the Trustee shall cease to be eligible under Section 5.8 and shall fail to resign after written request therefor by the Company or by any Holder of a Security who has been a bona fide Holder of a Security for at least six months, or

(2) the Trustee shall become incapable of acting or shall be adjudged a bankrupt or insolvent or a receiver of the Trustee or of its property shall be appointed or any public officer shall take charge or control of the Trustee or of its property or affairs for the purpose of rehabilitation, conservation or liquidation,

-39-

then, (i) in any such case the Company may remove the Trustee, or (ii) in the case of clause (d)(1) above only and subject to Section 4.14, any Holder of a Security who has been a bona fide Holder of a Security for at least six months may, on behalf of himself and all others similarly situated, petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

(e) If the Trustee shall resign, be removed or become incapable of acting, or if a vacancy shall occur in the office of Trustee for any cause, the Company shall promptly appoint a successor Trustee and shall comply with the applicable requirements of this Section 5.9 and Section 5.10. If, within one year after such resignation, removal or incapability, or occurrence of such vacancy, a successor Trustee shall be appointed by Act of the Holders of a majority in principal amount of the Outstanding Securities delivered to the Company and the retiring Trustee, the successor Trustee so appointed shall, forthwith upon its acceptance of such appointment in accordance with the applicable requirements of Section 5.10, become the successor Trustee and supersede the successor Trustee appointed by the Company. If no successor Trustee shall have been so appointed by the Company or the Holders of Securities and accepted appointment in the manner required by this Section 5.9 and Section

5.10, any Holder of a Security who has been a bona fide Holder of a Security for at least six months may, on behalf of himself and all others similarly situated, petition any court of competent jurisdiction for the appointment of a successor Trustee.

(f) The successor Trustee shall give notice of each resignation and each removal of the Trustee and each appointment of a successor Trustee to all Holders of Securities in the manner provided in Section 1.6. Each notice shall include the name of the successor Trustee and the address of its Corporate Trust Office.

SECTION 5.10 ACCEPTANCE OF APPOINTMENT BY SUCCESSOR.

Every successor Trustee appointed hereunder shall execute, acknowledge and deliver to the Company and to the retiring Trustee an instrument accepting such appointment, and thereupon the resignation or removal of the retiring Trustee shall become effective and such successor Trustee, without any further act, deed or conveyance, shall become vested with all the rights, powers, trusts and duties of the retiring Trustee. Such retiring Trustee shall, upon payment of its charges, promptly execute and deliver an instrument transferring to such successor Trustee all the rights, powers and trusts of the retiring Trustee and shall duly assign, transfer and deliver to such successor Trustee all property and money held by such retiring Trustee hereunder. Upon request of any such successor Trustee, the Company shall execute any and all instruments for more fully and certainly vesting in and confirming to such successor Trustee all such rights, powers and trusts.

No successor Trustee shall accept its appointment unless at the time of such acceptance such successor Trustee shall be eligible under this Article.

SECTION 5.11 MERGER, CONVERSION, CONSOLIDATION OR SUCCESSION TO BUSINESS.

Any corporation or association into which the Trustee may be merged or converted or with which it may be consolidated, or any corporation or association resulting from

-40-

any merger, conversion or consolidation to which the Trustee shall be a party, or any corporation or association succeeding to all or substantially all of the corporate trust business of the Trustee, shall be the successor of the Trustee hereunder (provided such corporation or association shall be otherwise eligible under this Article), without the execution or filing of any paper or any further act on the part of any of the parties hereto. In case any Securities shall have been authenticated, but not delivered, by the Trustee then in office, any successor by merger, conversion or consolidation to such authenticating Trustee may adopt such authentication and deliver the Securities so authenticated with the same effect as if such successor Trustee had itself authenticated such Securities.

SECTION 5.12 AUTHENTICATING AGENTS.

The Trustee may, with the consent of the Company, appoint an Authenticating Agent or Agents acceptable to the Company with respect to the Securities, which shall be authorized to act on behalf of the Trustee to authenticate Securities issued upon exchange or substitution pursuant to this Indenture.

Securities authenticated by an Authenticating Agent shall be entitled to the benefits of this Indenture and shall be valid and obligatory for all purposes as if authenticated by the Trustee hereunder, and every reference in this Indenture to the authentication and delivery of Securities by the Trustee or the Trustee's certificate of authentication shall be deemed to include authentication and delivery on behalf of the Trustee by an Authenticating Agent and a certificate of authentication executed on behalf of the Trustee by an Authenticating Agent. Each Authenticating Agent shall be subject to acceptance by the Company and shall at all times be a corporation or association organized and doing business under the laws of the United States of America, any state thereof or the District of Columbia, authorized under such laws to act as Authenticating Agent and subject to supervision or examination by government or other fiscal authority. If at any time an Authenticating Agent shall cease to be eligible in accordance with the provisions of this Section

5.12, such Authenticating Agent shall resign immediately in the manner and with the effect specified in this Section 5.12.

Any corporation or association into which an Authenticating Agent may be merged or converted or with which it may be consolidated, or any corporation or association resulting from any merger, conversion or consolidation to which such Authenticating Agent shall be a party, or any corporation or association succeeding to the corporate agency or corporate trust business of an Authenticating Agent, shall continue to be an Authenticating Agent (provided such corporation or association shall be otherwise eligible under this Section 5.12), without the execution or filing of any paper or any further act on the part of the Trustee or the Authenticating Agent.

An Authenticating Agent may resign at any time by giving written notice thereof to the Trustee and to the Company. The Trustee may at any time terminate the agency of an Authenticating Agent by giving written notice thereof to such Authenticating Agent and to the Company. Upon receiving such a notice of resignation or upon such a termination, or in case at any time such Authenticating Agent shall cease to be eligible in accordance with the provisions of this Section 5.12, the Trustee may appoint a successor Authenticating Agent, which shall be subject to acceptance by the Company. Any successor Authenticating Agent, upon acceptance

of its appointment hereunder, shall become vested with all the rights, powers and duties of its predecessor hereunder, with like effect as if originally named as an Authenticating Agent. No successor Authenticating Agent shall be appointed unless eligible under the provisions of this Section 5.12.

The Company agrees to pay to each Authenticating Agent from time to time reasonable compensation for its services under this Section 5.12.

If an Authenticating Agent is appointed with respect to the Securities pursuant to this Section 5.12, the Securities may have endorsed thereon, in addition to or in lieu of the Trustee's certification of authentication, an alternative certificate of authentication in the following form:

SECTION 5.14 PREFERENTIAL COLLECTION OF CLAIMS AGAINST COMPANY.

If and when the Trustee shall be or become a creditor of the Company (or any other obligor upon the Securities), the Trustee shall be subject to the provisions of the Trust Indenture Act regarding the collection of claims against the Company (or any such other obligor).

CONSOLIDATION, MERGER, CONVEYANCE, TRANSFER OR LEASE

SECTION 6.1 COMPANY MAY CONSOLIDATE, ETC., ONLY ON CERTAIN TERMS.

The Company shall not consolidate with or merge into any other Person or convey, transfer, sell or lease its properties and assets substantially as an entirety to any Person, and the Company shall not permit any Person to consolidate with or merge into it or convey, transfer, sell or lease such Person's properties and assets substantially as an entirety to it, unless:

-42-

(a) the Person formed by such consolidation or into or with which the Company is merged, or the Person to which the Company's properties and assets are conveyed, transferred, sold or leased, shall be (1) a corporation, limited liability company, partnership or trust organized and validly existing under the laws of the United States of America, any state thereof or the District of Columbia or (2) organized under the laws of a jurisdiction outside the United States of America and have common stock or American Depositary Shares representing such common stock traded on a national securities exchange in the United States, including The Nasdaq Stock Market, Inc., and, in each case, if other than the Company, shall expressly assume, by an indenture supplemental hereto, executed and delivered to the Trustee, in form satisfactory to the Trustee, the due and punctual payment of the principal of, premium, if any, Liquidated Damages, if any, and interest on all of the Securities as applicable, and the performance or observance of every covenant of this Indenture on the part of the Company to be performed or observed;

(b) immediately after giving effect to such transaction, no Event of Default, and no event that, after notice or lapse of time or both, would become an Event of Default, shall have occurred and be continuing; and

(c) the Company has delivered to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that such consolidation, merger, conveyance, transfer or lease and, if a supplemental indenture is required in connection with such transaction, such supplemental indenture, comply with this Article and that all conditions precedent herein provided for relating to such transaction have been complied with, together with any documents required under Section 7.3.

SECTION 6.2 SUCCESSOR SUBSTITUTED.

Upon any consolidation of the Company with, or merger of the Company into, any other Person or any conveyance, transfer or lease of all or substantially all the properties and assets of the Company in accordance with Section 6.1, the successor Person formed by such consolidation or into or with which the Company is merged or to which such conveyance, transfer or lease is made shall succeed to, and be substituted for, and may exercise every right and power of, the Company under this Indenture with the same effect as if such successor Person had been named as the Company herein, and thereafter, except in the case of a lease, the predecessor Person shall be relieved of all obligations and covenants under this Indenture and the Securities.

ARTICLE SEVEN

SUPPLEMENTAL INDENTURES

SECTION 7.1 SUPPLEMENTAL INDENTURES WITHOUT CONSENT OF HOLDERS OF SECURITIES.

Without the consent of any Holders of Securities, the Company, when authorized by a Board Resolution, and the Trustee, at any time and from time to time, may enter into one or more indentures supplemental hereto for any of the following purposes:

-43-

(a) to evidence the succession of another Person to the Company and the assumption by any such successor of the covenants and obligations of the Company herein and in the Securities as permitted by this Indenture; or

(b) to add to the covenants of the Company for the benefit of the Holders of Securities or to surrender any right or power herein conferred upon the Company; or

(c) to secure the Securities; or

(d) to make provision with respect to the conversion rights of Holders of Securities pursuant to Section 10.11; or

(e) to make any changes or modifications to this Indenture necessary in connection with the registration of any Registrable Securities under the Securities Act as contemplated by the Registration Rights Agreement (provided such action pursuant to this clause (e) shall not adversely affect the interests of the Holders of Securities in any material respect); or

(f) to comply with the requirements of the Trust Indenture Act or the rules and regulations of the Commission thereunder in order to effect or maintain the qualification of this Indenture under the Trust Indenture Act, as contemplated by this Indenture or otherwise; or

(g) to evidence and provide for the acceptance of appointment hereunder by a successor Trustee; or

(h) to cure any ambiguity, to correct or supplement any provision herein that may be inconsistent with any other provision herein or that is otherwise defective, or to make any other provisions with respect to matters or questions arising under this Indenture as the Company and the Trustee may deem necessary or desirable (provided such action pursuant to this clause (h) shall not adversely affect the interests of the Holders of Securities in any material respect).

Upon Company Request accompanied by a Board Resolution authorizing the execution of any such supplemental indenture, and subject to and upon receipt by the Trustee of the documents described in Section 7.3 hereof, the Trustee shall join with the Company in the execution of any supplemental indenture authorized or permitted by the terms of this Indenture and to make any further appropriate agreements and stipulations that may be therein contained.

SECTION 7.2 SUPPLEMENTAL INDENTURES WITH CONSENT OF HOLDERS OF SECURITIES.

With either (a) the written consent of the Holders of not less than a majority in principal amount of the Outstanding Securities, by the Act of said Holders delivered to the Company and the Trustee, or (b) by the adoption of a resolution, at a meeting of Holders of the Outstanding Securities at which a quorum is present, by the Holders of a majority in principal amount of the Outstanding Securities represented at such meeting, the Company, when authorized by a Board Resolution, and the Trustee may enter into an indenture or indentures supplemental hereto for the purpose of adding any provisions to or changing in any manner or eliminating any of the provisions of this Indenture or of modifying in any manner the rights of the Holders of Securities under this Indenture; provided, however, that no such supplemental

-44-

indenture shall, without the consent or affirmative vote of the Holder of each Outstanding Security affected thereby,

(1) change the Stated Maturity of the principal of, or any installment of interest on, any Security, or reduce the principal amount, any premium or the rate of interest payable thereon, or change the place at which or the coin or currency in which any Security or the interest or any premium thereon or any other amount in respect thereof is payable; or

(2) reduce the amount payable on any Security upon redemption at the Company's option; or

(3) impair the right to institute suit for the enforcement of any payment or conversion in respect of any Security on or after the Stated Maturity thereof (or, in the case of redemption or any repurchase, on or after the Redemption Date or Repurchase Date, as the case may be); or

(4) except as permitted by Section 10.11, adversely affect the right to convert any Security as provided in Article Ten; or

(5) modify the provisions of this Indenture with respect to the

subordination of the Securities in a manner adverse to the Holders of any Securities; or

(6) reduce the percentage in principal amount of the Outstanding Securities the consent of whose Holders is required for any supplemental indenture to modify or amend any provision of this Indenture or the consent of whose Holders is required for any waiver (of compliance with certain provisions of this Indenture or certain defaults hereunder and their consequences) provided for in this Indenture; or

(7) modify any of the provisions of this Section 7.2 except to increase any percentage contained herein or therein or to provide that certain other provisions of this Indenture cannot be modified or waived without the consent of the Holder of each Outstanding Security affected thereby; or

(8) amend or modify the provisions of Article Twelve in a manner adverse to the Holders after the Holder's right to require the Company to repurchase the Securities upon a Change in Control arises.

It shall not be necessary for any Act of Holders of Securities under this Section 7.2 to approve the particular form of any proposed supplemental indenture, but it shall be sufficient if such Act shall approve the substance thereof.

The quorum at any meeting called to adopt a resolution shall be Holders representing a majority in aggregate principal amount of Securities at the time Outstanding.

-45-

SECTION 7.3 EXECUTION OF SUPPLEMENTAL INDENTURES.

In executing, or accepting the additional trusts created by, any supplemental indenture permitted by this Article or the modifications thereby of the trusts created by this Indenture, the Trustee shall be entitled to receive, and (subject to Sections 5.1 and 5.3) shall be fully protected in relying upon, an Opinion of Counsel stating that the execution of such supplemental indenture is authorized or permitted by this Indenture and that such supplemental indenture has been duly authorized, executed and delivered by the Company and constitutes a valid and legally binding obligation of the Company enforceable against the Company in accordance with its terms. The Trustee may, but shall not be obligated to, enter into any such supplemental indenture that affects the Trustee's own rights, duties or immunities under this Indenture or otherwise.

SECTION 7.4 EFFECT OF SUPPLEMENTAL INDENTURES.

Upon the execution of any supplemental indenture under this Article, this Indenture shall be modified in accordance therewith, and such supplemental indenture shall form a part of this Indenture for all purposes; and every Holder of Securities theretofore or thereafter authenticated and delivered hereunder appertaining thereto shall be bound thereby.

SECTION 7.5 REFERENCE IN SECURITIES TO SUPPLEMENTAL INDENTURES.

Securities authenticated and delivered after the execution of any supplemental indenture pursuant to this Article may, and shall if required by the Trustee, bear a notation in form approved by the Trustee as to any matter provided for in such supplemental indenture. If the Company shall so determine, new Securities so modified as to conform, in the opinion of the Company and the Trustee, to any such supplemental indenture may be prepared and executed by the Company and authenticated and delivered by the Trustee in exchange for Outstanding Securities.

SECTION 7.6 NOTICE OF SUPPLEMENTAL INDENTURES.

Promptly after the execution by the Company and the Trustee of any supplemental indenture pursuant to the provisions of Section 7.2, the Company shall give notice to all Holders of Securities of such fact, setting forth in general terms the substance of such supplemental indenture, in the manner provided in Section 1.6. Any failure of the Company to give such notice, or any defect therein, shall not in any way impair or affect the validity of any such

supplemental indenture.

ARTICLE EIGHT

COVENANTS

SECTION 8.1 PAYMENT OF PRINCIPAL, PREMIUM AND INTEREST.

The Company covenants and agrees that it will duly and punctually pay the principal of and premium, if any, and interest on the Securities in accordance with the terms of the Securities and this Indenture. The Company shall deposit or cause to be deposited with the

-46-

Trustee, no later than 12:00 noon Eastern time on the date of the Stated Maturity of any Security or no later than 12:00 noon Eastern time on the due date for any installment of interest, all payments so due, which payments shall be in immediately available funds on the date of such Stated Maturity or due date, as the case may be.

SECTION 8.2 MAINTENANCE OF OFFICES OR AGENCIES.

The Company hereby appoints the Corporate Trust Office or such other office or agency of the Trustee as its agent in the Borough of Manhattan, The City of New York, where Securities may be presented or surrendered for payment, where Securities may be surrendered for registration of transfer or exchange, where Securities may be surrendered for conversion, and where notices and demands to or upon the Company in respect of the Securities and this Indenture may be served.

The Company may at any time and from time to time vary or terminate the appointment of any such agent or appoint any additional agents for any or all of such purposes; provided, however, that until all of the Securities have been delivered to the Trustee for cancellation, or moneys sufficient to pay the principal of, premium, if any, and interest on the Securities have been made available for payment and either paid or returned to the Company pursuant to the provisions of Section 8.3, the Company shall maintain in the Borough of Manhattan, The City of New York, an office or agency where Securities may be presented or surrendered for payment and conversion, where Securities may be surrendered for registration of transfer or exchange and where notices and demands to or upon the Company in respect of the Securities and this Indenture may be served. The Company shall give prompt written notice to the Trustee, and notice to the Holders in accordance with Section 1.6, of the appointment or termination of any such agents and of the location and any change in the location of any such office or agency.

If at any time the Company shall fail to maintain any such required office or agency, or shall fail to furnish the Trustee with the address thereof, presentations and surrenders may be made and notices and demands may be served on the Corporate Trust Office.

SECTION 8.3 MONEY FOR SECURITY PAYMENTS TO BE HELD IN TRUST.

If the Company will act as its own Paying Agent, it shall, on or before each due date of the principal of, premium, if any, or interest on any of the Securities, segregate and hold in trust for the benefit of the Persons entitled thereto a sum sufficient to pay the principal, premium, if any, or interest so becoming due until such sums shall be paid to such Persons or otherwise disposed of as herein provided, and the Company will promptly notify the Trustee of its action or failure so to act.

Whenever the Company shall have one or more Paying Agents, it will, no later than 12:00 noon Eastern time on each due date of the principal of, premium, if any, or interest on any Securities, deposit with the Trustee a sum sufficient to pay the principal, premium, if any, or interest so becoming due, such sum to be held for the benefit of the Persons entitled to such principal, premium, if any, or interest, and (unless such Paying Agent is the Trustee) the Company will promptly notify the Trustee of any failure so to act.

The Company will cause each Paying Agent other than the Trustee to execute and deliver to the Trustee an instrument in which such Paying Agent shall agree with the Trustee, subject to the provisions of this Section 8.3, that such Paying Agent will:

(a) hold all sums held by it for the payment of the principal of, premium, if any, or interest on Securities for the benefit of the Persons entitled thereto until such sums shall be paid to such Persons or otherwise disposed of as herein provided;

(b) give the Trustee notice of any default by the Company (or any other obligor upon the Securities) in the making of any payment of principal, premium, if any, or interest; and

(c) at any time during the continuance of any such default, upon the written request of the Trustee, forthwith pay to the Trustee all sums so held by such Paying Agent.

The Company may at any time, for the purpose of obtaining the satisfaction and discharge of this Indenture or for any other purpose, pay, or by Company Order direct any Paying Agent to pay, to the Trustee all sums held in trust by the Company or such Paying Agent, such sums to be held by the Trustee upon the same trusts as those upon which such sums were held by the Company or such Paying Agent; and, upon such payment by any Paying Agent to the Trustee, such Paying Agent shall be released from all further liability with respect to such money.

Anything contained herein to the contrary notwithstanding, any money held by the Trustee or any Paying Agent in trust for the payment and discharge of the principal of, premium, if any, Liquidated Damages, if any, or interest on any Security that remains unclaimed for two years after the date when each payment of such principal, premium, Liquidated Damages, if any, or interest has become payable shall, upon the request of the Company, be repaid by the Trustee to the Company as its absolute property free from trust, and the Trustee shall thereupon be released and discharged with respect thereto and the Holders shall look only to the Company for the payment of the principal, premium or interest on such Security. The Trustee shall not be liable to the Company or any Holder for interest on funds held by it for the payment and discharge of the principal, premium or interest on any of the Securities to any Holder. The Company shall not be liable for any interest on the sums paid to it pursuant to this paragraph and shall not be regarded as a trustee of such money.

SECTION 8.4 EXISTENCE.

Subject to Article Six, the Company will do or cause to be done all things necessary to preserve and keep in full force and effect its existence, rights (charter and statutory) and franchises; provided, however, that the Company shall not be required to preserve any such right or franchise if the Board of Directors shall determine that the preservation thereof is no longer desirable in the conduct of the business of the Company and that the loss thereof is not disadvantageous in any material respect to the Holders.

SECTION 8.5 STATEMENT BY OFFICERS AS TO DEFAULT.

The Company shall deliver to the Trustee, within 120 days after the end of each fiscal year of the Company ending after the date hereof, an Officers' Certificate (one of the signers of which shall be the Company's principal executive, principal financial or principal accounting officer), stating whether or not to the best knowledge of the signers thereof the Company is in default in the performance and observance of any of the terms, provisions and conditions of this Indenture (without regard to any period of grace or requirement of notice provided hereunder) and, if the Company shall be in default, specifying all such defaults and the nature and status thereof of which they have knowledge.

The Company will deliver to the Trustee, forthwith upon becoming

aware of any default in the performance or observance of any covenant, agreement or condition contained in this Indenture, or any Event of Default, an Officers' Certificate specifying with particularity such default or Event of Default and further stating what action the Company has taken, is taking or proposes to take with respect thereto.

Any notice required to be given under this Section 8.5 shall be delivered to the Trustee at the Corporate Trust Office.

SECTION 8.6 DELIVERY OF CERTAIN INFORMATION.

At any time when the Company is not subject to Section 13 or 15(d) of the Exchange Act, upon the request of a Holder of a Security or the holder of shares of Common Stock issued upon conversion thereof, the Company will promptly furnish or cause to be furnished Rule 144A Information to such Holder of Securities or such holder of shares of Common Stock issued upon conversion of Securities, or to a prospective purchaser of any such security designated by any such Holder or holder, as the case may be, to the extent required to permit compliance by such Holder or holder with Rule 144A under the Securities Act (or any successor provision thereto) in connection with the resale of any such security; provided, however, that the Company shall not be required to furnish such information in connection with any request made on or after the date that is two years from the later of (a) the date such a security (or any such predecessor security) was last acquired from the Company or (b) the date such a security (or any such predecessor security) was last acquired from an "affiliate" of the Company within the meaning of Rule 144 under the Securities Act (or any successor provision thereto). "RULE 144A INFORMATION" shall be such information as is specified pursuant to Rule 144A(d) (4) under the Securities Act (or any successor provision thereto).

ARTICLE NINE

REDEMPTION OF SECURITIES

SECTION 9.1 RIGHT OF REDEMPTION.

The Securities may be redeemed in accordance with the provisions of the form of Securities attached hereto as Exhibit A.

-49-

SECTION 9.2 APPLICABILITY OF ARTICLE.

Redemption of Securities at the election of the Company or otherwise, as permitted or required by any provision of the Securities or this Indenture, shall be made in accordance with such provision and this Article Nine.

SECTION 9.3 ELECTION TO REDEEM; NOTICE TO TRUSTEE.

In case of any redemption at the election of the Company of any of the Securities, the Company shall, at least 40 days prior to the Redemption Date fixed by the Company (unless a shorter notice shall be satisfactory to the Trustee), notify the Trustee in writing of such Redemption Date.

SECTION 9.4 SELECTION BY TRUSTEE OF SECURITIES TO BE REDEEMED.

If less than all the Securities are to be redeemed, the particular Securities to be redeemed shall be selected by the Trustee at least three Business Days prior to the date that the notice described in Section 9.5 is given from the Outstanding Securities not previously called for redemption by lot or such method as the Trustee may deem fair and appropriate.

The Trustee may select for redemption portions of the principal of Securities that have denominations larger than \$1,000. Provisions of this Indenture that apply to Securities called for redemption also apply to portions of Securities called for redemption.

The Trustee shall promptly notify the Company and each Security Registrar in writing of the Securities selected for redemption and, in the case of any Securities selected for partial redemption, the principal amount and

certificate numbers thereof to be redeemed.

For all purposes of this Indenture, unless the context otherwise requires, all provisions relating to the redemption of Securities shall relate, in the case of any Securities redeemed or to be redeemed only in part, to the portion of the principal amount of such Securities that has been or is to be redeemed.

SECTION 9.5 NOTICE OF REDEMPTION.

Notice of redemption shall be given in the manner provided in Section 1.6 to the Holders of Securities to be redeemed not less than 30 nor more than 60 days prior to the Redemption Date, and such notice shall be irrevocable.

All notices of redemption shall identify the Securities to be redeemed (including CUSIP numbers) and shall state:

(a) the Redemption Date,

(b) the Redemption Price, and accrued interest and Liquidated Damages, if any,

-50-

(c) if less than all Outstanding Securities are to be redeemed, the aggregate principal amount of Securities to be redeemed,

(d) that on the Redemption Date the Redemption Price, and accrued interest and Liquidated Damages, if any, will become due and payable upon each such Security to be redeemed, and that interest thereon shall cease to accrue on and after said date,

(e) the Conversion Rate, the date on which the right to convert the Securities to be redeemed will terminate and the places where such Securities may be surrendered for conversion, and

(f) the place or places where such Securities are to be surrendered for payment of the Redemption Price and accrued interest, if any.

Notice of redemption of Securities to be redeemed at the election of the Company shall be given by the Company or, at the Company's written request, by the Trustee in the name of and at the expense of the Company. Notice of redemption of Securities to be redeemed at the election of the Company received by the Trustee shall be given by the Trustee to each Paying Agent in the name of and at the expense of the Company.

SECTION 9.6 DEPOSIT OF REDEMPTION PRICE.

Not less than one Business Day prior to any Redemption Date, the Company shall irrevocably deposit with the Trustee (or, if the Company is acting as its own Paying Agent, segregate and hold in trust as provided in Section 8.3) an amount of money (which shall be in immediately available funds on such Redemption Date) sufficient to pay the Redemption Price of, and (except if the Redemption Date shall be an Interest Payment Date) accrued interest on, all the Securities that are to be redeemed on that date other than any Securities called for redemption on that date that have been converted prior to the date of such deposit.

If any Security called for redemption is converted, any money deposited with the Trustee or so segregated and held in trust for the redemption of such Security shall (subject to any right of the Holder or such Security or any Predecessor Security to receive interest as provided in the last paragraph of Section 2.8) be paid to the Company on Company Request or, if then held by the Company, shall be discharged from such trust.

SECTION 9.7 SECURITIES PAYABLE ON REDEMPTION DATE.

Notice of redemption having been given as aforesaid, the Securities to be so redeemed shall, on the Redemption Date, become due and payable at the Redemption Price therein specified, and from and after such date (unless the Company shall default in the payment of the Redemption Price, including accrued

interest) such Securities shall cease to bear interest. Upon surrender of any Security for redemption in accordance with said notice, such Security shall be paid by the Company at the Redemption Price together with accrued and unpaid interest, and Liquidated Damages, if any, to the Redemption Date; provided, however, that installments of interest on Securities whose Stated Maturity is on or prior to the Redemption Date shall be payable to the Holders of such Securities, or one or more Predecessor Securities, registered as such on the relevant Record Date according to their terms and the provisions of Section 2.8.

-51-

If any Security called for redemption shall not be so paid upon surrender thereof for redemption, the principal amount of, premium, if any, and, to the extent permitted by applicable law, accrued interest on such Security shall, until paid, bear interest from the Redemption Date at the rate then in effect, and such Security shall remain convertible until the principal of such Security (or portion thereof, as the case may be) shall have been paid or duly provided for.

SECTION 9.8 SECURITIES REDEEMED IN PART.

Any Security that is to be redeemed only in part shall be surrendered at an office or agency of the Company designated for that purpose pursuant to Section 8.2 (with, if the Company or the Trustee so requires, due endorsement by, or a written instrument of transfer in form satisfactory to the Company and the Trustee duly executed by, the Holder thereof or his attorney duly authorized in writing), and the Company shall execute, and the Trustee shall authenticate and make available for delivery to the Holder of such Security without service charge, a new Registered Security or Securities, of any authorized denomination as requested by such Holder, in aggregate principal amount equal to and in exchange for the unredeemed portion of the principal of the Security so surrendered.

SECTION 9.9 CONVERSION ARRANGEMENT ON CALL FOR REDEMPTION.

In connection with any redemption of the Securities, the Company may arrange for the purchase and conversion of any Securities by an agreement with one or more investment bankers or other purchasers (the "PURCHASERS") to purchase such Securities by irrevocably paying to the Trustee in trust for the Holders, on or before the Redemption Date, an amount not less than the applicable Redemption Price, together with interest accrued and unpaid, and Liquidated Damages, if any, to the Redemption Date, of such Securities. Notwithstanding anything to the contrary contained in this Article Nine, the obligation of the Company to pay the Redemption Price, together with interest accrued and unpaid to the Redemption Date, shall be deemed to be satisfied and discharged to the extent such amount is so paid by such Purchasers. If such an agreement is entered into (a copy of which shall be filed with the Trustee prior to the close of business on the second Business Day immediately prior to the Redemption Date), any Securities called for redemption that are not duly surrendered for conversion by the Holders thereof may, at the option of the Company, be deemed, to the fullest extent permitted by law, and consistent with any agreement or agreements with such Purchasers, to be acquired by such Purchasers from such Holders and (notwithstanding anything to the contrary contained in this Article Nine) surrendered by such Purchasers for conversion, all as of immediately prior to the close of business on the Redemption Date (and the right to convert any such Securities shall be extended through such time), subject to payment of the above amount as aforesaid. At the direction of the Company, the Trustee shall hold and dispose of any such amount paid to it by the Purchasers to the Holders in the same manner as it would monies deposited with it by the Company for the redemption of Securities. Without the Trustee's prior written consent, no arrangement between the Company and such Purchasers for the purchase and conversion of any Securities shall increase or otherwise affect any of the powers, duties, responsibilities or obligations of the Trustee as set forth in this Indenture, and the Company agrees to indemnify the Trustee from, and hold it harmless against, any loss, liability or expense arising out of or in connection with any such arrangement for the purchase and conversion of any Securities

-52-

between the Company and such Purchasers, including the costs and expenses, including reasonable legal fees, incurred by the Trustee in the defense of any claim or liability arising out of or in connection with the exercise or performance of any of its powers, duties, responsibilities or obligations under this Indenture.

ARTICLE TEN

CONVERSION OF SECURITIES

SECTION 10.1 CONVERSION PRIVILEGE AND CONVERSION RATE.

Subject to and upon compliance with the provisions of this Article, at the option of the Holder thereof, any Security or any portion of the principal amount thereof that is U.S.\$1,000 or an integral multiple of U.S.\$1,000 may be converted into fully paid and nonassessable shares (calculated as to each conversion to the nearest 1/100th of a share) of Common Stock of the Company at the Conversion Rate, determined as hereinafter provided, in effect at the time of conversion. Such conversion right shall commence upon the original issuance of the Securities and expire at the close of business on April 15, 2007, unless the Security has been previously redeemed or repurchased, subject, in the case of conversion of any Global Security, to any Applicable Procedures. In case a Security or portion thereof is called for redemption at the election of the Company or the Holder thereof exercises his right to require the Company to repurchase the Security, such conversion right in respect of the Security, or portion thereof so called, shall expire at the close of business on the Business Day immediately preceding the Redemption Date or the Repurchase Date, as the case may be, unless the Company defaults in making the payment due upon redemption or repurchase, as the case may be (in each case subject, as aforesaid, to any Applicable Procedures with respect to any Global Security).

The rate at which shares of Common Stock shall be delivered upon conversion (herein called the "CONVERSION RATE") shall be initially 25.9680 shares of Common Stock for each U.S.\$1,000 principal amount of Securities. The Conversion Rate shall be adjusted in certain instances as provided in this Article Ten.

SECTION 10.2 EXERCISE OF CONVERSION PRIVILEGE.

In order to exercise the conversion privilege, the Holder of any Security to be converted shall surrender such Security, duly endorsed or assigned to the Company or in blank, at any office or agency of the Company maintained for that purpose pursuant to Section 8.2, accompanied by a duly signed and completed conversion notice substantially in the form attached hereto as Exhibit C stating that the Holder elects to convert such Security or, if less than the entire principal amount thereof is to be converted, the portion thereof to be converted. Each Security surrendered for conversion (in whole or in part) during the period from the close of business on any Regular Record Date next preceding any Interest Payment Date to the opening of business on such Interest Payment Date shall (except in the case of any Security or portion thereof that has been called for redemption on a Redemption Date, or is to be repurchased on a Repurchase Date, with the consequence that the conversion right of such Security would terminate between such Regular Record Date and the close of business on such Interest Payment Date) be accompanied by payment in New York Clearing House funds or other funds acceptable

to the Company of an amount equal to the interest and Liquidated Damages, if any, payable on such Interest Payment Date on the principal amount of such Security (or part thereof, as the case may be) being surrendered for conversion. The interest and Liquidated Damages, if any, so payable on such Interest Payment Date, with respect to any Security (or portion thereof, if applicable) that is surrendered for conversion during the period from the close of business on any Record Date next preceding any Interest Payment Date to the opening of business on such Interest Payment Date, shall be paid to the Holder of such Security as of such Regular Record Date. Interest and Liquidated Damages, if any, payable in respect of any Security surrendered for conversion on or after an Interest Payment Date shall be paid to the Holder of such Security as of the next preceding Regular Record Date, notwithstanding the exercise of the right of conversion. Except as provided in this paragraph and subject to the last

paragraph of Section 2.8, no cash payment or adjustment shall be made upon any conversion on account of any interest accrued from the Interest Payment Date next preceding the conversion date, in respect of any Security (or part thereof, as the case may be) surrendered for conversion, or on account of any dividends on the Common Stock issued upon conversion. The Company's delivery to the Holder of the number of shares of Common Stock (and cash in lieu of fractions thereof, as provided in this Indenture) into which a Security is convertible and any rights and warrants pursuant to Section 10.4(m) will be deemed to satisfy the Company's obligation to pay the principal amount of the Security.

Securities shall be deemed to have been converted on the day of surrender of such Securities for conversion in accordance with the foregoing provisions, and at such time the rights of the Holders of such Securities as Holders shall cease, and the Person or Persons entitled to receive the Common Stock issuable upon conversion shall be treated for all purposes as the record holder or holders of such Common Stock at such time. As promptly as practicable on or after the conversion date, the Company shall issue and deliver to the Trustee, for delivery to the Holder, a certificate or certificates for the number of full shares of Common Stock issuable upon conversion, together with payment in lieu of any fraction of a share, as provided in Section 10.3.

All shares of Common Stock delivered upon such conversion of Securities shall bear restrictive legends substantially in the form of the legends required to be set forth on the Securities pursuant to Section 2.6 and shall be subject to the restrictions on transfer provided in such legends. Neither the Trustee nor any agent maintained for the purpose of such conversion shall have any responsibility for the inclusion or content of any such restrictive legends on such Common Stock; provided, however, that the Trustee or any agent maintained for the purpose of such conversion shall have provided to the Company or to the Company's transfer agent for such Common Stock, prior to or concurrently with a request to the Company to deliver such Common Stock, written notice that the Securities delivered for conversion are Securities.

In the case of any Security that is converted in part only, upon such conversion the Company shall execute and the Trustee shall authenticate and make available for delivery to the Holder thereof, at the expense of the Company, a new Registered Security or Securities of authorized denominations in an aggregate principal amount equal to the unconverted portion of the principal amount of such Security. A Security may be converted in part, but only if the principal amount of such Security to be converted is any integral multiple of U.S.\$1,000 and the principal amount of such security to remain Outstanding after such conversion is equal to U.S.\$1,000 or any integral multiple of U.S.\$1,000 in excess thereof.

-54-

SECTION 10.3 FRACTIONS OF SHARES.

No fractional shares of Common Stock shall be issued upon conversion of any Security or Securities. If more than one Security shall be surrendered for conversion at one time by the same Holder, the number of full shares that shall be issuable upon conversion thereof shall be computed on the basis of the aggregate principal amount of the Securities (or specified portions thereof) so surrendered. Instead of any fractional share of Common Stock that would otherwise be issuable upon conversion of any Security or Securities (or specified portions thereof), the Company shall calculate and pay a cash adjustment in respect of such fraction (calculated to the nearest 1/100th of a share) in an amount equal to the same fraction of the closing sales price of our Common Stock on the New York Stock Exchange (or, if not listed on the New York Stock Exchange, such other national securities exchange or otherwise in the over-the-counter market, as applicable) at the close of business on the day of conversion.

SECTION 10.4 ADJUSTMENT OF CONVERSION RATE.

The Conversion Rate shall be subject to adjustments from time to time as follows:

(a) In case the Company shall pay or make a dividend or other distribution on any class of capital stock of the Company payable in shares of Common Stock, the Conversion Rate in effect at the opening of business on the day following the date fixed for the determination of stockholders entitled to

receive such dividend or other distribution shall be increased by dividing such Conversion Rate by a fraction of which the numerator shall be the number of shares of Common Stock outstanding at the close of business on the date fixed for such determination and the denominator shall be the sum of such number of shares and the total number of shares constituting such dividend or other distribution, such increase to become effective (subject to paragraph (l) of this Section 10.4) immediately after the opening of business on the day following the date fixed for such determination. For the purposes of this paragraph (a), the number of shares of Common Stock at any time outstanding shall not include shares held in the treasury of the Company but shall include shares issuable in respect of scrip certificates issued in lieu of fractions of shares of Common Stock. The Company will not pay any dividend or make any distribution on shares of Common Stock held in the treasury of the Company.

(b) In case the Company shall issue rights, options or warrants to all holders of its Common Stock entitling them to subscribe for or purchase shares of Common Stock at a price per share less than the current market price per share (determined as provided in paragraph (h) of this Section 10.4) of the Common Stock on the date fixed for the determination of stockholders entitled to receive such rights, options or warrants (other than any rights, options or warrants (1) that by their terms will also be issued to any Holder upon conversion of a Security into shares of Common Stock without any action required by the Company or any other Person or (2) that are only exercisable upon the occurrence of specified triggering event and such triggering event has not occurred), the Conversion Rate in effect at the opening of business on the day following the date fixed for such determination shall be increased by dividing such Conversion Rate by a fraction of which the numerator shall be the number of shares of Common Stock outstanding at the close of business on the date fixed for such determination plus the number of shares of Common Stock which the aggregate of the offering price of the total number of shares of Common Stock so offered for subscription or purchase would purchase at such

-55-

current market price and the denominator shall be the number of shares of Common Stock outstanding at the close of business on the date fixed for such determination plus the number of shares of Common Stock so offered for subscription or purchase, such increase to become effective (subject to paragraph (l) of this Section 10.4) immediately after the opening of business on the day following the date fixed for such determination. For the purposes of this paragraph (b), the number of shares of Common Stock at any time outstanding shall not include shares held in the treasury of the Company but shall include shares issuable in respect of scrip certificates issued in lieu of fractions of shares of Common Stock. The Company will not issue any rights, options or warrants in respect of shares of Common Stock held in the treasury of the Company.

(c) In case outstanding shares of Common Stock shall be subdivided into a greater number of shares of Common Stock, the Conversion Rate in effect at the opening of business on the day following the day upon which such subdivision becomes effective shall be proportionately increased, and, conversely, in case outstanding shares of Common Stock shall each be combined into a smaller number of shares of Common Stock, the Conversion Rate in effect at the opening of business on the day following the day upon which such combination becomes effective shall be proportionately reduced, such increase or reduction, as the case may be, to become effective immediately after the opening of business on the day following the day upon which such subdivision or combination becomes effective.

(d) In case the Company shall, by dividend or otherwise, distribute to all holders of its Common Stock evidences of its indebtedness, shares of any class of capital stock, or other property (including cash or assets or securities, but excluding (1) any rights, options or warrants referred to in paragraph (b) of this Section 10.4 and the distribution of rights to all holders of Common Stock pursuant to the adoption of a stockholders' rights plan or the detachment of such rights under the terms of such stockholders' rights plan, (2) any dividend or distribution paid in cash, except as set forth in paragraphs (e) and (f) of this Section 10.4, (3) any dividend or distribution referred to in paragraph (a) of this Section 10.4 and (4) any merger or consolidation to which Section 10.11 applies), the Conversion Rate shall be adjusted so that the same shall equal the rate determined by dividing the Conversion Rate in effect

immediately prior to the close of business on the date fixed for the determination of stockholders entitled to receive such distribution by a fraction of which the numerator shall be the current market price per share (determined as provided in paragraph (h) of this Section 10.4) of the Common Stock on the date fixed for such determination less the then fair market value (as determined by the Board of Directors, whose determination shall be conclusive and described in a Board Resolution) of the portion of the assets, shares or evidences of indebtedness so distributed applicable to one share of Common Stock and the denominator shall be such current market price per share of the Common Stock, such adjustment to become effective (subject to paragraph (l) of this Section 10.4) immediately prior to the opening of business on the day following the date fixed for the determination of stockholders entitled to receive such distribution.

In addition, if the Company implements a rights plan ("RIGHTS PLAN"), the Company will provide under such Rights Plan that the Holders of the Securities will receive, in addition to the Common Stock, the rights under the Rights Plan (whether or not the rights under the Rights Plan have separated from the Common Stock at the time of conversion), subject to any limitations set forth in the Rights Plan.

-56-

(e) In case the Company shall, by dividend or otherwise, distribute to all holders of its Common Stock cash (excluding cash portions of distribution referred to in Section 10.4(d) and any cash that is distributed upon a merger or consolidation to which Section 10.11 applies) in an aggregate amount that, combined together with (1) the aggregate amount of any other cash distributions to all holders of its Common Stock made exclusively in cash within the 365-day period preceding the date of payment of such distribution and in respect of which no adjustment pursuant to this paragraph (e) has been made and (2) the aggregate of any cash plus the fair market value (as determined by the Board of Directors, whose determination shall be conclusive and described in a Board Resolution) of consideration payable in respect of any tender offer by the Company or any Subsidiary for all or any portion of the Common Stock concluded within the 365-day period preceding the date of payment of such distribution and in respect of which no adjustment pursuant to paragraph (f) of this Section 10.4 has been made (the "COMBINED CASH AND TENDER AMOUNT") exceeds 10% of the product of the current market price per share (determined as provided in paragraph (h) of this Section 10.4) of the Common Stock on the date for the determination of holders of shares of Common Stock entitled to receive such distribution times the number of shares of Common Stock outstanding on such date (the "AGGREGATE CURRENT MARKET PRICE"), then, and in each such case, immediately after the close of business on such date for determination, subject to paragraph (l) of Section 10.4, the Conversion Rate shall be adjusted so that the same shall equal the rate determined by dividing the Conversion Rate in effect immediately prior to the close of business on the date fixed for determination of the stockholders entitled to receive such distribution by a fraction (A) the numerator of which shall be equal to the current market price per share (determined as provided in paragraph (h) of this Section 10.4) of the Common Stock on the date fixed for such determination less an amount equal to the quotient of (i) the excess of such combined cash and tender amount over 10% of such aggregate current market price divided by (ii) the number of shares of Common Stock outstanding on such date fixed for determination and (B) the denominator of which shall be equal to the current market price per share (determined as provided in paragraph (h) of this Section 10.4) of the Common Stock on such date fixed for determination.

(f) In case a tender offer made by the Company or any Subsidiary for all or any portion of the Common Stock shall be completed for an aggregate consideration consisting of cash and/or property having a fair market value (as determined by the Board of Directors, whose determination shall be conclusive and described in a Board Resolution) that combined together with (1) the aggregate of the cash plus the fair market value (as determined by the Board of Directors, whose determination shall be conclusive and described in a Board Resolution), of consideration payable in respect of any other tender offer by the Company or any Subsidiary for all or any portion of the Common Stock concluded within the 365-day period preceding the completion of such tender offer and in respect of which no adjustment pursuant to this paragraph (f) has been made and (2) the aggregate amount of any distributions to all holders of the Company's Common Stock made exclusively in cash within the 365-day period preceding the completion of such tender offer and in respect of which no

adjustment pursuant to paragraph (e) of this Section 10.4 has been made (the "COMBINED TENDER AND CASH AMOUNT") exceeds 10% of the product of the current market price per share of the Common Stock (determined as provided in paragraph (h) of this Section 10.4) as of the completion of such tender offer (the "COMPLETION DATE") times the number of shares of Common Stock outstanding (including any tendered shares) as of the Completion Date, then, and in each such case, immediately prior to the opening

-57-

of business on the day after the date of the Completion Date, the Conversion Rate shall be adjusted so that the same shall equal the rate determined by dividing the Conversion Rate immediately prior to close of business on the Completion Date by a fraction (A) the numerator of which shall be equal to (i) the product of (x) the current market price per share of the Common Stock (determined as provided in paragraph (h) of this Section 10.4) on the Completion Date multiplied by (y) the number of shares of Common Stock outstanding (including any tendered shares) on the Completion Date less (ii) the combined tender and cash amount, and (B) the denominator of which shall be equal to the product of (x) the current market price per share of the Common Stock (determined as provided in paragraph (h) of this Section 10.4) as of the Completion Date multiplied by (y) the number of shares of Common Stock outstanding (including any tendered shares) as of the Completion Date less the number of all shares validly tendered and not withdrawn as of the Completion Date (the shares deemed so accepted up to any such maximum, being referred to as the "PURCHASED SHARES").

(g) The reclassification of Common Stock into securities including other than Common Stock (other than any reclassification upon a consolidation or merger to which Section 10.11 applies) shall be deemed to involve (1) a distribution of such securities other than Common Stock to all holders of Common Stock (and the effective date of such reclassification shall be deemed to be "the date fixed for the determination of stockholders entitled to receive such distribution" and "the date fixed for such determination" within the meaning of paragraph (d) of this Section 10.4), and (2) a subdivision or combination, as the case may be, of the number of shares of Common Stock outstanding immediately prior to such reclassification into the number of shares of Common Stock outstanding immediately thereafter (and the effective date of such reclassification shall be deemed to be "the day upon which such subdivision becomes effective" or "the day upon which such combination becomes effective", as the case may be, and "the day upon which such subdivision or combination becomes effective" within the meaning of paragraph (c) of this Section 10.4).

(h) For the purpose of any computation under paragraphs (b), (d), (e) or (f) of this Section 10.4, the current market price per share of Common Stock on any date shall be calculated by the Company and be deemed to be the average of the daily Average Sales Prices Per Share for the five consecutive Trading Days selected by the Company commencing not more than 10 Trading Days before, and ending not later than, the earlier of the day in question and the day before the "ex date" with respect to the issuance or distribution requiring such computation. For purposes of this paragraph, the term "ex date," when used with respect to any issuance or distribution, means the first date on which the Common Stock trades regular way in the applicable securities market or on the applicable securities exchange without the right to receive such issuance or distribution.

(i) No adjustment in the Conversion Rate shall be required unless such adjustment (plus any adjustments not previously made by reason of this paragraph (i)) would require an increase or decrease of at least one percent in such rate; provided, however, that any adjustments which by reason of this paragraph (i) are not required to be made shall be carried forward and taken into account in any subsequent adjustment. All calculations under this Article shall be made to the nearest cent or to the nearest one-hundredth of a share, as the case may be.

-58-

(j) The Company may make such increases in the Conversion Rate, for the remaining term of the Securities or any shorter term, in addition to those

required by paragraphs (a), (b), (c), (d), (e) and (f) of this Section 10.4, as it considers to be advisable in order to avoid or diminish any income tax liability to any holders of shares of Common Stock resulting from any dividend or distribution of Common Stock or issuance of rights or warrants to purchase or subscribe for Common Stock or from any event treated as such for income tax purposes.

To the extent permitted by applicable law, the Company from time to time may increase the Conversion Rate by any amount for any period of time if the period is at least twenty (20) days and the Board of Directors shall have made a determination that such increase would be in the best interests of the Company, which determination shall be conclusive; provided, however, that such increase shall not be taken into account for purposes of determining whether the Average Sales Price Per Share of the Common Stock exceeds the Conversion Price by 105% in connection with an event which would otherwise be a Change in Control. Whenever the Conversion Rate is increased pursuant to the preceding sentence, the Company shall give notice of the increase to the Holders of Securities in the manner provided in Section 1.6 at least fifteen (15) days prior to the date the increased Conversion Rate takes effect, and such notice shall state the increased Conversion Rate and the period during which it will be in effect.

(k) Notwithstanding the foregoing provisions of this Section 10.4, no adjustment of the Conversion Rate shall be required to be made (1) upon the issuance of shares of Common Stock pursuant to any present or future plan for the reinvestment of dividends, (2) because of a tender or exchange offer of the character described in Rule 13e-4(h) (5) under the Exchange Act or any successor rule thereto or (3) as a result of a rights plan or poison pill implemented by the Company.

(l) In any case in which this Section 10.4 shall require that an adjustment be made immediately following a record date, the Company may elect to defer the effectiveness of such adjustment (but in no event until a date later than the effective time of the event giving rise to such adjustment), in which case the Company shall, with respect to any Security converted after such record date and on and before such adjustment shall have become effective (1) defer paying any cash payment pursuant to Section 10.3 hereof or issuing to the Holder of such Security the number of shares of Common Stock issuable upon such conversion in excess of the number of shares of Common Stock issuable thereupon only on the basis of the Conversion Rate prior to adjustment, and (2) not later than five Business Days after such adjustment shall have become effective, pay to such Holder the appropriate cash payment pursuant to Section 10.3 hereof and issue to such Holder the additional shares of Common Stock issuable on such conversion. Notwithstanding the foregoing, no adjustment of the Conversion Rate shall be made if the event giving rise to such adjustment does not occur.

(m) In the event that the Company distributes rights or warrants (other than those referred to in paragraph (b) above) pro rata to holders of Common Stock, so long as any such rights or warrants have not expired or been redeemed by the Company, the Company shall make proper provision so that the Holder of any Security surrendered for conversion will be entitled to receive upon such conversion, in addition to the Common Stock issuable upon conversion of the Securities (the "CONVERSION SHARES"), a number of rights and warrants to be determined as follows: (i) if such conversion occurs on or prior to the date for the distribution to

-59-

the holders of rights or warrants of separate certificates evidencing such rights or warrants (the "DISTRIBUTION DATE"), the same number of rights or warrants to which a holder of a number of shares of Common Stock equal to the number of Conversion Shares is entitled at the time of such conversion in accordance with the terms and provisions of and applicable to the rights or warrants, and (ii) if such conversion occurs after such Distribution Date, the same number of rights or warrants to which a holder of the number of shares of Common Stock into which the principal amount of such Security so converted was convertible immediately prior to such Distribution Date would have been entitled on such Distribution Date in accordance with the terms and provisions of and applicable to the rights or warrants.

SECTION 10.5 NOTICE OF ADJUSTMENTS OF CONVERSION RATE.

Whenever the Conversion Rate is adjusted as herein provided:

(a) the Company shall compute the adjusted Conversion Rate in accordance with Section 10.4 and shall prepare a certificate signed by the Chief Financial Officer of the Company setting forth the adjusted Conversion Rate and showing in reasonable detail the facts upon which such adjustment is based, and such certificate shall promptly be filed with the Trustee and with the Conversion Agent; and

(b) upon each such adjustment, a notice stating that the Conversion Rate has been adjusted and setting forth the adjusted Conversion Rate shall be required, and as soon as practicable after it is required, such notice shall be provided by the Company to all Holders in accordance with Section 1.6.

Neither the Trustee nor the Conversion Agent shall be under any duty or responsibility with respect to any such certificate or the information and calculations contained therein, except to exhibit the same to any Holder of Securities desiring inspection thereof at its office during normal business hours. Unless and until a Responsible Officer of the Trustee and Conversion Agent receive notice of an adjusted Conversion Rate, the Trustee and the Conversion Agent may rely without inquiry on the Conversion Rate most recently in effect.

SECTION 10.6 NOTICE OF CERTAIN CORPORATE ACTION.

In case:

(a) the Company shall declare a dividend (or any other distribution) on its Common Stock payable (i) otherwise than exclusively in cash or (ii) exclusively in cash in an amount that would require any adjustment pursuant to Section 10.4; or

(b) the Company shall authorize the granting to the holders of its Common Stock of rights, options or warrants to subscribe for or purchase any shares of capital stock of any class or of any other rights; or

(c) of any reclassification of the Common Stock of the Company, or of any consolidation, merger or share exchange to which the Company is a party and for which approval of any stockholders of the Company is required, or of the conveyance, sale, transfer or lease of all or substantially all of the assets of the Company; or

-60-

(d) of the voluntary or involuntary dissolution, liquidation or winding up of the Company;

then the Company shall cause to be filed at each office or agency maintained for the purpose of conversion of Securities pursuant to Section 8.2, and shall cause to be provided to all Holders in accordance with Section 1.6, at least 20 days (or 10 days in any case specified in clause (a) or (b) above) prior to the applicable record or effective date hereinafter specified, a notice stating (1) the date on which a record is to be taken for the purpose of such dividend, distribution, rights, options or warrants, or, if a record is not to be taken, the date as of which the holders of Common Stock of record to be entitled to such dividend, distribution, rights, options or warrants are to be determined or (2) the date on which such reclassification, consolidation, merger, conveyance, transfer, sale, lease, dissolution, liquidation or winding up is expected to become effective, and the date as of which it is expected that holders of Common Stock of record shall be entitled to exchange their shares of Common Stock for securities, cash or other property deliverable upon such reclassification, consolidation, merger, conveyance, transfer, sale, lease, dissolution, liquidation or winding up. Neither the failure to give such notice or the notice referred to in the following paragraph nor any defect therein shall affect the legality or validity of the proceedings described in clauses (a) through (d) of this Section 10.6. If at the time the Trustee shall not be the Conversion Agent, a copy of such notice shall also forthwith be filed by the Company with the Trustee.

The Company shall cause to be filed at each office or agency

maintained for the purpose of conversion of Securities pursuant to Section 8.2, and shall cause to be provided to all Holders in accordance with Section 1.6, notice of any tender offer by the Company or any Subsidiary for all or any portion of the Common Stock at or about the time that such notice of tender offer is provided to the public generally.

SECTION 10.7 COMPANY TO RESERVE COMMON STOCK.

The Company shall at all times reserve and keep available, free from preemptive rights, out of its authorized but unissued Common Stock, for the purpose of effecting the conversion of Securities, the full number of shares of Common Stock then issuable upon the conversion of all Outstanding Securities.

SECTION 10.8 TAXES ON CONVERSIONS.

Except as provided in the next sentence, the Company will pay any and all transfer, stamp, documentary and other similar taxes and duties that may be payable in respect of the issue or delivery of shares of Common Stock on conversion of Securities pursuant hereto. The Company shall not, however, be required to pay any tax or duty which may be payable in respect of any transfer involved in the issue and delivery of shares of Common Stock in a name other than that of the Holder of the Security or Securities to be converted, and no such issue or delivery shall be made unless and until the Person requesting such issue has paid to the Company the amount of any such tax or duty or has established to the satisfaction of the Company that such tax or duty has been paid.

-61-

SECTION 10.9 COVENANT AS TO COMMON STOCK.

The Company agrees that all shares of Common Stock that may be delivered upon conversion of Securities, upon such delivery, will be newly issued shares and will have been duly authorized and validly issued and will be fully paid and nonassessable and, except as provided in Section 10.8, the Company will pay all taxes, liens and charges with respect to the issue thereof.

SECTION 10.10 CANCELLATION OF CONVERTED SECURITIES.

All Securities delivered for conversion shall be delivered to the Trustee or its agent to be cancelled by or at the direction of the Trustee, which shall dispose of the same as provided in Section 2.10.

SECTION 10.11 PROVISION IN CASE OF CONSOLIDATION, MERGER OR SALE OF ASSETS.

In case of any consolidation or merger of the Company with or into any other Person, any merger of another Person with or into the Company (other than a merger that does not result in any reclassification, conversion, exchange or cancellation of outstanding shares of Common Stock of the Company) or any conveyance, sale, transfer or lease of all or substantially all of the assets of the Company, the Person formed by such consolidation or resulting from such merger or that acquires such assets, as the case may be, shall execute and deliver to the Trustee a supplemental indenture providing that the Holder of each Security then Outstanding shall have the right thereafter, during the period such Security shall be convertible as specified in Section 11.1, to convert such Security only into the kind and amount of securities, cash and other property receivable upon such consolidation, merger, conveyance, sale, transfer or lease by a holder of the number of shares of Common Stock of the Company into which such Security might have been converted immediately prior to such consolidation, merger, conveyance, sale, transfer or lease, assuming such holder of Common Stock of the Company (a) is not a Person with which the Company consolidated or merged with or into or that merged into or with the Company or to which such conveyance, sale, transfer or lease was made, as the case may be (a "CONSTITUENT PERSON"), or an Affiliate of a Constituent Person and (b) failed to exercise his rights of election, if any, as to the kind or amount of securities, cash and other property receivable upon such consolidation, merger, conveyance, sale, transfer or lease (provided that if the kind or amount of securities, cash and other property receivable upon such consolidation, merger, conveyance, sale, transfer, or lease is not the same for each share of Common Stock of the Company held immediately prior to such consolidation, merger, conveyance, sale, transfer or lease by others than a Constituent Person or an

Affiliate thereof and in respect of which such rights of election shall not have been exercised ("NON-ELECTING SHARE"), then for the purpose of this Section 10.11 the kind and amount of securities, cash and other property receivable upon such consolidation, merger, conveyance, sale, transfer or lease by the holders of each Non-electing Share shall be deemed to be the kind and amount so receivable per share by a plurality of the Non-electing Shares). Such supplemental indenture shall provide for adjustments that, for events subsequent to the effective date of such supplemental indenture, shall be as nearly equivalent as may be practicable to the adjustments provided for in this Article. The above provisions of this Section 10.11 shall similarly apply to successive consolidations, mergers, conveyances, sales, transfers or leases. Notice of the execution of such a supplemental indenture

-62-

shall be given by the Company to the Holder of each Security as provided in Section 1.6 promptly upon such execution.

Neither the Trustee nor the Conversion Agent shall be under any responsibility to determine the correctness of any provisions contained in any such supplemental indenture relating either to the kind or amount of shares of stock or other securities or property or cash receivable by Holders of Securities upon the conversion of their Securities after any such consolidation, merger, conveyance, transfer, sale or lease or to any such adjustment but may accept as conclusive evidence of the correctness of any such provisions, and shall be protected in relying upon, an Officers Certificate or an Opinion of Counsel with respect thereto, which the Company shall cause to be furnished to the Trustee upon request.

SECTION 10.12 RESPONSIBILITY OF TRUSTEE FOR CONVERSION PROVISIONS.

The Trustee, subject to the provisions of Section 5.1, and any Conversion Agent shall not at any time be under any duty or responsibility to any Holder of Securities to determine whether any facts exist that may require any adjustment of the Conversion Rate, or with respect to the nature or extent of any such adjustment when made, or with respect to the method employed, or herein or in any supplemental indenture provided to be employed, in making the same, or whether a supplemental indenture need be entered into. Neither the Trustee, subject to the provisions of Section 5.1, nor any Conversion Agent shall be accountable with respect to the validity or value (or the kind or amount) of any Common Stock, or of any other securities or property or cash, that may at any time be issued or delivered upon the conversion of any Security; and it or they do not make any representation with respect thereto. Neither the Trustee, subject to the provisions of Section 5.1, nor any Conversion Agent shall be responsible for any failure of the Company to make or calculate any cash payment or to issue, transfer or deliver any shares of Common Stock or share certificates or other securities or property or cash upon the surrender of any Security for the purpose of conversion; and the Trustee, subject to the provisions of Section 5.1, and any Conversion Agent shall not be responsible for any failure of the Company to comply with any of the covenants of the Company contained in this Article.

ARTICLE ELEVEN

SUBORDINATION OF SECURITIES

SECTION 11.1 SECURITIES SUBORDINATE TO SENIOR DEBT.

The Company covenants and agrees, and each Holder of a Security by his acceptance thereof likewise covenants and agrees, that to the extent and in the manner hereinafter set forth in this Article (subject to the provisions of Article Three) the indebtedness represented by the Securities and the payment of the principal of (and premium, if any) and interest on, and any payment of the Repurchase Price with respect to, each and all of the Securities are hereby expressly made subordinate and subject in right of payment to the prior payment in full in cash or Cash Equivalents of all Senior Debt.

-63-

SECTION 11.2 NO PAYMENTS IN CERTAIN CIRCUMSTANCES; PAYMENT OVER OF PROCEEDS UPON DISSOLUTION, ETC.

No payment on account of principal of, premium, if any, or interest (and Liquidated Damages, if any) on, or redemption or repurchase of, the Securities shall be made if, at the time of such payment: (a) a default in the payment of principal, premium, if any, or interest or other amounts due on or in connection with any Senior Debt, including any default under any redemption or repurchase obligation, occurs and is continuing (or, in the case of Senior Debt for which there is a period of grace, in the event of such a default that continues beyond the period of grace, if any, specified in the instrument or lease evidencing such Senior Debt), unless and until such default shall have been cured or waived or shall have ceased to exist; or (b) a default, other than a payment default, on Designated Senior Debt occurs and is continuing that then permits holders of such Designated Senior Debt to accelerate its maturity and the Trustee receives a notice of the default (a "PAYMENT BLOCKAGE NOTICE") from the Company, a holder of Designated Senior Debt or a Representative. Notwithstanding the foregoing, the Company may make, and the Trustee may receive and shall apply, any payment in respect of the Securities (for principal, premium, if any, or interest (and Liquidated Damages, if any) or repurchase) if such payment was made prior to the occurrence of any of the contingencies specified in clauses (a) and (b) above.

If the Trustee receives any Payment Blockage Notice pursuant to clause (b) above, no subsequent Payment Blockage Notice shall be effective for purposes of this Section 11.2 unless and until (1) at least 365 days shall have elapsed since the effectiveness of the immediately prior Payment Blockage Notice and (2) all scheduled payments of principal, premium, if any, interest and Liquidated Damages, if any, on the Securities that have come due have been paid in full in cash. No nonpayment default that existed or was continuing on the date of delivery of any Payment Blockage Notice to the Trustee shall be, or be made, the basis for a subsequent Payment Blockage Notice unless such existing nonpayment default has been cured for a period of at least 90 days.

The Company may and shall resume payments on and distributions in respect of the Securities (including missed payments, if any) upon the earlier of: (A) the date upon which the default is cured or waived, or (B) in the case of a default referred to in clause (b) of the second preceding paragraph, 179 days after notice is received if the maturity of such Designated Senior Debt has not been accelerated such that such debt is then presently payable, unless this Indenture otherwise prohibits the payment or distribution at the time of such payment or distribution.

Upon (i) any acceleration of the principal amount due on the Securities or (ii) any payment or distribution of assets of the Company of any kind or character, whether in cash, property or securities, to creditors upon any dissolution, winding up or total or partial liquidation or reorganization of the Company, whether voluntary or involuntary, or in bankruptcy, insolvency, receivership or other proceedings, all principal of, premium, if any, sinking fund and interest or other amounts due, or to become due, upon or in connection with all Senior Debt shall first be paid in full in cash or Cash Equivalents, or payment thereof provided for in cash or Cash Equivalents in accordance with its terms, before any payment is made on account of the principal of, premium, if any, or interest (and Liquidated Damages, if any) on, or repurchase of, the

-64-

indebtedness evidenced by the Securities, and upon any such dissolution or winding up or liquidation or reorganization any payment or distribution of assets of the Company of any kind or character, whether in cash, property or securities, to which the Holders of the Securities or the Trustee under this Indenture would be entitled, except for the provisions hereof, shall be paid by the Company or by any receiver, trustee in bankruptcy, liquidating trustee, agent or other Person making such payment or distribution, or by the Holders of the Securities or by the Trustee under this Indenture if received by them or it, as the case may be, directly to the holders of Senior Debt (pro rata to each such holder on the basis of the respective amounts of Senior Debt held by such holder) or their representatives, to the extent necessary to pay all Senior Debt in full, in cash or Cash Equivalents, after giving effect to any concurrent payment or distribution to or for the holders of Senior Debt, before any payment or distribution is made to the Holders of the Securities or to the Trustee under this Indenture.

In the event that, contrary to the foregoing, any payment or

distribution of assets of the Company of any kind or character, whether in cash, property or securities (other than junior securities, as defined in Section 11.11), shall be received by the Trustee or the Holders of the Securities before all Senior Debt is paid in full in cash or Cash Equivalents or provision made for such payment in accordance with its terms, such payment or distribution shall be paid over or delivered to the holders of such Senior Debt or their representative or representatives, or to the trustee or trustees under any indenture pursuant to which any instruments evidencing any of such Senior Debt have been issued, as their respective interests may appear, for application to the payment of all Senior Debt remaining unpaid to the extent necessary to pay all such Senior Debt in full in cash or Cash Equivalents in accordance with its terms, after giving effect to any concurrent payment or distribution to or for the holders of such Senior Debt.

Subject to the payment in full in cash or Cash Equivalents of all Senior Debt, the Holders of the Securities (together with the holders of any other indebtedness of the Company that is subordinated in right of payment to the payment in full of all Senior Debt that is not subordinated in right of payment to the Securities and that by its terms grants such right of subrogation to the holders thereof) shall be subrogated to the rights of the holders of Senior Debt to receive payments or distribution of assets of the Company made on the Senior Debt until the principal of, premium, if any, and interest on, or amounts payable upon repurchase of, the Securities shall be paid in full; and, for the purposes of such subrogation, no payments or distributions to the holders of Senior Debt of any cash, property or securities to which the Holders of the Securities or the Trustee would be entitled except for the provisions of this Article, and no payment over pursuant to the provisions of this Article to the holders of Senior Debt by the Holders of the Securities or the Trustee, shall, as between the Company, its creditors other than the holders of Senior Debt, and the Holders of Securities, be deemed to be a payment by the Company to the holders of or on account of Senior Debt, it being understood that the provisions of this Article are and are intended solely for the purpose of defining the relative rights of the Holders of the Securities, on the one hand, and the holders of Senior Debt, on the other hand.

SECTION 11.3 TRUSTEE TO EFFECTUATE SUBORDINATION.

Each Holder of a Security by his acceptance thereof authorizes and directs the Trustee on his behalf to take such action as may be necessary or appropriate to effectuate the

-65-

subordination provided in this Article and appoints the Trustee his attorney-in-fact for any and all such purposes.

SECTION 11.4 NO WAIVER OF SUBORDINATION PROVISIONS.

No right of any present or future holder of any Senior Debt to enforce subordination as herein provided shall at any time in any way be prejudiced or impaired by any act or failure to act on the part of the Company or by any act or failure to act, in good faith, by any such holder of any Senior Debt or by any non-compliance by the Company with the terms, provisions and covenants of this Indenture, regardless of any knowledge thereof any such holder may have or be otherwise charged with.

Without in any way limiting the generality of the foregoing paragraph, the holders of Senior Debt may, at any time and from time to time, without the consent of or notice to the Trustee or the Holders of the Securities, without incurring responsibility to the Holders of the Securities and without impairing or releasing the subordination provided in this Article or the obligations hereunder of the Holders of the Securities to the holders of Senior Debt, do any one or more of the following: (a) change the manner, place or terms of payment or extend the time of payment of, or renew or alter, Senior Debt or otherwise amend or supplement in any manner Senior Debt or any instrument evidencing the same or any agreement under which Senior Debt is outstanding; (b) sell, exchange, release or otherwise deal with any property pledged, mortgaged or otherwise securing Senior Debt; (c) release any Person liable in any manner for the collection of Senior Debt; and (d) exercise or refrain from exercising any rights against the Company and any other Person.

SECTION 11.5 NOTICE TO TRUSTEE.

The Company shall give prompt written notice to the Trustee of any fact known to the Company that would prohibit the making of any payment to or by the Trustee in respect of the Securities. Notwithstanding the provisions of this Article or any other provision of this Indenture, the Trustee shall not be charged with knowledge of the existence of any facts that would prohibit the making of any payment to or by the Trustee in respect of the Securities, unless and until a Responsible Officer of the Trustee shall have received written notice thereof from the Company or a holder of Senior Debt or from any trustee, agent or representative therefor; and, prior to the receipt of any such written notice, the Trustee, subject to the provisions of Section 5.1, shall be entitled in all respects to assume that no such facts exist; provided, however, that if the Trustee shall not have received the notice provided for in this Section 11.5 prior to the date upon which by the terms hereof any money may become payable for any purpose (including without limitation the payment of the principal of (and premium, if any) or interest on any Security), then, anything herein contained to the contrary notwithstanding, the Trustee shall have full power and authority to receive such money and to apply the same to the purpose for which such money was received and shall not be affected by any notice to the contrary that may be received by it within two Business Days prior to such date.

Subject to the provisions of Section 5.1, the Trustee shall be entitled to rely on the delivery to it of a written notice by a Person representing himself to be a holder of Senior Debt (or a trustee, agent or representative therefor) to establish that such notice has been given by a

-66-

holder of Senior Debt (or a trustee, agent or representative therefor). In the event that the Trustee determines in good faith that further evidence is required with respect to the right of any Person as a holder of Senior Debt to participate in any payment or distribution pursuant to this Article Eleven, the Trustee may request such Person to furnish evidence to the reasonable satisfaction of the Trustee as to the amount of Senior Debt held by such Person, the extent to which such Person is entitled to participate in such payment or distribution and any other facts pertinent to the rights of such Person under this Article Eleven, and if such evidence is not furnished, the Trustee may defer any payment to such Person pending judicial determination as to the right of such Person to receive such payment.

SECTION 11.6 RELIANCE ON JUDICIAL ORDER OR CERTIFICATE OF LIQUIDATING AGENT.

Upon any payment or distribution of assets of the Company referred to in this Article, the Trustee, subject to the provisions of Section 5.1, and the Holders of the Securities shall be entitled to rely upon any order or decree entered by any court of competent jurisdiction in which such insolvency, bankruptcy, receivership, liquidation, reorganization, dissolution, winding up or similar case or proceeding is pending, or a certificate of the trustee in bankruptcy, receiver, liquidating trustee, custodian, assignee for the benefit of creditors, agent or other Person making such payment or distribution, delivered to the Trustee or to the Holders of Securities, for the purpose of ascertaining the Persons entitled to participate in such payment or distribution, the holders of the Senior Debt and other indebtedness of the Company, the amount thereof or payable thereon, the amount or amounts paid or distributed thereon and all other facts pertinent thereto or to this Article.

SECTION 11.7 TRUSTEE NOT FIDUCIARY FOR HOLDERS OF SENIOR DEBT.

The Trustee shall not be deemed to owe any fiduciary duty to the holders of Senior Debt and shall not be liable to any such holders if it shall in good faith mistakenly pay over or distribute to Holders of Securities or to the Company or to any other Person cash, property or securities to which any holders of Senior Debt shall be entitled by virtue of this Article or otherwise. With respect to the holders of Senior Debt, the Trustee undertakes to perform or to observe only such of its covenants or obligations as are specifically set forth in this Article Eleven, and no implied covenants or obligations with respect to holders of Senior Debt shall be read into this Indenture against the Trustee.

SECTION 11.8 RELIANCE BY HOLDERS OF SENIOR DEBT ON SUBORDINATION PROVISIONS.

Each Holder by accepting a Security acknowledges and agrees that the foregoing subordination provisions are, and are intended to be, an inducement and a consideration to each holder of any Senior Debt, whether such Senior Debt was created or acquired before or after the issuance of the Securities, to acquire and continue to hold, or to continue to hold, such Senior Debt, and such holder of Senior Debt shall be deemed conclusively to have relied on such subordination provisions in acquiring and continuing to hold, or in continuing to hold, such Senior Debt. Such holders of the Company's Senior Debt are intended by the parties to the Indenture to be third party creditor beneficiaries under this Indenture for the purposes of enforcing the provisions of this Article Eleven.

-67-

SECTION 11.9 RIGHTS OF TRUSTEE AS HOLDER OF SENIOR DEBT; PRESERVATION OF TRUSTEE'S RIGHTS.

The Trustee in its individual capacity shall be entitled to all the rights set forth in this Article Eleven with respect to any Senior Debt that may at any time be held by it, to the same extent as any other holder of Senior Debt, and nothing in this Indenture shall deprive the Trustee of any of its rights as such holder.

Nothing in this Article Eleven shall apply to claims of, or payments to, the Trustee under or pursuant to Section 5.7.

SECTION 11.10 ARTICLE APPLICABLE TO PAYING AGENTS.

In case at any time any Paying Agent other than the Trustee shall have been appointed by the Company and be then acting hereunder, the term "Trustee" as used in this Article shall in such case (unless the context otherwise requires) be construed as extending to and including such Paying Agent within its meaning as fully for all intents and purposes as if such Paying Agent were named in this Article Eleven in addition to or in place of the Trustee; provided, however, that Section 11.9 shall not apply to the Company or any Affiliate of the Company if it or such Affiliate acts as Paying Agent.

SECTION 11.11 CERTAIN CONVERSIONS AND REPURCHASES DEEMED PAYMENT.

For the purposes of this Article Eleven only, (a) the issuance and delivery of junior securities upon conversion of Securities in accordance with Article Ten or upon the repurchase of Securities in accordance with Article Twelve shall not be deemed to constitute a payment or distribution on account of the principal of or premium or interest or Liquidated Damages on Securities or on account of the purchase or other acquisition of Securities, and (b) the payment, issuance or delivery of cash, property or securities (other than junior securities) upon conversion of a Security shall be deemed to constitute payment on account of the principal of such Security. For the purposes of this Section 11.11, the term "junior securities" means (1) shares of any stock of any class of the Company and any cash, property or securities into which the Securities are convertible pursuant to Article Ten and (2) securities of the Company that are subordinated in right of payment to all Senior Debt that may be outstanding at the time of issuance or delivery of such securities to substantially the same extent as, or to a greater extent than, the Securities are so subordinated as provided in this Article Eleven. Nothing contained in this Article Eleven or elsewhere in this Indenture or in the Securities is intended to or shall impair, as among the Company, its creditors other than holders of Senior Debt and the Holders of the Securities, the right, which is absolute and unconditional, of the Holder of any Security to convert such Security in accordance with Article Ten or to exchange such Security for Common Stock in accordance with Article Twelve if the Company elects to satisfy the obligations under Article Twelve by the delivery of Common Stock.

-68-

ARTICLE TWELVE

REPURCHASE OF SECURITIES AT THE OPTION OF THE HOLDER UPON A CHANGE IN CONTROL

SECTION 12.1 RIGHT TO REQUIRE REPURCHASE.

In the event that a Change in Control shall occur, then each Holder shall have the right, at the Holder's option, but subject to the provisions of Section 12.2, to require the Company to repurchase, and upon the exercise of such right the Company shall repurchase, all of such Holder's Securities not theretofore called for redemption, or any portion of the principal amount thereof that is equal to U.S.\$1,000 or any greater integral multiple of U.S.\$1,000, on the date (the "REPURCHASE DATE") that is fixed by the Company at a cash purchase price equal to 100% of the principal amount of the Securities to be repurchased plus interest accrued to the Repurchase Date (the "REPURCHASE PRICE"); provided, however, that installments of interest and Liquidated Damages, if any, on Securities whose Stated Maturity is on or prior to the Repurchase Date shall be payable to the Holders of such Securities, or one or more Predecessor Securities, registered as such on the relevant Record Date according to their terms and the provisions of Section 2.8. The Repurchase Date will be determined by the Company in the following manner: (i) the Company will give notice of the Change in Control as contemplated in Section 12.3(a); (ii) each Holder electing to exercise the repurchase right must deliver, on or before the thirtieth (30th) day (or such greater period as may be required by applicable law) after the date of the Company's notice provided in provision (i) above: (A) irrevocable written notice to the trustee of such Holder's exercise of its repurchase right, and (B) the Securities with respect to which such repurchase right is being exercised; and (iii) the Company will make the repurchase on a date that is no later than 45 days after the Holder has delivered the notice provided in proviso (ii) above. Such right to require the repurchase of the Securities shall not continue after a discharge of the Company from its obligations with respect to the Securities in accordance with Article Three unless a Change in Control shall have occurred prior to such discharge. At the option of the Company, the Repurchase Price may be paid in cash or, subject to the fulfillment by the Company of the conditions set forth Section 12.2, by delivery of shares of Common Stock or in a combination of cash and Common Stock having a fair market value equal to the Repurchase Price. Whenever in this Indenture (including Sections 2.2, 4.1(a) and 4.8) there is a reference, in any context, to the principal of any Security as of any time, such reference shall be deemed to include reference to the Repurchase Price that has become and remains payable in respect of such Security to the extent that such Repurchase Price is, was or would be so payable at such time, and express mention of the Repurchase Price in any provision of this Indenture shall not be construed as excluding the Repurchase Price in those provisions of this Indenture when such express mention is not made; provided, however, that for the purposes of Article Eleven such reference shall be deemed to include reference to the Repurchase Price only to the extent the Repurchase Price is payable in cash.

For purposes of this Section 12.1, the fair market value of shares of Common Stock shall be determined by the Company and shall be equal to 95% of the average of the high and low sales price per share of the Common Stock on the New York Stock Exchange (or, if not listed on the New York Stock Exchange, such other national securities exchange or otherwise in

-69-

the over-the-counter market, as applicable) for each of the five consecutive Trading Days immediately preceding and including the third Trading Day prior to the Repurchase Date.

SECTION 12.2 CONDITIONS TO THE COMPANY'S ELECTION TO PAY THE REPURCHASE PRICE IN COMMON STOCK.

The Company may elect to pay the Repurchase Price by delivery of shares of Common Stock pursuant to Section 12.1 if and only if the following conditions shall have been satisfied:

(a) As to each Holder, the Repurchase Price shall be paid only in cash in the event any shares of Common Stock to be issued to such Holder upon repurchase of Securities hereunder (1) require registration under any federal securities law before such shares may be freely transferable without being subject to any transfer restrictions under the Securities Act upon repurchase and if such registration is not completed or does not become effective prior to the Repurchase Date or (2) require registration with or approval of any governmental authority under any state law or any other federal law before such shares may be validly issued or delivered upon repurchase and if such registration is not completed or does not become effective or such approval is

not obtained prior to the Repurchase Date;

(b) Payment of the Repurchase Price may not be made in Common Stock unless such stock is, or shall have been, approved for quotation on The Nasdaq Stock Market or listed or quoted on a national securities exchange or other quotation system, in either case, prior to the Repurchase Date; and

(c) All shares of Common Stock that may be issued upon repurchase of Securities will be issued out of the Company's authorized but unissued Common Stock will and, upon issue, be duly and validly issued and fully paid and non-assessable and free of any preemptive rights.

If all of the conditions set forth in this Section 12.2 are not satisfied in accordance with the terms thereof, the Repurchase Price shall be paid by the Company only in cash.

SECTION 12.3 NOTICES; METHOD OF EXERCISING REPURCHASE RIGHT, ETC.

(a) Unless the Company shall have theretofore called for redemption all of the Outstanding Securities, on or before the thirtieth day after the occurrence of a Change in Control, the Company or, at the request and expense of the Company on or before the thirtieth day after such occurrence, the Trustee, shall give to all Holders of Securities, in the manner provided in Section 1.6, notice (the "COMPANY NOTICE") of the occurrence of the Change in Control and of the repurchase right set forth herein arising as a result thereof. The Company shall also deliver a copy of such notice of a repurchase right to the Trustee.

Each notice of a repurchase right shall state:

(1) the Repurchase Date,

(2) the date by which the repurchase right must be exercised,

-70-

(3) the Repurchase Price, and whether the Repurchase Price shall be paid by the Company in cash or by delivery of shares of Common Stock,

(4) a description of the procedure that a Holder must follow to exercise a repurchase right, and the place or places where such Securities are to be surrendered for payment of the Repurchase Price and accrued interest and Liquidated Damages, if any,

(5) that on the Repurchase Date, the Repurchase Price, and accrued interest and Liquidated Damages, if any, will become due and payable upon each such Security designated by the Holder to be repurchased and that interest thereon shall cease to accrue on and after said date,

(6) the Conversion Rate then in effect, the date on which the right to convert the principal amount of the Securities to be repurchased will terminate and the place or places where such Securities may be surrendered for conversion,

(7) the place or places that the Notice of Election of Holder to Require Repurchase attached hereto as Exhibit B, shall be delivered, and the form of such notice, and

(8) the CUSIP number or numbers of such Securities.

No failure of the Company to give the foregoing notices or defect therein shall limit any Holder's right to exercise a repurchase right or affect the validity of the proceedings for the repurchase of Securities.

If any of the foregoing provisions or other provisions of this Article Twelve are inconsistent with applicable law, such law shall govern.

(b) To exercise a repurchase right, a Holder shall deliver to the Trustee on or before the thirtieth day (or such greater period as may be required by applicable law) after the date of the Company Notice (1) written notice of the Holder's exercise of such right, which notice shall set forth the name of the Holder, the principal amount of the Securities to be repurchased

(and, if any Security is to repurchased in part, the serial number thereof, the portion of the principal amount thereof to be repurchased and the name of the Person in which the portion thereof to remain Outstanding after such repurchase is to be registered) and a statement that an election to exercise the repurchase right is being made thereby, and, in the event that the Repurchase Price shall be paid in shares of Common Stock, the name or names (with addresses) in which the certificate or certificates for shares of Common Stock shall be issued, and (2) the Securities with respect to which the repurchase right is being exercised. Such written notice shall be irrevocable, except that the right of the Holder to convert the Securities with respect to which the repurchase right is being exercised shall continue until the close of business on the Business Day immediately preceding the Repurchase Date.

(c) In the event a repurchase right shall be exercised in accordance with the terms hereof, the Company shall pay or cause to be paid to the Trustee the Repurchase Price in cash or shares of Common Stock, as provided above, for payment to the Holder on the Repurchase Date or, if shares of Common Stock are to be paid, as promptly after the Repurchase

-71-

Date as practicable, together with accrued and unpaid interest and Liquidated Damages, if any, to the Repurchase Date payable with respect to the Securities as to which the purchase right has been exercised; provided, however, that installments of interest that mature on or prior to the Repurchase Date shall be payable in cash to the Holders of such Securities, or one or more Predecessor Securities, registered as such at the close of business on the relevant Regular Record Date.

(d) If any Security (or portion thereof) surrendered for repurchase shall not be so paid on the Repurchase Date, the principal amount of such Security (or portion thereof, as the case may be) shall, until paid, bear interest to the extent permitted by applicable law from the Repurchase Date at the rate then in effect per annum, and each Security shall remain convertible into Common Stock until the principal of such Security (or portion thereof, as the case may be) shall have been paid or duly provided for.

(e) Any Security that is to be repurchased only in part shall be surrendered to the Trustee (with, if the Company or the Trustee so requires, due endorsement by, or a written instrument of transfer in form satisfactory to the Company and the Trustee duly executed by, the Holder thereof or his attorney duly authorized in writing), and the Company shall execute, and the Trustee shall authenticate and make available for delivery to the Holder of such Security without service charge, a new Security or Securities, containing identical terms and conditions, each in an authorized denomination in aggregate principal amount equal to and in exchange for the unreurchased portion of the principal of the Security so surrendered.

(f) Any issuance of shares of Common Stock in respect of the Repurchase Price shall be deemed to have been effected immediately prior to the close of business on the Repurchase Date and the Person or Persons in whose name or names any certificate or certificates for shares of Common Stock shall be issuable upon such repurchase shall be deemed to have become on the Repurchase Date the holder or holders of record of the shares represented thereby; provided, however, that any surrender for repurchase on a date when the stock transfer books of the Company shall be closed shall constitute the Person or Persons in whose name or names the certificate or certificates for such shares are to be issued as the record holder or holders thereof for all purposes at the opening of business on the next succeeding day on which such stock transfer books are open. No payment or adjustment shall be made for dividends or distributions on any Common Stock issued upon repurchase of any Security declared prior to the Repurchase Date.

(g) No fractions of shares shall be issued upon repurchase of Securities. If more than one Security shall be repurchased from the same Holder and the Repurchase Price shall be payable in shares of Common Stock, the number of full shares that shall be issuable upon such repurchase shall be computed on the basis of the aggregate principal amount of the Securities so repurchased. Instead of any fractional share of Common Stock that would otherwise be issuable on the repurchase of any Security or Securities, the Company will deliver to the applicable Holder its check for the current market value of such fractional

share. The current market value of a fraction of a share is determined by multiplying the current market price of a full share by the fraction and rounding the result to the nearest cent. For purposes of this Section 12.3, the current market price of a share of Common Stock is the average of the high

-72-

and low sales price per Share of the Common Stock on the Trading Day immediately preceding the Repurchase Date.

(h) Any issuance and delivery of certificates for shares of Common Stock on repurchase of Securities shall be made without charge to the Holder of Securities being repurchased for such certificates or for any tax or duty in respect of the issuance or delivery of such certificates or the securities represented thereby; provided, however, that the Company shall not be required to pay any tax or duty that may be payable in respect of (1) income of the Holder or (2) any transfer involved in the issuance or delivery of certificates for shares of Common Stock in a name other than that of the Holder of the Securities being repurchased, and no such issuance or delivery shall be made unless and until the Person requesting such issuance or delivery has paid to the Company the amount of any such tax or duty or has established, to the satisfaction of the Company, that such tax or duty has been paid.

(i) All Securities delivered for repurchase shall be delivered to the Trustee to be canceled at the direction of the Trustee, which shall dispose of the same as provided in Section 2.10.

ARTICLE THIRTEEN

HOLDERS LISTS AND REPORTS BY TRUSTEE AND COMPANY; NON-RECOURSE

SECTION 13.1 COMPANY TO FURNISH TRUSTEE NAMES AND ADDRESSES OF HOLDERS.

The Company will furnish or cause to be furnished to the Trustee:

(a) semi-annually, not more than 15 days after the Regular Record Date, a list, in such form as the Trustee may reasonably require, of the names and addresses of the Holders of Securities as of such Regular Record Date, and

(b) at such other times as the Trustee may reasonably request in writing, within 30 days after the receipt by the Company of any such request, a list of similar form and content as of a date not more than 15 days prior to the time such list is furnished;

provided, however, that no such list need be furnished so long as the Trustee is acting as Security Registrar.

SECTION 13.2 PRESERVATION OF INFORMATION.

(a) The Trustee shall preserve, in as current a form as is reasonably practicable, the names and addresses of Holders contained in the most recent list furnished to the Trustee as provided in Section 13.1 and the names and addresses of Holders received by the Trustee in its capacity as Security Registrar. The Trustee may destroy any list furnished to it as provided in Section 13.1 upon receipt of a new list so furnished.

(b) After this Indenture has been qualified under the Trust Indenture Act, the rights of Holders to communicate with other Holders with respect to their rights under this

-73-

Indenture or under the Securities, and the corresponding rights and duties of the Trustee, shall be as provided by the Trust Indenture Act.

(c) Every Holder of Securities, by receiving and holding the same, agrees with the Company and the Trustee that neither the Company nor the Trustee nor any agent of either of them shall be held accountable by reason of any disclosure of information as to names and addresses of Holders made pursuant to the Trust Indenture Act.

SECTION 13.3 NO RECOURSE AGAINST OTHERS.

An incorporator or any past, present or future director, officer, employee or stockholder, as such, of the Company shall not have any liability for any obligations of the Company under the Securities or this Indenture or for any claim based on, in respect of or by reason of such obligations or their creation. By accepting a Security, each Holder shall waive and release all such liability. Such waiver and release shall be part of the consideration for the issue of the Securities.

SECTION 13.4 REPORTS BY TRUSTEE.

(a) After this Indenture has been qualified under the Trust Indenture Act, the Trustee shall transmit to Holders such reports concerning the Trustee and its actions under this Indenture as may be required pursuant to the Trust Indenture Act at the times and in the manner provided therein. If required by Section 313(a) of the Trust Indenture Act, the Trustee shall, within 60 days after each _____ following the date of this Indenture, deliver to Holders a brief report, dated as of such _____, that complies with the provisions of such Section 313(a).

(b) After this Indenture has been qualified under the Trust Indenture Act, a copy of each such report shall, at the time of such transmission to Holders, be filed by the Trustee with each stock exchange upon which the Securities are listed, with the Commission and with the Company. The Company will promptly notify the Trustee when the Securities are listed on any stock exchange.

SECTION 13.5 REPORTS BY COMPANY.

After this Indenture has been qualified under the Trust Indenture Act, the Company shall file with the Trustee and the Commission, and transmit to Holders, such information, documents and other reports, and such summaries thereof, as may be required pursuant to the Trust Indenture Act at the times and in the manner provided therein; provided, however, that any such information, documents or reports required to be filed with the Commission pursuant to Section 13 or 15(d) of the Exchange Act shall be filed with the Trustee within 15 days after the same is so required to be filed with the Commission.

Delivery of such reports, information and documents to the Trustee is for informational purposes only and the Trustee's receipt thereof shall not constitute constructive notice of any information contained therein or determinable from information contained therein, including the Company's compliance with any of its covenants hereunder (as to which the Trustee is entitled to rely exclusively on Officers' Certificates).

-74-

IN WITNESS WHEREOF, the parties hereto have caused this Indenture to be duly executed, all as of the day and year first above written.

[FORM OF REVERSE]

This Security is one of a duly authorized issue of securities of the Company designated as its " % Convertible Subordinated Notes due , 2007" (herein called the "Securities"), limited in aggregate principal amount to U.S.\$,000,000 (U.S.\$,000,000 if the over-allotment is fully exercised), issued and to be issued under an Indenture, dated as of , 2002 (herein called the "Indenture"), between the Company and Wells Fargo Bank, National Association, as Trustee (herein called the "Trustee," which term includes any successor trustee under the Indenture), to which Indenture and all indentures supplemental thereto reference is hereby made for a statement of the respective rights, limitations of rights, duties and immunities thereunder of the Company, the Trustee, the holders of Senior Debt and the Holders of the Securities and of the terms upon which the Securities are, and are to be, authenticated and delivered. As provided in the Indenture and subject to certain limitations set forth therein, Registered Securities are exchangeable for a like aggregate principal amount of Registered Securities of any authorized denominations as requested by the Holder surrendering the same upon surrender of the Registered Security or Registered Securities to be exchanged at the Corporate Trust Office. The Trustee upon such surrender by the Holder will issue the new Registered Securities in the requested denominations.

No sinking fund is provided for the Securities.

The Securities are subject to redemption at the option of the Company at any time on or after , 2005, in whole or in part, upon not less than 30 nor more than 60 days' notice to the Holders prior to the Redemption Date at the following Redemption Prices (expressed as percentages of the principal amount) for the twelve-month period beginning on of the following years (through in the case of the first of such periods):

and thereafter at a Redemption Price equal to 100% of the principal amount, together, in each case, with accrued interest to, but excluding the Redemption Date; provided, however, that interest installments on Securities whose Stated Maturity is on or prior to such Redemption Date will be payable to the Holders of such Securities, or one or more Predecessor Securities, of record at the close of business on the relevant Record Dates referred to on the face hereof, all as provided in the Indenture.

The Securities are subject to redemption at the option of the Company at any time before , 2005 ("Provisional Redemption"), in whole or in part, upon not less than 30 nor more than 60 days' notice to the Holders prior to the Redemption Date at a Redemption Price equal to 100% of the principal amount, together, in each case, with accrued interest and Liquidated Damages, if any,

to, but excluding, the Redemption Date, if (a) the closing price of

A-7

the Company's Common Stock has exceeded 150% of the Conversion Price then in effect for at least 20 trading days within a period of 30 consecutive trading days ending on the trading day immediately before the date of mailing of the notice of the Provisional Redemption, and (b) the Shelf Registration Statement is effective and available for use and is expected to remain effective and available for use for the 30 days following the Redemption Date, unless registration is no longer required. Upon any Provisional Redemption, the Company will pay to the Holders cash or Common Stock, or in a combination of cash and Common Stock, with respect to the Securities called for Provisional Redemption, and previously converted after the notice of Provisional Redemption and before to the date of the Provisional Redemption, in an amount equal to \$_____ per \$1,000 principal amount of the Securities, less the amount of any interest paid on the Securities before the date of the Provisional Redemption. For purposes of any such payment in Common Stock, the value of such Common Stock will be at 95% of the average of the closing sales prices of the Company's Common Stock for each of the five trading days ending with the third trading day immediately prior to the Redemption Date.

In the event of a redemption of the Securities, the Company will not be required (a) to register the transfer or exchange of Registered Securities for a period of 15 days immediately preceding the date notice is given identifying the serial numbers of the Securities called for such redemption (it being understood that the Company will not be required to identify the serial numbers of Outstanding Securities if all such Securities are called for redemption) or (b) to register the transfer or exchange of any Registered Security, or portion thereof, called for redemption.

Notice to the Holders will be given not less than 30 nor more than 60 days prior to the Redemption Date as provided in the Indenture.

In any case where the due date for the payment of the principal of, premium, if any, Liquidated Damages, if any, or interest on any Security or the last day on which a Holder of a Security has a right to convert his Security shall be, at any Place of Payment or Place of Conversion, as the case may be, a day on which banking institutions at such Place of Payment or Place of Conversion are authorized or obligated by law or executive order to close, then payment of principal, premium, if any, Liquidated Damages, if any, or interest or delivery for conversion of such Security need not be made on or by such date at such place but may be made on or by the next succeeding day at such place which is not a day on which banking institutions are authorized or obligated by law or executive order to close, with the same force and effect as if made on the date for such payment or the date fixed for redemption or repurchase, or by such last day for conversion, and no interest shall accrue on the amount so payable for the period from and after such due date.

Subject to and upon compliance with the provisions of the Indenture, the Holder of this Security is entitled, at his option, at any time following the original issue date of the Securities and on or before the close of business on _____, 2007, or in case this Security or a portion hereof is called for redemption or the Holder hereof has exercised his right to require the Company to repurchase this Security or such portion hereof, then in respect of this Security until

and including, but (unless the Company defaults in making the payment due upon redemption or repurchase, as the case may be) not after, the close of business on the Business Day immediately preceding the Redemption Date or the Repurchase Date, as the case may be, to convert this Security or any portion of the principal amount hereof that is an integral multiple of U.S.\$1,000 (provided that the unconverted portion of such principal amount is U.S.\$1,000 or any integral multiple of U.S.\$1,000 in excess thereof) into fully paid and nonassessable shares of Common Stock of the Company at an initial Conversion Rate of _____ (or at the current adjusted Conversion Rate if an adjustment has been made as provided in the Indenture) by surrender of this Security, duly endorsed or assigned to the Company or in blank and, in case such surrender shall be made during the period from the close of business on any Regular Record

Date next preceding any Interest Payment Date to the opening of business on such Interest Payment Date (except if this Security has been called for redemption on a Redemption Date or is repurchasable on a Repurchase Date, with the consequence that the conversion right of such Security would terminate between such Regular Record Date and the close of business on such Interest Payment Date), also accompanied by payment in New York Clearing House or other funds acceptable to the Company of an amount equal to the interest payable on such Interest Payment Date on the principal amount of this Security then being converted, and also the conversion notice hereon duly executed, to the Company at the Corporate Trust Office, or at such other office or agency of the Company, subject to any laws or regulations applicable thereto and subject to the right of the Company to terminate the appointment of any Conversion Agent (as defined below) as may be designated by it for such purpose in the Borough of Manhattan, The City of New York, or at such other offices or agencies as the Company may designate (each a "Conversion Agent"), provided, further, that in case surrender of this Security for conversion shall be made during the period from the close of business on any Regular Record Date next preceding any Interest Payment Date to the opening of business on such Interest Payment Date and if this Security or portion hereof has been called for redemption on a Redemption Date or is repurchasable on a Repurchase Date, with the consequence that the conversion right of such Security would terminate between such Regular Record Date and the close of business on such Interest Payment Date, then the Holder of this Security will be entitled to receive the interest accruing hereon from the Interest Payment Date next preceding the date of such conversion to such succeeding Interest Payment Date and shall not be required to pay such interest upon surrender of this Security for conversion. Subject to the provisions of the preceding sentence and, in the case of a conversion after the close of business on the Regular Record Date next preceding any Interest Payment Date and on or before the close of business on such Interest Payment Date, to the right of the Holder of this Security (or any Predecessor Security of record as of such Regular Record Date) to receive the related installment of interest to the extent and under the circumstances provided in the Indenture, no cash payment or adjustment is to be made on conversion for interest accrued hereon from the Interest Payment Date next preceding the day of conversion, or for dividends on the Common Stock issued on conversion hereof. The Company shall thereafter deliver to the Holder the fixed number of shares of Common Stock (together with any cash adjustment or rights or warrants, as provided in the Indenture) into which this Security is convertible and such delivery will be deemed to satisfy the Company's obligation to pay the principal amount of this Security. No fractions of shares or scrip representing fractions of shares will be issued on

A-9

conversion, but instead of any fractional interest (calculated to the nearest 1/100th of a share) the Company shall pay a cash adjustment as provided in the Indenture. The Conversion Rate is subject to adjustment as provided in the Indenture. In addition, the Indenture provides that in case of certain consolidations or mergers to which the Company is a party or the conveyance, transfer, sale or lease of all or substantially all of the property and assets of the Company, the Indenture shall be amended, without the consent of any Holders of Securities, so that this Security, if then Outstanding, will be convertible thereafter, during the period this Security shall be convertible as specified above, only into the kind and amount of securities, cash and other property receivable upon such consolidation, merger, conveyance, transfer, sale or lease by a holder of the number of shares of Common Stock of the Company into which this Security could have been converted immediately prior to such consolidation, merger, conveyance, transfer, sale or lease (assuming such holder of Common Stock is not a Constituent Person, failed to exercise any rights of election and received per share the kind and amount received per share by a plurality of Non-electing Shares). No adjustment in the Conversion Rate will be made until such adjustment would require an increase or decrease of at least one percent of such rate, provided that any adjustment that would otherwise be made will be carried forward and taken into account in the computation of any subsequent adjustment.

Subject to certain limitations in the Indenture, at any time when the Company is not subject to Section 13 or 15(d) of the United States Securities Exchange Act of 1934, as amended, upon the request of a Holder of a Security or the holder of shares of Common Stock issued upon conversion thereof, the Company will promptly furnish or cause to be furnished Rule 144A Information (as defined below) to such Holder of Securities or such holder of shares of Common Stock

issued upon conversion of Securities, or to a prospective purchaser of any such security designated by any such Holder or holder, as the case may be, to the extent required to permit compliance by such Holder or holder with Rule 144A under the Securities Act of 1933, as amended (the "Securities Act"), in connection with the resale of any such security. "Rule 144A Information" shall be such information as is specified pursuant to Rule 144A(d)(4) under the Securities Act (or any successor provision thereto).

The Holder of this Security [IF THIS SECURITY IS A GLOBAL SECURITY, THEN INSERT--(INCLUDING ANY PERSON THAT HAS A BENEFICIAL INTEREST IN THIS SECURITY)] and the Common Stock issuable upon conversion hereof is entitled to the benefits of a Registration Rights Agreement, dated as of _____, 2002 (the "Registration Rights Agreement"), executed by the Company. Pursuant to the Registration Rights Agreement, the Company has agreed for the benefit of the Holders from time to time of Registered Securities and the Common Stock issuable upon conversion thereof, in each case, that are Registrable Securities, at the Company's expense, (a) to file on or before 90 days after the first date of original issuance of the Securities, a shelf registration statement (the "Shelf Registration Statement") with the Commission with respect to resales of the Registrable Securities, (b) thereafter to use its reasonable best efforts to cause such Shelf Registration Statement to be declared effective by the Commission on or before 180 days after the first date of original issuance of the Securities, subject to the Company's right to postpone having the Shelf Registration Statement declared effective for an additional 60 days in limited

A-10

circumstances described in the Registration Rights Agreement, and (c) to use its reasonable best efforts to maintain such Shelf Registration Statement continuously effective under the Securities Act until the earlier of (1) the sale under the Shelf Registration Statement of all the Registrable Securities registered thereunder and (2) the expiration of the holding period applicable to such Registrable Securities held by persons that are not affiliates of the Company under Rule 144(k) under the Securities Act or any successor previously subject to specific permitted exceptions. The Company is required to pay Liquidated Damages to holders of Registrable Securities for failure to comply with the foregoing registration obligations, all as more fully set forth in the Registration Rights Agreement.

Whenever in this Security there is a reference, in any context, to the payment of the principal of, premium, if any, or interest on, or in respect of, any Security such mention shall be deemed to include mention of the payment of Liquidated Damages payable as described in the Registration Rights Agreement to the extent that, in such context, Liquidated Damages are, were or would be payable in respect of this Security pursuant to the Registration Rights Agreement, and an express mention of the payment of Liquidated Damages (if applicable) in any provisions of this Security shall not be construed as excluding Liquidated Damages in those provisions of this Security where such express mention is not made. If the Holder of this Security [IF THIS SECURITY IS A GLOBAL SECURITY, THEN INSERT--(INCLUDING ANY PERSON THAT HAS A BENEFICIAL INTEREST IN THIS SECURITY)] elects to sell this Security pursuant to the Shelf Registration Statement then, by its acceptance hereof, such Holder of this Security agrees to be bound by the terms of the Registration Rights Agreement relating to the Registrable Securities which are the subject of such election.

If a Change in Control occurs, the Holder of this Security, at the Holder's option, shall have the right, in accordance with the provisions of the Indenture, to require the Company to repurchase this Security (or any portion of the principal amount hereof that is equal to U.S.\$1,000 or any greater integral multiple of U.S.\$1,000) for cash at a Repurchase Price equal to 100% of the principal amount thereof plus interest accrued to, but excluding, the Repurchase Date. At the option of the Company, the Repurchase Price may be paid in cash or, subject to the conditions provided in the Indenture, by delivery of shares of Common Stock or in a combination of cash and Common Stock, having a fair market value equal to the Repurchase Price. For purposes of this paragraph, the fair market value of shares of Common Stock shall be determined by the Company and shall be equal to 95% of the average of the high and low sales price per share for the five consecutive Trading Days immediately preceding and including the third Trading Day prior to the Repurchase Date. Whenever in this Security there is a reference, in any context, to the principal of any Security as of any time, such reference shall be deemed to include reference to the Repurchase Price

payable in respect of such Security to the extent that such Repurchase Price is, was or would be so payable at such time, and express mention of the Repurchase Price in any provision of this Security shall not be construed as excluding the Repurchase Price so payable in those provisions of this Security when such express mention is not made; provided, however, that, for the purposes of the paragraph below concerning the

A-11

consequences of an Event of Default, such reference shall be deemed to include reference to the Repurchase Price only to the extent the Repurchase Price is payable in cash.

[THE FOLLOWING PARAGRAPH SHALL APPEAR IN EACH REGISTERED SECURITY THAT IS NOT A GLOBAL SECURITY:

IN THE EVENT OF REDEMPTION, REPURCHASE OR CONVERSION OF THIS SECURITY IN PART ONLY, A NEW REGISTERED SECURITY OR REGISTERED SECURITIES FOR THE UNREDEEMED, UNREPURCHASED OR UNCONVERTED PORTION HEREOF WILL BE ISSUED IN THE NAME OF THE HOLDER HEREOF.]

[THE FOLLOWING PARAGRAPH SHALL APPEAR IN EACH GLOBAL SECURITY:

IN THE EVENT OF A DEPOSIT OR WITHDRAWAL OF AN INTEREST IN THIS SECURITY, INCLUDING AN EXCHANGE, TRANSFER, REDEMPTION, REPURCHASE OR CONVERSION OF THIS SECURITY IN PART ONLY, THE TRUSTEE, AS CUSTODIAN OF THE DEPOSITARY, SHALL MAKE AN ADJUSTMENT ON ITS RECORDS TO REFLECT SUCH DEPOSIT OR WITHDRAWAL IN ACCORDANCE WITH THE APPLICABLE PROCEDURES.]

The indebtedness evidenced by this Security is, to the extent and in the manner provided in the Indenture, subordinate and subject in right of payment to the prior payment in full in cash or Cash Equivalents of all Senior Debt of the Company, and this Security is issued subject to such provisions of the Indenture with respect thereto. Each Holder of this Security, by accepting the same,

(a) agrees to and shall be bound by such provisions,

(b) authorizes and directs the Trustee on his behalf to take such action as may be necessary or appropriate to effectuate the subordination so provided and

(c) appoints the Trustee his attorney-in-fact for any and all such purposes.

If an Event of Default shall occur and be continuing, the principal of all the Securities, together with accrued interest to the date of declaration, may be declared due and payable in the manner and with the effect provided in the Indenture. Upon payment (i) of the amount of principal so declared due and payable, together with accrued interest to the date of declaration, and (ii) of interest on any overdue principal and, to the extent permitted by applicable law, overdue interest, all of the Company's obligations in respect of the payment of the principal of and interest on the Securities shall terminate.

The Indenture permits, with certain exceptions as therein provided, the amendment thereof and the modification of the rights and obligations of the Company and the rights of the Holders of the Securities under the Indenture at any time by the Company and the Trustee with the written consent of the Holders of a majority in principal amount of the Securities at the time Outstanding. The Indenture also contains provisions permitting the Holders of specified percentages in principal amount of the Securities at the time Outstanding, on behalf of the

A-12

Holders of all the Securities, to waive compliance by the Company with certain provisions of the Indenture and certain past defaults under the Indenture and their consequences. Any such consent or waiver by the Holder of this Security shall be conclusive and binding upon such Holder and upon all future Holders of this Security and of any Security issued in exchange herefor or in lieu hereof, whether or not notation of such consent or waiver is made upon this Security or

such other Security.

As provided in and subject to the provisions of the Indenture, the Holder of this Security shall not have the right to institute any proceeding with respect to the Indenture or for the appointment of a receiver or trustee or for any other remedy thereunder, unless such Holder shall have previously given the Trustee written notice of a continuing Event of Default, the Holders of not less than 25% in principal amount of the Outstanding Securities shall have made written request to the Trustee to institute proceedings in respect of such Event of Default as Trustee and offered the Trustee reasonable indemnity, the Trustee shall have failed to institute any such proceeding for 60 days after receipt of such notice, request and offer of indemnity, and the Trustee has not received any direction inconsistent with such written request from the Holders of a majority of the aggregate principal amount of the Outstanding Securities during such 60 day period. The foregoing shall not apply to any suit instituted by the Holder of this Security for the enforcement of any payment of principal hereof, premium, if any, Liquidated Damages, if any, or interest hereon on or after the respective due dates expressed herein or for the enforcement of the right to convert this Security as provided in the Indenture.

No reference herein to the Indenture and no provision of this Security or of the Indenture shall alter or impair the obligation of the Company, which is absolute and unconditional, to pay the principal of, premium, if any, Liquidated Damages, if any, and interest on this Security at the times, places and rate, and in the coin or currency, herein prescribed or to convert this Security as provided in the Indenture.

As provided in the Indenture and subject to certain limitations therein set forth, the transfer of Registered Securities is registrable on the Security Register upon surrender of a Registered Security for registration of transfer at the Corporate Trust Office of the Trustee or at such other office or agency of the Company as may be designated by it for such purpose in the Borough of Manhattan, The City of New York, or at such other offices or agencies as the Company may designate, duly endorsed by, or accompanied by a written instrument of transfer in form satisfactory to the Company and the Security Registrar duly executed by, the Holder thereof or his attorney duly authorized in writing, and thereupon one or more new Registered Securities, of authorized denominations and for the same aggregate principal amount, will be issued to the designated transferee or transferees by the Registrar. No service charge shall be made for any such registration of transfer or exchange, but the Company may require payment of a sum sufficient to recover any tax or other governmental charge payable in connection therewith.

Prior to due presentation of a Registered Security for registration of transfer, the Company, the Trustee and any agent of the Company or the Trustee may treat the Person in

A-13

whose name such Registered Security is registered as the owner thereof for all purposes, whether or not such Security be overdue, and neither the Company, the Trustee nor any such agent shall be affected by notice to the contrary.

Interest on the Securities shall be computed on the basis of a 360-day year of twelve 30-day months. The Indenture and this Security shall be governed by and construed in accordance with the laws of the State of New York, United States of America, including, without limitation, Section 5-1401 of the New York General Obligations Law.

All terms used in this Security which are defined in the Indenture shall have the meanings assigned to them in the Indenture.

Payment of interest on this Security may

3

be made by United States Dollar check mailed to the address of the Person entitled thereto as such address shall appear in the Security Register or, upon written application by the Holder to the Security Registrar setting forth wire instructions not later than the relevant Record Date, by wire transfer to a United States dollar account (such a wire transfer to be made only to a Holder of an aggregate principal amount of Registered Securities in excess of U.S.\$2,000,000 and only if such Holder shall have furnished wire instructions in writing to the Trustee no later than 15 days prior to the relevant payment date) maintained by the payee.

[REVERSE OF NOTE]

This Security is one of a duly authorized issue of securities of the Company designated as its "4.50% Convertible Subordinated Notes due April 15, 2007" (herein called the "Securities"), limited in aggregate principal amount to U.S. \$75,000,000 (U.S. \$90,000,000 if the over-allotment is fully exercised), issued and to be issued under an Indenture, dated as of April 9, 2002 (herein called the "Indenture"), between the Company and Wells Fargo Bank, National Association, as Trustee (herein called the "Trustee," which term includes any successor trustee under the Indenture), to which Indenture and all indentures supplemental thereto reference is hereby made for a statement of the respective rights, limitations of rights, duties and immunities thereunder of the Company, the Trustee, the holders of Senior Debt and the Holders of the Securities and of the terms upon which the Securities are, and are to be, authenticated and delivered. As provided in the Indenture and subject to certain limitations set forth therein, Registered Securities are exchangeable for a like aggregate principal amount of Registered Securities of any authorized denominations as requested by the Holder surrendering the same upon surrender of the Registered Security or Registered Securities to be exchanged at the Corporate Trust Office. The Trustee upon such surrender by the Holder will issue the new Registered Securities in the requested denominations.

No sinking fund is provided for the Securities.

The Securities are subject to redemption at the option of the Company at any time on or after April 15, 2005, in whole or in part, upon not less than 30 nor more than 60 days' notice to the Holders prior to the Redemption Date at the following Redemption Prices (expressed as percentages of the principal amount) for the twelve-month period beginning on April 15 of the following years (April 15, 2005 through April 15, 2006 in the case of the first of such periods):

<TABLE>

and thereafter at a Redemption Price equal to 100% of the principal amount, together, in each case, with accrued interest to, but excluding the Redemption Date; provided, however, that interest installments on Securities whose Stated Maturity is on or prior to such Redemption Date will be payable to the Holders of such Securities, or one or more Predecessor Securities, of record at the close of business on the relevant Record Dates referred to on the face hereof, all as provided in the Indenture.

The Securities are subject to redemption at the option of the Company at any time before April 15, 2005 ("Provisional Redemption"), in whole or in part, upon not less than 30 nor more than 60 days' notice to the Holders prior to the Redemption Date at a Redemption Price equal to 100% of the principal amount, together, in each case, with accrued interest and Liquidated Damages, if any, to, but excluding, the Redemption Date, if (a) the closing price of the Company's Common Stock has exceeded 150% of the Conversion Price then in effect for at least 20 trading days within a period of 30 consecutive trading days ending on the trading day

6

immediately before the date of mailing of the notice of the Provisional Redemption, and (b) the Shelf Registration Statement is effective and available for use and is expected to remain effective and available for use for the 30 days following the Redemption Date, unless registration is no longer required. Upon any Provisional Redemption, the Company will pay to the Holders cash or Common Stock, or in a combination of cash and Common Stock, with respect to the Securities called for Provisional Redemption, and previously converted after the notice of Provisional Redemption and before to the date of the Provisional Redemption, in an amount equal to \$135.00 per \$1,000 principal amount of the Securities, less the amount of any interest paid on the Securities before the date of the Provisional Redemption. For purposes of any such payment in Common Stock, the value of such Common Stock will be at 95% of the average of the closing sales prices of the Company's Common Stock for each of the five trading days ending with the third trading day immediately prior to the Redemption Date.

In the event of a redemption of the Securities, the Company will not be required (a) to register the transfer or exchange of Registered Securities for a period of 15 days immediately preceding the date notice is given identifying the serial numbers of the Securities called for such redemption (it being understood that the Company will not be required to identify the serial numbers of Outstanding Securities if all such Securities are called for redemption) or (b) to register the transfer or exchange of any Registered Security, or portion thereof, called for redemption.

Notice to the Holders will be given not less than 30 nor more than 60 days prior to the Redemption Date as provided in the Indenture.

In any case where the due date for the payment of the principal of, premium, if any, Liquidated Damages, if any, or interest on any Security or the last day on which a Holder of a Security has a right to convert his Security shall be, at any Place of Payment or Place of Conversion, as the case may be, a day on which banking institutions at such Place of Payment or Place of Conversion are authorized or obligated by law or executive order to close, then payment of principal, premium, if any, Liquidated Damages, if any, or interest or delivery for conversion of such Security need not be made on or by such date at such place but may be made on or by the next succeeding day at such place which is not a day on which banking institutions are authorized or obligated by law or executive order to close, with the same force and effect as if made on the date for such payment or the date fixed for redemption or repurchase, or by such last day for conversion, and no interest shall accrue on the amount so payable for the period from and after such due date.

Subject to and upon compliance with the provisions of the Indenture, the Holder of this Security is entitled, at his option, at any time following the original issue date of the Securities and on or before the close of business on April 15, 2007, or in case this Security or a portion hereof is called for redemption or the Holder hereof has exercised his right to require the Company to repurchase this Security or such portion hereof, then in respect of this Security until and including, but (unless the Company defaults in making the payment due upon redemption or repurchase, as the case may be) not after, the close of business on the Business Day immediately preceding the Redemption Date or the Repurchase Date, as the case may be, to convert this Security or any portion of the principal amount hereof that is an integral multiple of U.S.\$1,000 (provided that the unconverted portion of such principal amount is U.S.\$1,000 or any integral

7

multiple of U.S.\$1,000 in excess thereof) into fully paid and nonassessable shares of Common Stock of the Company at an initial Conversion Rate of 38.5089 (or at the current adjusted Conversion Rate if an adjustment has been made as provided in the Indenture) by surrender of this Security, duly endorsed or assigned to the Company or in blank and, in case such surrender shall be made during the period from the close of business on any Regular Record Date next preceding any Interest Payment Date to the opening of business on such Interest Payment Date (except if this Security has been called for redemption on a Redemption Date or is repurchasable on a Repurchase Date, with the consequence that the conversion right of such Security would terminate between such Regular Record Date and the close of business on such Interest Payment Date), also accompanied by payment in New York Clearing House or other funds acceptable to the Company of an amount equal to the interest payable on such Interest Payment Date on the principal amount of this Security then being converted, and also the conversion notice hereon duly executed, to the Company at the Corporate Trust Office, or at such other office or agency of the Company, subject to any laws or regulations applicable thereto and subject to the right of the Company to terminate the appointment of any Conversion Agent (as defined below) as may be designated by it for such purpose in the Borough of Manhattan, The City of New York, or at such other offices or agencies as the Company may designate (each a "Conversion Agent"), provided, further, that in case surrender of this Security for conversion shall be made during the period from the close of business on any Regular Record Date next preceding any Interest Payment Date to the opening of business on such Interest Payment Date and if this Security or portion hereof has been called for redemption on a Redemption Date or is repurchasable on a Repurchase Date, with the consequence that the conversion right of such Security would terminate between such Regular Record Date and the close of business on such Interest Payment Date, then the Holder of this Security will be entitled to receive the interest accruing hereon from the Interest Payment Date next preceding the date of such conversion to such succeeding Interest Payment Date and shall not be required to pay such interest upon surrender of this Security for conversion. Subject to the provisions of the preceding sentence and, in the case of a conversion after the close of business on the Regular Record Date next preceding any Interest Payment Date and on or before the close of business on such Interest Payment Date, to the right of the Holder of this Security (or any Predecessor Security of record as of such Regular Record Date) to receive the related installment of interest to the extent and under the circumstances provided in the Indenture, no cash payment or adjustment is to be made on conversion for interest accrued hereon from the Interest Payment Date next preceding the day of conversion, or for dividends on the Common Stock issued on conversion hereof. The Company shall thereafter deliver to the Holder the fixed number of shares of Common Stock (together with any cash adjustment or rights or warrants, as provided in the Indenture) into which this Security is convertible and such delivery will be deemed to satisfy the Company's obligation to pay the principal amount of this Security. No fractions of shares or scrip representing fractions of shares will be issued on conversion, but instead of any fractional interest (calculated to the nearest 1/100th of a share) the Company shall pay a cash adjustment as provided in the Indenture. The Conversion Rate is subject to adjustment as provided in the Indenture. In addition, the Indenture provides that in case of certain consolidations or mergers to which the Company is a party or the conveyance, transfer, sale or lease of all or substantially all of the property and assets of the Company, the Indenture shall be amended, without the consent of any Holders of Securities, so that this Security, if then Outstanding, will be convertible thereafter, during the period this Security shall be convertible as specified above, only into the kind and amount of

property receivable upon such consolidation, merger, conveyance, transfer, sale or lease by a holder of the number of shares of Common Stock of the Company into which this Security could have been converted immediately prior to such consolidation, merger, conveyance, transfer, sale or lease (assuming such holder of Common Stock is not a Constituent Person, failed to exercise any rights of election and received per share the kind and amount received per share by a plurality of Non-electing Shares). No adjustment in the Conversion Rate will be made until such adjustment would require an increase or decrease of at least one percent of such rate, provided that any adjustment that would otherwise be made will be carried forward and taken into account in the computation of any subsequent adjustment.

Subject to certain limitations in the Indenture, at any time when the Company is not subject to Section 13 or 15(d) of the United States Securities Exchange Act of 1934, as amended, upon the request of a Holder of a Security or the holder of shares of Common Stock issued upon conversion thereof, the Company will promptly furnish or cause to be furnished Rule 144A Information (as defined below) to such Holder of Securities or such holder of shares of Common Stock issued upon conversion of Securities, or to a prospective purchaser of any such security designated by any such Holder or holder, as the case may be, to the extent required to permit compliance by such Holder or holder with Rule 144A under the Securities Act of 1933, as amended (the "Securities Act"), in connection with the resale of any such security. "Rule 144A Information" shall be such information as is specified pursuant to Rule 144A(d) (4) under the Securities Act (or any successor provision thereto).

The Holder of this Security (including any Person that has a beneficial interest in this Security) and the Common Stock issuable upon conversion hereof is entitled to the benefits of a Registration Rights Agreement, dated as of April 9, 2002 (the "Registration Rights Agreement"), executed by the Company. Pursuant to the Registration Rights Agreement, the Company has agreed for the benefit of the Holders from time to time of Registered Securities and the Common Stock issuable upon conversion thereof, in each case, that are Registrable Securities, at the Company's expense, (a) to file on or before 90 days after the first date of original issuance of the Securities, a shelf registration statement (the "Shelf Registration Statement") with the Commission with respect to resales of the Registrable Securities, (b) thereafter to use its reasonable best efforts to cause such Shelf Registration Statement to be declared effective by the Commission on or before 180 days after the first date of original issuance of the Securities, subject to the Company's right to postpone having the Shelf Registration Statement declared effective for an additional 60 days in limited circumstances described in the Registration Rights Agreement, and (c) to use its reasonable best efforts to maintain such Shelf Registration Statement continuously effective under the Securities Act until the earlier of (1) the sale under the Shelf Registration Statement of all the Registrable Securities registered thereunder and (2) the expiration of the holding period applicable to such Registrable Securities held by persons that are not affiliates of the Company under Rule 144(k) under the Securities Act or any successor previously subject to specific permitted exceptions. The Company is required to pay Liquidated Damages to holders of Registrable Securities for failure to comply with the foregoing registration obligations, all as more fully set forth in the Registration Rights Agreement.

Whenever in this Security there is a reference, in any context, to the payment of the principal of, premium, if any, or interest on, or in respect of, any Security such mention shall

be deemed to include mention of the payment of Liquidated Damages payable as described in the Registration Rights Agreement to the extent that, in such context, Liquidated Damages are, were or would be payable in respect of this Security pursuant to the Registration Rights Agreement, and an express mention of the payment of Liquidated Damages (if applicable) in any provisions of this Security shall not be construed as excluding Liquidated Damages in those

provisions of this Security where such express mention is not made. If the Holder of this Security (including any Person that has a beneficial interest in this Security) elects to sell this Security pursuant to the Shelf Registration Statement then, by its acceptance hereof, such Holder of this Security agrees to be bound by the terms of the Registration Rights Agreement relating to the Registrable Securities which are the subject of such election.

If a Change in Control occurs, the Holder of this Security, at the Holder's option, shall have the right, in accordance with the provisions of the Indenture, to require the Company to repurchase this Security (or any portion of the principal amount hereof that is equal to U.S.\$1,000 or any greater integral multiple of U.S.\$1,000) for cash at a Repurchase Price equal to 100% of the principal amount thereof plus interest accrued to, but excluding, the Repurchase Date. At the option of the Company, the Repurchase Price may be paid in cash or, subject to the conditions provided in the Indenture, by delivery of shares of Common Stock or in a combination of cash and Common Stock, having a fair market value equal to the Repurchase Price. For purposes of this paragraph, the fair market value of shares of Common Stock shall be determined by the Company and shall be equal to 95% of the average of the high and low sales price per share for the five consecutive Trading Days immediately preceding and including the third Trading Day prior to the Repurchase Date. Whenever in this Security there is a reference, in any context, to the principal of any Security as of any time, such reference shall be deemed to include reference to the Repurchase Price payable in respect of such Security to the extent that such Repurchase Price is, was or would be so payable at such time, and express mention of the Repurchase Price in any provision of this Security shall not be construed as excluding the Repurchase Price so payable in those provisions of this Security when such express mention is not made; provided, however, that, for the purposes of the paragraph below concerning the consequences of an Event of Default, such reference shall be deemed to include reference to the Repurchase Price only to the extent the Repurchase Price is payable in cash.

In the event of a deposit or withdrawal of an interest in this Security, including an exchange, transfer, redemption, repurchase or conversion of this Security in part only, the Trustee, as custodian of the Depositary, shall make an adjustment on its records to reflect such deposit or withdrawal in accordance with the Applicable Procedures.

The indebtedness evidenced by this Security is, to the extent and in the manner provided in the Indenture, subordinate and subject in right of payment to the prior payment in full in cash or Cash Equivalents of all Senior Debt of the Company, and this Security is issued subject to such provisions of the Indenture with respect thereto. Each Holder of this Security, by accepting the same,

(a) agrees to and shall be bound by such provisions,

(b) authorizes and directs the Trustee on his behalf to take such action as may be necessary or appropriate to effectuate the subordination so provided and

10

(c) appoints the Trustee his attorney-in-fact for any and all such purposes.

If an Event of Default shall occur and be continuing, the principal of all the Securities, together with accrued interest to the date of declaration, may be declared due and payable in the manner and with the effect provided in the Indenture. Upon payment (i) of the amount of principal so declared due and payable, together with accrued interest to the date of declaration, and (ii) of interest on any overdue principal and, to the extent permitted by applicable law, overdue interest, all of the Company's obligations in respect of the payment of the principal of and interest on the Securities shall terminate.

The Indenture permits, with certain exceptions as therein provided, the amendment thereof and the modification of the rights and obligations of the Company and the rights of the Holders of the Securities under the Indenture at any time by the Company and the Trustee with the written consent of the Holders of a majority in principal amount of the Securities at the time Outstanding. The

Indenture also contains provisions permitting the Holders of specified percentages in principal amount of the Securities at the time Outstanding, on behalf of the Holders of all the Securities, to waive compliance by the Company with certain provisions of the Indenture and certain past defaults under the Indenture and their consequences. Any such consent or waiver by the Holder of this Security shall be conclusive and binding upon such Holder and upon all future Holders of this Security and of any Security issued in exchange herefor or in lieu hereof, whether or not notation of such consent or waiver is made upon this Security or such other Security.

As provided in and subject to the provisions of the Indenture, the Holder of this Security shall not have the right to institute any proceeding with respect to the Indenture or for the appointment of a receiver or trustee or for any other remedy thereunder, unless such Holder shall have previously given the Trustee written notice of a continuing Event of Default, the Holders of not less than 25% in principal amount of the Outstanding Securities shall have made written request to the Trustee to institute proceedings in respect of such Event of Default as Trustee and offered the Trustee reasonable indemnity, the Trustee shall have failed to institute any such proceeding for 60 days after receipt of such notice, request and offer of indemnity, and the Trustee has not received any direction inconsistent with such written request from the Holders of a majority of the aggregate principal amount of the Outstanding Securities during such 60 day period. The foregoing shall not apply to any suit instituted by the Holder of this Security for the enforcement of any payment of principal hereof, premium, if any, Liquidated Damages, if any, or interest hereon on or after the respective due dates expressed herein or for the enforcement of the right to convert this Security as provided in the Indenture.

No reference herein to the Indenture and no provision of this Security or of the Indenture shall alter or impair the obligation of the Company, which is absolute and unconditional, to pay the principal of, premium, if any, Liquidated Damages, if any, and interest on this Security at the times, places and rate, and in the coin or currency, herein prescribed or to convert this Security as provided in the Indenture.

As provided in the Indenture and subject to certain limitations therein set forth, the transfer of Registered Securities is registrable on the Security Register upon surrender of a Registered Security for registration of transfer at the Corporate Trust Office of the Trustee or at

such other office or agency of the Company as may be designated by it for such purpose in the Borough of Manhattan, The City of New York, or at such other offices or agencies as the Company may designate, duly endorsed by, or accompanied by a written instrument of transfer in form satisfactory to the Company and the Security Registrar duly executed by, the Holder thereof or his attorney duly authorized in writing, and thereupon one or more new Registered Securities, of authorized denominations and for the same aggregate principal amount, will be issued to the designated transferee or transferees by the Registrar. No service charge shall be made for any such registration of transfer or exchange, but the Company may require payment of a sum sufficient to recover any tax or other governmental charge payable in connection therewith.

Prior to due presentation of a Registered Security for registration of transfer, the Company, the Trustee and any agent of the Company or the Trustee may treat the Person in whose name such Registered Security is registered as the owner thereof for all purposes, whether or not such Security be overdue, and neither the Company, the Trustee nor any such agent shall be affected by notice to the contrary.

Interest on the Securities shall be computed on the basis of a 360-day year of twelve 30-day months. The Indenture and this Security shall be governed by and construed in accordance with the laws of the State of New York, United States of America, including, without limitation, Section 5-1401 of the New York General Obligations Law.

All terms used in this Security which are defined in the Indenture shall have the meanings assigned to them in the Indenture.

(a) The Company shall, on or prior to 90 calendar days after the Closing Date (as defined in the Purchase Agreement), file with the Commission a Shelf Registration Statement relating to the offer and sale of the Registrable Securities and, thereafter, shall use its reasonable best efforts to cause such Shelf Registration Statement to be declared effective under the Securities Act on or prior to 180 calendar days after the Closing Date; provided, however, that no holder shall be entitled to be named as a selling securityholder in the Shelf Registration Statement or to use the Prospectus for resales of Registrable Securities unless such holder is an Electing Holder (as defined herein).

(b) The Company shall use its reasonable best efforts:

(i) to keep the Shelf Registration Statement continuously effective in order to permit the Prospectus to be usable by holders for resales of Registrable Securities until the earlier of (A) the date on which there are no outstanding Registrable Securities and (B) the expiration of the holding period applicable to such Registrable Securities held by persons that are not affiliates of the Company under Rule 144(k) of the Securities Act or any successor previously subject to specific permitted exceptions (such period being referred to herein as the "Effectiveness Period");

(ii) after the Effective Time, promptly upon the request of any holder of Registrable Securities that is not then an Electing Holder, to take any action reasonably necessary to enable such holder to use the Prospectus for resales of Registrable Securities, including without limitation any action necessary to identify such holder as a selling securityholder in the Shelf Registration Statement; provided, however, that nothing in this subparagraph shall relieve such holder of the obligation to return a completed and signed Notice and Questionnaire to the Company in accordance with Section 3(a) (ii) hereof; and

(iii) if at any time the Securities are convertible into securities other than Class A Common Stock pursuant to Article Ten of the Indenture, the Company shall, or shall cause any successor under the Indenture to, cause such securities to be included in the Shelf Registration Statement no later than the date on which the Securities may then be convertible into such securities.

3. Registration Procedures.

(a) In connection with the Shelf Registration Statement, the following provisions shall apply:

(i) Not less than 30 calendar days prior to the Effective Time,
as

determined by the Company in good faith, the Company shall mail the Notice and Questionnaire to the holders of Registrable Securities. No holder shall be entitled to be named as a selling securityholder in the Shelf Registration Statement as of the Effective Time, and no holder shall be entitled to use the Prospectus for offers of Registrable Securities at any time unless such holder has returned a completed and signed Notice and Questionnaire to the Company by the deadline for response set forth therein; provided, however, holders of Registrable Securities shall have at least 20 calendar days from the date on which the Notice and Questionnaire is first mailed to such holders to return a completed and signed Notice and Questionnaire to the Company.

(ii) After the Effective Time, the Company shall, upon the request of any holder of Registrable Securities that is not then an Electing Holder, promptly send a Notice and Questionnaire to such holder. The Company shall not be required to take any action to name such holder as a selling securityholder in the Shelf Registration Statement or to enable such holder to use the Prospectus for resales of Registrable Securities until such holder has returned a completed and signed Notice and Questionnaire to the Company.

(iii) The term "Electing Holder" shall mean any holder of Registrable Securities that has returned a completed and signed Notice and Questionnaire to the Company in accordance with Section 3(a)(i) or 3(a)(ii) hereof.

(b) The Company shall furnish to each Electing Holder, counsel to the Electing Holders, and the Managing Underwriters, if any, no fewer than five Business Days prior to the initial filing of the Shelf Registration Statement, a copy of such Shelf Registration Statement, and shall furnish to such holders, counsel to such holders, and the Managing Underwriters, if any, no fewer than two Business Days prior to the filing of any amendment or supplement to the Prospectus, a copy of such amendment or supplement and shall use all reasonable efforts to reflect in each such document when so filed with the Commission such comments as such holders and their respective counsel reasonably may propose; provided, however, that the Company shall make the final decision as to the form and content of each such document. If any such Shelf Registration Statement refers to any Electing Holder by name or otherwise as the holder of any securities of the Company, then such Electing Holder shall have the right to require (i) the insertion therein of language, in form and substance reasonably satisfactory to such Electing Holder, to the effect that the holding by such Electing Holder of such securities is not to be construed as a recommendation by such Electing Holder of the investment quality of the Company's securities covered thereby and that such holding does not imply that such Electing Holder will assist in meeting any future financial requirements of the Company or (ii) in the event that such reference to such Electing Holder by name or otherwise is not required by the Securities Act or any similar Federal statute then in force, the deletion of the reference to such Electing Holder in any amendment or supplement to the Registration Statement filed or prepared subsequent to the time that such reference ceases to be required.

(c) From the date hereof until the end of the Effective Period, the Company shall (subject to paragraph (j) below) promptly take such action as may be necessary so that (i) each of the Shelf Registration Statement and any amendment thereto and the Prospectus and any amendment or supplement thereto (and each report or other document incorporated by reference

therein in each case) complies in all material respects with the Securities Act and the Exchange Act and the respective rules and regulations thereunder, (ii) each of the Shelf Registration Statement and any amendment thereto does not, when it becomes effective, contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading and (iii) each of the Prospectus and any amendment or supplement to the Prospectus does not at any time during the Effectiveness Period include an untrue statement of a material fact or omit to state a

material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading.

(d) The Company shall promptly advise each Electing Holder, and shall confirm such advice in writing if so requested by any such holder (which notice pursuant to clauses (ii) through (iv) hereof shall be accompanied by an instruction to suspend the use of the Prospectus until the requisite changes have been made):

(i) when the Shelf Registration Statement and any amendment thereto has been filed with the Commission and when the Shelf Registration Statement or any post-effective amendment thereto has become effective;

(ii) of the issuance by the Commission of any stop order suspending the effectiveness of the Shelf Registration Statement or the initiation of any proceedings for such purpose;

(iii) of the receipt by the Company of any notification with respect to the suspension of the qualification of the securities included in the Shelf Registration Statement for sale in any jurisdiction or the initiation of any proceeding for such purpose; and

(iv) if changes in the Shelf Registration Statement or the Prospectus are required in order that the Shelf Registration Statement and Prospectus do not contain an untrue statement of a material fact and do not omit to state a material fact required to be stated therein or necessary to make the statements therein (in the case of the Prospectus, in light of the circumstances under which they were made) not misleading.

(e) The Company shall use all reasonable efforts to prevent the issuance, and if issued to obtain the withdrawal, of any order suspending the effectiveness of the Shelf Registration Statement at the earliest possible time.

(f) The Company shall furnish to each requesting Electing Holder, without charge, at least one copy of the Shelf Registration Statement and all post-effective amendments thereto, including financial statements and schedules, and, if such holder so requests in writing, all reports, other documents and exhibits that are filed with or incorporated by reference in the Shelf Registration Statement.

(g) The Company shall, during the Effectiveness Period, deliver to each Electing Holder, without charge, as many copies of the Prospectus (including each preliminary Prospectus) and any amendment or supplement thereto as such Electing Holder may reasonably request; and the Company consents (except during the continuance of any event described in

Section 3(d)(iv) above) to the use of the Prospectus and any amendment or supplement thereto by each of the Electing Holders in connection with the offering and sale of the Registrable Securities covered by the Prospectus and any amendment or supplement thereto during the Effectiveness Period.

(h) Prior to any offering of Registrable Securities pursuant to the Shelf Registration Statement, the Company shall (i) register or qualify or cooperate with the Electing Holders and a single counsel for the Electing Holders in connection with the registration or qualification of such Registrable Securities for offer and sale under the securities or "blue sky" laws of such jurisdictions within the United States as any Electing Holder may reasonably request, (ii) keep such registrations or qualifications in effect and comply with such laws so as to permit the continuance of offers and sales in such jurisdictions for so long as may be necessary to enable any Electing Holder or underwriter, if any, to complete its distribution of Registrable Securities pursuant to the Shelf Registration Statement, and (iii) take any and all other actions necessary or advisable to enable the disposition in such jurisdictions of such Registrable Securities; provided, however, that in no event shall the Company be obligated to (A) qualify as a foreign corporation or as a dealer in securities in any jurisdiction where it would not otherwise be required to so qualify but for this Section 3(h) or (B) file any general consent to service of

process in any jurisdiction where it is not as of the date hereof so subject.

(i) The Company shall cooperate with the Electing Holders to facilitate the timely preparation and delivery of certificates representing Registrable Securities to be sold pursuant to the Shelf Registration Statement, which certificates shall not bear any restrictive legends and, if so required by any securities exchange upon which any Registrable Securities are listed, shall be panned, lithographed or engraved, or produced by any combination of such methods, on steel engraved borders, and which certificates shall be free of any restrictive legends and in such permitted denominations and registered in such names as Electing Holders may request in connection with the sale of Registrable Securities pursuant to the Shelf Registration Statement.

(j) Upon the occurrence of any fact or event contemplated by paragraph 3(d)(iv) above, the Company shall (subject to the next sentence) promptly prepare a post-effective amendment or supplement to the Shelf Registration Statement or the Prospectus, or any document incorporated therein by reference, or file any other required document so that, as thereafter delivered to purchasers of the Registrable Securities included therein, the Prospectus will not include an untrue statement of a material fact or omit to state any material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading. If the Company notifies the Electing Holders in accordance with clauses (ii) through (iv) of paragraph 3(d) above to suspend the use of the Prospectus until the requisite changes to the Prospectus have been made, then each Electing Holder shall suspend the use of the Prospectus and keep the notification provided pursuant to paragraph 3(d) above confidential until (i) such Electing Holder has received copies of the supplemented or amended Prospectus contemplated by the preceding sentence or (ii) such Electing Holder is advised in writing by the Company that the use of the Prospectus may be resumed and has received copies of any additional or supplemental filings that are incorporated by reference in the Prospectus. Notwithstanding the foregoing, but subject to Section 7 hereof, the Company shall not be required to amend or supplement the Shelf Registration Statement, any related Prospectus or any

7

document incorporated by reference for a period not to exceed 60 consecutive days if the Company is in possession of material non-public information the disclosure of which would have a material adverse effect on the business, operations, prospects, condition (financial or otherwise) of the Company and its subsidiaries, taken as a whole.

(k) Not later than the Effective Time, the Company shall provide a CUSIP number for the Registrable Securities that are debt securities.

(l) The Company shall use all reasonable efforts to comply with all applicable Rules and Regulations, and to make generally available to its securityholders as soon as practicable, but in any event not later than eighteen months after (i) the effective date (as defined in Rule 158(c) under the Securities Act) of the Shelf Registration Statement, (ii) the effective date of each post-effective amendment to the Shelf Registration Statement, and (iii) the date of each filing by the Company with the Commission of an Annual Report on Form 10-K that is incorporated by reference in the Shelf Registration Statement, an earnings statement of the Company and its subsidiaries complying with Section 11(a) of the Securities Act and the Rules and Regulations of the Commission thereunder (including, at the option of the Company, Rule 158).

(m) Not later than the Effective Time, the Company shall cause the Indenture to be qualified under the Trust Indenture Act; in connection with such qualification, the Company shall cooperate with the Trustee under the Indenture and the Holders (as defined in the Indenture) to effect such changes to the Indenture as may be required for such Indenture to be so qualified in accordance with the terms of the Trust Indenture Act; and the Company shall execute, and shall use all reasonable efforts to cause the Trustee to execute, all documents that may be required to effect such changes and all other forms and documents required to be filed with the Commission to enable such Indenture to be so qualified in a timely manner. In the event that any such amendment or modification referred to in this Section 3(m) involves the appointment of a new trustee under the Indenture, the Company shall appoint a new trustee thereunder pursuant to the applicable provisions of the Indenture.

(n) In the event of an underwritten offering conducted pursuant to Section 7 hereof, the Company shall (subject to paragraph 3(j) above), if requested, promptly include or incorporate in a Prospectus supplement or post-effective amendment to the Shelf Registration Statement such information as the Managing Underwriters reasonably agree should be included therein and to which the Company does not reasonably object and shall (subject to paragraph 3(j) above) make all required filings of such Prospectus supplement or post-effective amendment as soon as practicable after it is notified of the matters to be included or incorporated in such Prospectus supplement or post-effective amendment.

(o) The Company shall enter into such customary agreements (including an underwriting agreement in customary form in the event of an underwritten offering conducted pursuant to Section 7 hereof) and take all other appropriate action in order to expedite and facilitate the registration and disposition of the Registrable Securities, and in connection therewith, if an underwriting agreement is entered into, cause the same to contain indemnification provisions and procedures substantially identical to those set forth in Section 5 hereof with respect to all parties to be indemnified pursuant to Section 5 hereof; provided,

8

however, the Company shall not be required to facilitate an underwritten offering pursuant to the Shelf Registration Statement by any holders unless the offering relates to at least \$15,000,000 principal amount of Securities or the equivalent number of shares of Class A Common Stock in which such Securities are convertible.

(p) The Company shall:

(i) (A) make reasonably available for inspection by requesting Electing Holders, any underwriter participating in any disposition pursuant to the Shelf Registration Statement, and any attorney selected in accordance with Section 4(b) hereof, one accountant and any other agent retained by such holders or any such underwriter all relevant financial and other records, pertinent corporate documents and properties of the Company and its subsidiaries and (B) cause the Company's officers, directors and employees to supply all information reasonably requested by such holders or any such underwriter, attorney, accountant or agent in connection with the Shelf Registration Statement, in each case, as is customary for similar due diligence examinations; provided, however, that all records, information and documents that are designated in writing by the Company, in good faith, as confidential shall be kept confidential by such holders and any such underwriter, attorney, accountant or agent, unless such disclosure is made in connection with a court proceeding or required by law, or such records, information or documents become available to the public generally or through a third party without an accompanying obligation of confidentiality; and provided further that, if the foregoing inspection and information gathering would otherwise disrupt the Company's conduct of its business, such inspection and information gathering shall, to the greatest extent possible, be coordinated on behalf of the requesting Electing Holders and the other parties entitled thereto by one counsel designated by and on behalf of Electing Holders and other parties;

(ii) in connection with any underwritten offering conducted pursuant to Section 7 hereof, make such representations and warranties to the Electing Holders participating in such underwritten offering and to the Managing Underwriters, in form, substance and scope as are customarily made by the Company to underwriters in primary underwritten offerings of equity and convertible debt securities;

(iii) in connection with any underwritten offering conducted pursuant to Section 7 hereof, obtain opinions of counsel to the Company (which counsel and opinions (in form, scope and substance) shall be reasonably satisfactory to the Managing Underwriters) addressed to each requesting Electing Holder, covering such matters as are customarily covered in opinions requested in primary underwritten offerings of equity and convertible debt securities and such other matters as may be reasonably requested by such Electing Holders and underwriters (it being agreed that the matters to be covered by such opinions shall include,

without limitation, as of the date of the opinion and as of the Effective Time or the date of the most recent post-effective amendment thereto, as the case may be, the absence from the Shelf Registration Statement and the Prospectus, including the documents incorporated by reference therein, of an untrue statement of a material fact or the omission of a material fact required to be stated therein or necessary to make the statements therein (in the case of the Prospectus, in light of the circumstances

9

under which they were made) not misleading);

(iv) in connection with any underwritten offering conducted pursuant to Section 7 hereof, obtain "cold comfort" letters and updates thereof from the independent public accountants of the Company (and, if necessary, from the independent public accountants of any subsidiary of the Company or of any business acquired by the Company for which financial statements and financial data are, or are required to be, included in the Shelf Registration Statement), addressed to each requesting Electing Holder (if such Electing Holder has provided such letter, representations or documentation, if any, required for such cold comfort letter to be so addressed) and the underwriters, in customary form and covering matters of the type customarily covered in "cold comfort" letters in connection with primary underwritten offerings;

(v) in connection with any underwritten offering conducted pursuant to Section 7 hereof, deliver such documents and certificates as may be reasonably requested by any Electing Holders and the Managing Underwriters, if any, including without limitation certificates to evidence compliance with Section 3(j) hereof and with any conditions contained in the underwriting agreement or other agreements entered into by the Company.

(q) The Company will use all reasonable efforts to cause the Class A Common Stock issuable upon conversion of the Securities to be listed for quotation on the New York Stock Exchange or other stock exchange or trading system, if any, on which the Class A Common Stock primarily trades on or prior to the Effective Time.

(r) The Company shall use all reasonable efforts to take all other steps necessary to effect the registration, offering and sale of the Registrable Securities covered by the Shelf Registration Statement contemplated hereby.

4. Registration Expenses.

(a) All fees and expenses incident to the performance of or compliance with this Agreement by the Company shall be borne by it whether or not any Shelf Registration Statement is filed or becomes effective and whether or not any securities are issued or sold pursuant to any Shelf Registration Statement. The fees and expenses referred to in the foregoing sentence shall include, without limitation, (i) all registration and filing fees (including without limitation fees and expenses (A) with respect to filings required to be made with the National Association of Securities Dealers, Inc. and (B) in compliance with securities or Blue Sky laws (including without limitation and in addition to that provided for in (b) below, reasonable fees and disbursements of counsel for the underwriters or counsel for the holders of Registrable Securities in connection with Blue Sky qualifications of the Registrable Securities)), (ii) printing expenses (including without limitation expenses of printing certificates for Registrable Securities in a form eligible for deposit with DTC and of printing Prospectuses if the printing of Prospectuses is requested by the Managing Underwriters, if any), (iii) messenger, telephone and delivery expenses, (iv) in the event of an underwritten offering of Registrable Securities conducted pursuant to Section 7 hereof, or if in any other event the Company requires that inspection and information gathering be coordinated by counsel for the Electing Holders as

10

provided in Section 3(p)(i) hereof, the Company shall pay the fees and

disbursements of counsel for the Company and one counsel for the holders of Registrable Securities, in accordance with the provisions of Section 4(b) hereof, (v) fees and disbursements of all independent certified public accountants referred to in Section 3(p)(iv) hereof (including without limitation the expenses of any special audit and "cold comfort" letters required by or incident to such performance), (vi) Securities Act liability insurance, if the Company desires such insurance, and (vii) fees and expenses of all other persons retained by the Company. In addition, the Company shall pay its internal expenses (including without limitation all salaries and expenses of its officers and employees performing legal or accounting duties), the expense of any annual audit, and the fees and expenses incurred in connection with the listing of the securities on the New York Stock Exchange. Notwithstanding the foregoing or anything in this Agreement to the contrary, each holder of the Registrable Securities being registered shall pay all commissions, placement agent fees and underwriting discounts and commissions with respect to any Registrable Securities sold by it and the fees and disbursements of any counsel or other advisors or experts retained by such holders (severally or jointly), other than counsel and local counsel referred to in clause (iv) above.

(b) In connection with any registration hereunder, the Company shall reimburse the holders of the Registrable Securities being registered in such registration for the reasonable fees and disbursements of not more than one counsel chosen by the holders of a majority in amount of the Registrable Securities (determined on a fully converted basis) for whose benefit the applicable Shelf Registration Statement is being prepared.

5. Indemnification and Contribution.

(a) Indemnification by the Company. Upon the registration of the Registrable Securities pursuant to Section 2 hereof, the Company shall indemnify and hold harmless each Electing Holder and each underwriter, selling agent or other securities professional, if any, which facilitates the disposition of Registrable Securities, and each of their respective officers and directors and each person who controls such Electing Holder, underwriter, selling agent or other securities professional within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act (each such person being sometimes referred to as an "Indemnified Person") against any losses, claims, damages or liabilities, joint or several, to which such Indemnified Person may become subject under the Securities Act or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon an untrue statement or alleged untrue statement of a material fact contained in any Shelf Registration Statement or any Prospectus contained therein or furnished by the Company to any Indemnified Person, or any amendment or supplement thereto, or arise out of or are based upon the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances in which they were made, not misleading, and the Company hereby agrees to reimburse such Indemnified Person for any legal or other expenses reasonably incurred by them in connection with investigating or defending any such action or claim as such expenses are incurred; provided, however, that the Company shall not be liable to any such Indemnified Person in any such case to the extent that any such loss, claim, damage or liability arises out of or is based upon an untrue statement or alleged untrue statement or omission or alleged omission made in such Shelf Registration Statement or Prospectus, or amendment or supplement thereto, in reliance upon and in conformity with

written information furnished to the Company by or on behalf of such Indemnified Person expressly for use therein; provided, further, however, that the foregoing indemnity agreement with respect to any preliminary Prospectus shall not inure to the benefit of any Indemnified Person who failed to deliver a final Prospectus (as then amended or supplemented, provided by the Company to the several Indemnified Persons in the requisite quantity and on a timely basis to permit proper delivery on or prior to the relevant transaction date) to the person asserting any losses, claims, damages and liabilities and judgments caused by any untrue statement or alleged untrue statement of a material fact contained in any preliminary Prospectus, or caused by any omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading, if such material misstatement or omission

or alleged material misstatement or omission was cured in the final Prospectus.

(b) Indemnification by the Holders and any Agents and Underwriters. Each Electing Holder agrees, as a consequence of the inclusion of any of such holder's Registrable Securities in any Shelf Registration Statement, and each underwriter, selling agent or other securities professional, if any, which facilitates the disposition of Registrable Securities shall agree, as a consequence of facilitating such disposition of Registrable Securities, severally and not jointly, to (i) indemnify and hold harmless the Company, its directors and executive officers who sign such Shelf Registration Statement and each person, if any, who controls the Company within the meaning of either Section 15 of the Securities Act or Section 20 of the Exchange Act, against any losses, claims, damages or liabilities to which the Company or such other persons may become subject, under the Securities Act or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon an untrue statement or alleged untrue statement of a material fact contained in such Shelf Registration Statement or Prospectus, or any amendment or supplement thereto, or arise out of or are based upon the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, in each case to the extent, but only to the extent, that such untrue statement or alleged untrue statement or omission or alleged omission was made in reliance upon and in conformity with written information furnished to the Company by or on behalf of such holder, underwriter, selling agent or other securities professional expressly for use therein and (ii) reimburse the Company and its directors and officers who sign such Shelf Registration Statement for any legal or other expenses reasonably incurred by the Company and such directors and officers in connection with investigating or defending any such action or claim as such expenses are incurred.

(c) Notices of Claims, Etc. Promptly after receipt by an indemnified party under subsection (a) or (b) of this Section 5 of notice of the commencement of any action, such indemnified party shall, if a claim in respect thereof is to be made against an indemnifying party under this Section 5, notify such indemnifying party in writing of the commencement thereof; but the omission to so notify the indemnifying party shall not relieve it from any liability which it may have to any indemnified party otherwise than under this Section 5. In the case that any such action is brought against any indemnified party it shall notify the indemnifying party of the commencement thereof and such indemnifying party shall be entitled to participate therein and, to the extent that it shall wish, jointly with any other indemnifying party similarly notified, to assume the defense thereof, with counsel satisfactory to such indemnified party (who shall not, except with the consent of the indemnified party, be counsel to the indemnifying party), and,

12

after notice from the indemnifying party to such indemnified party of its election so to assume the defense thereof, such indemnifying party shall not be liable to such indemnified party under this Section 5 for any legal expenses of other counsel or any other expenses, in each case subsequently incurred by such indemnified party, in connection with the defense thereof other than reasonable costs of investigation. No indemnifying party shall, without the written consent of the indemnified party, which consent will not be unreasonably withheld, effect the settlement or compromise of, or consent to the entry of any judgment with respect to, any pending or threatened action or claim in respect of which indemnification or contribution may be sought hereunder (whether or not the indemnified party is an actual or potential party to such action or claim) unless such settlement, compromise or judgment (i) includes an unconditional release of the indemnified party from all liability arising out of such action or claim and (ii) does not include a statement as to, or an admission of, fault, culpability or a failure to act, by or on behalf of any indemnified party.

(d) Contribution. If the indemnification provided for in this Section 5 is unavailable to or insufficient to hold harmless an indemnified party under subsection (a) or (b) of this Section 5 in respect of any losses, claims, damages or liabilities (or actions in respect thereof) referred to therein, then each indemnifying party shall contribute to the amount paid or payable by such indemnified party as a result of such losses, claims, damages or liabilities (or actions in respect thereof) in such proportion as is appropriate to reflect the relative fault of the indemnifying party and the indemnified

party in connection with the statements or omissions which resulted in such losses, claims, damages or liabilities (or actions in respect thereof), as well as any other relevant equitable considerations. The relative fault of such indemnifying party and indemnified party shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or omission or alleged omission to state a material fact relates to information supplied by such indemnifying party or by such indemnified party, and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission. The parties hereto agree that it would not be just and equitable if contribution pursuant to this Section 5(d) were determined by pro rata allocation (even if the Electing Holders or any underwriters, selling agents or other securities professionals or all of them were treated as one entity for such purpose) or by any other method of allocation which does not take account of the equitable considerations referred to in this Section 5(d). The amount paid or payable by an indemnified party as a result of the losses, claims, damages or liabilities (or actions in respect thereof) referred to above shall be deemed to include any legal or other fees or expenses reasonably incurred by such indemnified party in connection with investigating or defending any such action or claim. No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. The obligations of the Electing Holders and any underwriters, selling agents or other securities professionals in this Section 5(d) to contribute shall be several in proportion to the percentage of principal amount of Registrable Securities registered or underwritten, as the case may be, by them and not joint.

(e) Notwithstanding any other provision of this Section 5, in no event will any (i) Electing Holder be required to undertake liability to any person under this Section 5 for any amounts in excess of the dollar amount of the proceeds to be received by such holder from the sale of such holder's Registrable Securities (after deducting any fees, discounts and commissions

13

applicable thereto) pursuant to any Shelf Registration Statement and (ii) underwriter, selling agent or other securities professional be required to undertake liability to any person hereunder for any amounts in excess of the discount, commission or other compensation payable to such underwriter, selling agent or other securities professional with respect to the Registrable Securities underwritten by it and distributed to the public.

(f) The obligations of the Company under this Section 5 shall be in addition to any liability that the Company may otherwise have to any Indemnified Person and the obligations of any Indemnified Person under this Section 5 shall be in addition to any liability that such Indemnified Person may otherwise have to the Company. The remedies provided in this Section 5 are not exclusive and shall not limit any rights or remedies that may otherwise be available to an indemnified party at law or in equity.

6. Liquidated Damages. If (i) on or prior to 90 days after the Closing Date, a Shelf Registration Statement has not been filed with the Commission, (ii) on or prior to 180 days after the Closing Date, such Shelf Registration Statement is not declared effective or, (iii) the Shelf Registration Statement ceases to be effective or the Company otherwise prevents or restricts the Electing Holders from making sales of Registrable Securities under such Shelf Registration Statement during the Effectiveness Period for a period in excess of 60 consecutive days (each, a "Registration Default"), liquidated damages ("Liquidated Damages") will accrue on the Registrable Securities at a rate equal to 0.5% of the principal amount of Registrable Securities per annum from and including the day following such Registration Default to, but excluding, the day on which such Registration Default is cured. The Company shall notify the Trustee as promptly as possible, but in no event more than three Business Days after each and every date on which a Registration Default occurs. Liquidated Damages will be paid semi-annually in arrears, with the first semi-annual payment due on the first Interest Payment Date in respect of the Registrable Securities following the date on which such Liquidated Damages begin to accrue.

7. Underwritten Offering. Any holder of Registrable Securities who desires to do so may sell Registrable Securities (in whole or in part) in an underwritten offering; provided, however, the Company shall not be required to

facilitate an underwritten offering pursuant to the Shelf Registration Statement by any holders unless the offering relates to at least \$20,000,000 principal amount of Securities or the equivalent number of shares of Class A Common Stock in which such Securities are convertible. In any such underwritten offering, the investment banker or investment bankers and manager or managers that will administer the offering will be selected by, and the underwriting arrangements with respect thereto (including the size of the offering) will be approved by, the holders of a majority of the Registrable Securities to be included in such offering; provided, however, that such investment bankers and managers and underwriting arrangements must be reasonably satisfactory to the Company. No holder may participate in any underwritten offering contemplated hereby unless (a) such holder agrees to sell such holder's Registrable Securities to be included in the underwritten offering in accordance with any approved underwriting arrangements, (b) such holder completes and executes all reasonable questionnaires, powers of attorney, indemnities, underwriting agreements, lock-up letters and other documents required under the terms of such approved underwriting arrangements and (c) if such holder is not then an Electing Holder, such holder returns a completed and signed Notice and Questionnaire to the Company in accordance with Section 3(a)(ii) hereof within a reasonable amount of time before such underwritten offering. The holders participating in any underwritten

14

offering shall be responsible for any underwriting discounts and commissions and fees and, subject to Section 4 hereof, expenses of their own counsel. The Company shall pay all expenses customarily borne by issuers, including but not limited to filing fees, the fees and disbursements of its counsel and independent public accountants and any printing expenses incurred in connection with such underwritten offering. Notwithstanding the foregoing or the provisions of Section 3(n) hereof, upon receipt of a request from the Managing Underwriter or a representative of holders of a majority of the Registrable Securities to be included in an underwritten offering to prepare and file an amendment or supplement to the Shelf Registration Statement and Prospectus in connection with an underwritten offering, the Company may delay the filing of any such amendment or supplement for up to 60 days if the Company is in possession of material non-public information the disclosure of which would have a material adverse effect on the business, operations, prospects, condition (financial or otherwise) of the Company and its subsidiaries, taken as a whole.

8. Rules 144 and 144A.

The Company agrees, for so long as any Registrable Securities remain outstanding and during any period in which the Company (a) is not subject to Section 13 of 15(d) of the Exchange Act, to make available, upon request of any holder of Registrable Securities, to such holder or beneficial owner of Registrable Securities in connection with any sale thereof and any prospective purchaser of such Registrable Securities designated by such holder or beneficial owner, the information required by Rule 144A(d)(4) under the Securities Act in order to permit resales of such Registrable Securities pursuant to Rule 144A of the Securities Act, and (b) is subject to Section 13 of 15 (d) of the Exchange Act, to make all filings required thereby in a timely manner in order to permit resales of such Registrable Securities pursuant to Rule 144 of the Securities Act.

9. Miscellaneous.

(a) Remedies. The Company acknowledges and agrees that any failure by the Company to comply with its obligations under this Agreement may result in material irreparable injury to the Purchaser or the holders of Registrable Securities for which there is no adequate remedy at law, that it will not be possible to measure damages for such injuries precisely and that, in the event of any such failure, the Purchaser or any holder of Registrable Securities may obtain such relief as may be required to specifically enforce the Company's obligations hereunder. The Company further agrees to waive the defense in any action for specific performance where a remedy at law would be adequate.

(b) Other Registration Rights. The Company will not, on or after the date of this Agreement, enter into any agreement with respect to its securities that is inconsistent with the rights granted to the holders of Registrable Securities in this Agreement or otherwise conflicts with the provisions hereof.

The Company shall not permit any securities other than the Registrable Securities to be included in any Shelf Registration Statement. Except as set forth in the Registration Rights Agreement, dated June 9, 1999 entered into by and among the Company, the Greenberg Family Trust and Michael Greenberg (where such conflict has already been waived), the rights granted to the holders of Registrable Securities hereunder do not in any way conflict with and are not inconsistent with the rights granted to the holders of the Company's

15

securities under any agreement in effect on the date hereof.

(c) Amendments and Waivers. The provisions of this Agreement may not be amended, modified or supplemented, and waivers or consents to or departures from the provisions hereof may not be given unless (i) in the case of Section 2 hereof and this Section 9(c)(i), the Company has obtained the written consent of holders of all outstanding Registrable Securities and (ii) in the case of all other provisions hereof, the Company has obtained the written consent of holders of a majority of the outstanding principal amount of Registrable Securities (determined on a fully converted basis) (excluding Registrable Securities held by the Company or its Affiliates). Notwithstanding the foregoing, a waiver or consent to departure from the provisions hereof that relates exclusively to the rights of holders whose Registrable Securities are being sold pursuant to a Shelf Registration Statement and that does not affect directly or indirectly the rights of other holders of Registrable Securities may be given by the holders of a majority of the outstanding principal amount of Registrable Securities (determined on a fully converted basis) being sold by such holders pursuant to such Shelf Registration Statement.

(d) Third Party Beneficiary. The holders of Registrable Securities shall be third party beneficiaries to the agreements made hereunder between the Company, on the one hand, and the Purchaser, on the other hand, and shall have the right to enforce such agreements directly to the extent they may deem such enforcement necessary or advisable to protect its rights or the rights of holders of Registrable Securities hereunder.

(e) Notices. All notices and other communications provided for or permitted hereunder shall be given as provided in the Indenture.

(f) Parties in Interest. The parties to this Agreement intend that all holders of Registrable Securities shall be entitled to receive the benefits of this Agreement and that any Electing Holder shall be bound by the terms and provisions of this Agreement by reason of such election with respect to the Registrable Securities that are included in a Shelf Registration Statement. All the terms and provisions of this Agreement shall be binding upon, shall inure to the benefit of and shall be enforceable by the respective successors and assigns of the parties hereto and any holder from time to time of the Registrable Securities to the aforesaid extent. In the event that any transferee of any holder of Registrable Securities shall acquire Registrable Securities, in any manner, whether by gift, bequest, purchase, operation of law or otherwise, such transferee shall, without any further writing or action of any kind, be entitled to receive the benefits of and, if an Electing Holder, be conclusively deemed to have agreed to be bound by and to perform all of the terms and provisions of this Agreement to the aforesaid extent.

(g) Counterparts. This Agreement may be executed in any number of counterparts and by the parties hereto in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement.

(h) Headings. The headings in this agreement are for convenience of reference only and shall not limit or otherwise affect the meaning, construction or interpretation hereof.

16

(i) Governing Law. This Agreement shall be governed by and construed in accordance with the laws of the State of New York, including without limitation New York General Obligations Law Section 5-1401.

(j) Severability. In the event that any one or more of the provisions contained herein, or the application thereof in any circumstance, is held invalid, illegal or unenforceable in any respect for any reason, the validity, legality and enforceability of any such provision in every other respect and of the remaining provisions hereof shall not be in any way impaired or affected thereby, it being intended that all of the rights and privileges of the parties hereto shall be enforceable to the fullest extent permitted by law.

(k) Survival. The respective indemnities, agreements, representations, warranties and other provisions set forth in this Agreement or made pursuant hereto shall remain in full force and effect, regardless of any investigation (or any statement as to the results thereof) made by or on behalf of any Electing Holder, any director, officer or partner of such holder, any agent or underwriter, any director, officer or partner of such agent or underwriter, or any controlling person of any of the foregoing, and shall survive the transfer and registration of the Registrable Securities of such holder.

(l) Entire Agreement. This Agreement is intended by the parties as a final expression of their agreement and intended to be a complete and exclusive statement of the agreement and understanding of the parties hereto in respect of the subject matter hereof. There are no restrictions, promises, warranties or undertakings, other than those set forth or referred to herein, with respect to the registration rights granted with respect to the Registrable Securities. This Agreement supersedes all prior agreements and understandings between the parties with respect to such subject matter.

Reference is hereby made to the Registration Rights Agreement (the "Registration Rights Agreement") between Skechers U.S.A., Inc. (the "Company") and the Purchaser named therein. Pursuant to the Registration Rights Agreement, the Company has filed with the United States Securities and Exchange Commission (the "Commission") a registration statement on Form S- (the "Shelf Registration Statement") for the registration and resale under Rule 415 of the Securities Act of 1933, as amended (the "Securities Act"), of the Company's 4.50% Convertible Subordinated Notes due 2007 (the "Securities") and the shares of Class A common stock, \$0.001 par value per share (the "Class A Common Stock"), issuable upon conversion thereof. A copy of the Registration Rights Agreement is attached hereto. All capitalized terms not otherwise defined herein shall have the meanings ascribed thereto in the Registration Rights Agreement.

Each beneficial owner of Registrable Securities (as defined below) is entitled to have the Registrable Securities beneficially owned by it included in the Shelf Registration Statement. Certain legal consequences arise from being named as a selling securityholder in the Shelf Registration Statement and related Prospectus. Accordingly, holders and beneficial owners of Registrable Securities are advised to consult their own securities law counsel regarding the consequences of being named or not being named as a selling securityholder in the Shelf Registration Statement and related Prospectus.

The term "Registrable Securities" is defined in the Registration Rights Agreement to mean all or any portion of the Securities issued from time to time under the Indenture and the shares of Class A Common Stock issuable upon conversion of such Securities; provided, however, that a security ceases to be a Registrable Security when it is no longer a Restricted Security.

The term "Restricted Security" is defined in the Registration Rights Agreement to mean any Security or share of Class A Common Stock issuable upon conversion thereof except any such Security or share of Class A Common Stock that (i) has been registered pursuant to an

APPENDIX 1

DEFINITIONS

For the purpose of this Questionnaire, the following definitions apply:

1. Affiliate. As used in Questions 1 - 7 and Question 9, a person is an "Affiliate" of a person if such person controls, is controlled by, or is under common control with, another person. Please assume that an "Affiliate" of the Company includes without limitation, any 5% stockholder of the Company (including any person who owns, controls, or holds or holds an option to acquire, and has the power to vote, 5% or more of the Company's outstanding voting securities). "Control" is the possession, directly or indirectly, of the power to direct or cause the direction of the management and policies of an entity, whether through the ownership of voting securities, by contract or otherwise.

As used in Question 8 of this Questionnaire, an "affiliate" of an NASD member has the following meaning:

- (1) a company which controls, is controlled by or is under common control with a member;
- (2) the term affiliate is presumed to include, but is not limited to, the following:

- (a) a company will be presumed to control a member if the company beneficially owns 10% or more of the outstanding voting securities of a member which is a corporation, or beneficially owns a partnership interest in 10% or more of the distributable profits or losses of a member which is a partnership;
- (b) a member will be presumed to control a company if the member and persons associated with the member beneficially own (i) 10% or more of the outstanding subordinated debt of a company, (ii) 10% or more of the outstanding voting securities of a company which is a corporation or (iii) a partnership interest in 10% or more of the distributable profits or losses of a company which is a partnership;
- (c) a company will be presumed to be under common control with a member if:
 - (i) the same natural person or company controls both the member and company by beneficially owning 10% or more of the outstanding voting securities of a member or company which is a corporation, or by beneficially owning a partnership interest in 10% or more of the distributable profits or losses of a member or company which is a partnership; or

A-9

- (ii) a person having the power to direct or cause the direction of the management or policies of the member or the company also has the power to direct or cause the direction of the management or policies of the other entity in question.

2. Beneficial Owner. A "Beneficial Owner" of a security includes any person who, directly or indirectly, through any contract, arrangement, understanding, relationship or otherwise, has or shares voting power and/or investment power with respect to such security. Voting power includes "the power to vote, or to direct the voting, of such security" and investment power includes "the power to dispose, or to direct the disposition, of such security."

A person is also a Beneficial Owner of a security if he has the right to acquire beneficial ownership of such security, at any time within sixty days, including but not limited to, any right to acquire through: (a) the exercise of an option, warrant or right, (b) the conversion of a convertible security, (c) the power to revoke a trust, discretionary account or similar arrangement, or (d) the automatic termination of a trust, discretionary account or similar arrangement; provided, however, that if the acquisition of an option, warrant, right, convertible security or power described in (a), (b) or (c) is for the purpose of maintaining or obtaining control over the issuer of the security, the holder of the option, warrant, right, convertible security or power shall, immediately upon such acquisition and regardless of when it is exercisable, be deemed a beneficial owner of the underlying securities.

The possession of the legal power to vote and/or direct the disposition of securities, absent unusual circumstances, will be sufficient to confer beneficial ownership. Such power may be held directly, or indirectly, through one or more controlled entities.

3. Material Relationship. The term "material relationship" has not been defined by the Securities and Exchange Commission (the "SEC"). The SEC, however, is likely to construe as material any relationship which tends to impact arm's length bargaining in dealings with a company, whether arising from a close business connection, family relationship, a relationship of control or otherwise. For example, you should conclude that you have such a relationship with any organization of which you own, directly or indirectly, 10% more of the outstanding voting stock, or in which you have some other substantial interest, and with any person or organization with whom you have, or with whom any relative (or any other person or organization as to which you have any of the foregoing other relationships) has, a contractual relationship.

4. Member. Rule 0120 of the NASD's Rules of Fair Practice defines the term "member" to mean any individual, partnership, corporation or other legal entity admitted to membership in the NASD, and Article I of the NASD's By-Laws defines the term "person associated with a member" to mean every sole proprietor, partner, officer, director, or branch manager of any member, or any natural person occupying a similar status or performing similar functions, or any natural person engaged in the investment banking or securities business who is directly or indirectly controlling or controlled by such member (for example, any employee), whether or not such person is registered or exempt from registration with the NASD.
